**NOTES TO THE FINANCIAL STATEMENTS**  
**(unaudited)**

**1. NATURE OF OPERATIONS AND BASIS OF PRESENTATION**

Advaxis Inc. (the “Company”) is a biotechnology company developing the next generation of immunotherapies for cancer and infectious diseases. The Company’s platform technology is designed to generate a comprehensive immune response by serving as its own adjuvant, directing antigen presentation, increasing tumor infiltrating killer T-cells, and decreasing Tregs/MDSCs in the tumor. Today, the Company has over fifteen distinct constructs in various stages of development, directly developed by the Company and through strategic collaborations.

Since the Company’s inception in 2002, it has focused its initial development efforts upon immunotherapies targeting cervical cancer, its predecessor condition, cervical intraepithelial neoplasia, head and neck cancer, breast cancer, prostate cancer, and other cancers and infectious diseases. Although no products have been commercialized to date, research and development and investment continue to be placed behind the pipeline and the advancement of this technology. Pipeline development entails risk and expense. It is anticipated that ongoing operational costs for the Company will continue to increase significantly due to several ongoing clinical trials in this fiscal year.

*Liquidity and Financial Condition*

The Company’s products are being developed and have not generated significant revenues. As a result, the Company has suffered recurring losses and its liabilities exceed its assets. These losses are expected to continue for an extended period of time. The Company intends to continue raising funds through the sale of both debt and equity in order to continue funding ongoing clinical trials. The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. There is a working capital deficiency, a shareholders’ deficiency and recurring losses from operations that raise substantial doubt about its ability to continue as a going concern. The financial statements do not include any adjustments to the carrying amount and classification of recorded assets and liabilities should the Company be unable to continue operations. Management’s plans are to continue to raise additional funds through the sales of debt or equity securities. Subsequent to January 31, 2013, the Company raised an aggregate of approximately \$1.7 million in additional capital through the sale of equity securities and exercise of warrants.

The Company recognizes it will need to raise additional capital over and above the amount raised subsequent to January 31, 2013 in order to execute its business plan. There is no assurance that additional financing will be available when needed or that management will be able to obtain financing on terms acceptable to the Company or whether the Company will become profitable and generate positive operating cash flow. If the Company is unable to raise sufficient additional funds, it will have to develop and implement a plan to further extend payables and reduce overhead until sufficient additional capital is raised to support further operations. There can be no assurance that such a plan will be successful.

Accordingly, the accompanying consolidated financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplate continuation of the Company as a going concern and the realization of assets and the satisfaction of liabilities in the normal course of business. The carrying amounts of assets and liabilities presented in the financial statements do not necessarily represent realizable or settlement values. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

*Basis of Presentation*

The accompanying unaudited interim financial statements include all adjustments (consisting only of those of a normal recurring nature) necessary for a fair statement of the results of the interim period. The October 31, 2012 balance sheet is derived from the audited balance sheet included in the Company’s Annual Report on Form 10-K for the fiscal year ended October 31, 2012 (the “Form 10-K”). These interim financial statements should be read in conjunction with the Company’s financial statements and notes for the fiscal year ended October 31, 2012 included in the Form 10-K. The Company believes these financial statements reflect all adjustments and reclassifications that are necessary for a fair presentation of its financial position and results of operations for the periods presented.

*Estimates*

The preparation of financial statements in accordance with Generally Accepted Accounting Principles (GAAP) involves the use of estimates and assumptions that affect the recorded amounts of assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ substantially from these estimates. Significant estimates include the fair value and recoverability of the carrying value of intangible assets (patents and licenses), the fair value of options, the fair value of embedded conversion features, warrants and related disclosure of contingent assets and liabilities. On an on-going basis, we evaluate our estimates, based on historical experience and on various other assumptions that we believe to be reasonable under the circumstances. Actual results may differ from estimates.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *Revenue Recognition*

Revenue from license fees and grants is recognized when the following criteria are met: (i) persuasive evidence of an arrangement exists, (ii) services have been rendered, (iii) the contract price is fixed or determinable, and (iv) collection is reasonably assured. In licensing arrangements, delivery does not occur for revenue recognition purposes until the license term begins. Nonrefundable upfront fees received in exchange for products delivered or services performed that do not represent the culmination of a separate earnings process will be deferred and recognized over the term of the agreement using the straight line method or another method if it better represents the timing and pattern of performance. Since its inception, all of the Company's revenues have been from multiple research grants. For the three months ended January 31, 2013 and 2012, the Company did not receive any revenue from such grants.

For revenue contracts that contain multiple elements, revenue arrangements with multiple deliverables are divided into separate units of accounting if the delivered item has value to the customer on a standalone basis and there is objective and reliable evidence of the fair value of the undelivered item.

### *Cash*

The Company considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents. As of January 31, 2013 and 2012, the Company did not have any cash equivalents.

### *Concentration of Credit Risk*

The Company maintains its cash in bank deposit accounts (checking) that at times exceed federally insured limits.

### *Net Loss per Share*

Basic net income or loss per common share is computed by dividing net income or loss available to common shareholders by the weighted average number of common shares outstanding during the periods. Diluted earnings per share give effect to dilutive options, warrants, convertible debt and other potential common stock outstanding during the period. Therefore, in the case of a net loss the impact of the potential common stock resulting from warrants, outstanding stock options and convertible debt are not included in the computation of diluted loss per share, as the effect would be anti-dilutive. In the case of net income the impact of the potential common stock resulting from these instruments that have intrinsic value are included in the diluted earnings per share. The table sets forth the number of potential shares of common stock that have been excluded from diluted net loss per share.

	<b>As of January 31,</b>	
	<b>2013</b>	<b>2012</b>
Warrants	125,154,408	140,976,812
Stock Options	44,287,424	45,057,424
Convertible Debt (using the if-converted method)	48,820,627	46,155,102
Total	<u>218,262,459</u>	<u>232,189,338</u>

### *Stock Based Compensation*

The Company has an equity plan which allows for the granting of stock options to its employees, directors and consultants for a fixed number of shares with an exercise price equal to the fair value of the shares at date of grant. The Company measures the cost of services received in exchange for an award of equity instruments based on the fair value of the award. For employees and directors, the fair value of the award is measured on the grant date and for non-employees, the fair value of the award is generally re-measured on interim financial reporting dates until the service period is complete. The fair value amount is then recognized over the period during which services are required to be provided in exchange for the award, usually the vesting period.

Stock-based compensation for directors is reflected in general and administrative expenses in the statements of operations. Stock-based compensation for employees and consultants could be reflected in research and development expenses or general and administrative expenses in the statements of operations.

### *Fair Value of Financial Instruments*

The carrying amounts of financial instruments, including cash, accounts payable and accrued expenses approximated fair value as of the balance sheet date presented, because of the relatively short maturity dates on these instruments. The carrying amounts of the financing arrangements issued approximate fair value as of the balance sheet date presented, because interest rates on these instruments approximate market interest rates after consideration of stated interest rates, anti-dilution protection and associated warrants.

### *Derivative Financial Instruments*

The Company does not use derivative instruments to hedge exposures to cash flow, market or foreign currency risks. The Company evaluates all of its financial instruments to determine if such instruments are derivatives or contain features that qualify as embedded derivatives. For derivative financial instruments that are accounted for as liabilities, the derivative instrument is initially recorded at its fair value and is then re-valued at each reporting date, with changes in the fair value reported in the statements of operations. For stock-based derivative financial instruments, the Company used the Black Scholes valuation model which approximated the binomial lattice options pricing model to value the derivative instruments at inception and on subsequent valuation dates. The classification of derivative instruments, including whether such instruments should be recorded as liabilities or as equity, is evaluated at the end of each reporting period. Derivative liabilities are classified in the balance sheet as current or non-current based on whether or not net-cash settlement of the instrument could be required within 12 months of the balance sheet date.

### *Debt Discount and Amortization of Debt Discount*

Debt discount represents the fair value of embedded conversion options of various convertible debt instruments and attached convertible equity instruments issued in connection with debt instruments. The debt discount is amortized over the earlier of (i) the term of the debt or (ii) conversion of the debt, using the straight-line method which approximates the interest method. The amortization of debt discount is included as a component of other expenses in the accompanying statements of operations.

### *Recent Accounting Pronouncements*

In July 2012, the FASB issued ASU 2012-02, "Intangibles-Goodwill and Other (Topic 350): Testing Indefinite-Lived Intangible Assets for Impairment." This ASU simplifies how entities test indefinite-lived intangible assets for impairment which improve consistency in impairment testing requirements among long-lived asset categories. These amended standards permit an assessment of qualitative factors to determine whether it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying value. For assets in which this assessment concludes it is more likely than not that the fair value is more than its carrying value, these amended standards eliminate the requirement to perform quantitative impairment testing as outlined in the previously issued standards. The guidance is effective for annual and interim impairment tests performed for fiscal years beginning after September 15, 2012, early adoption is permitted. The adoption of this standard did not have a material impact on the Company's financial position and results of operations.

In February 2013, the FASB issued ASU No. 2013-02, "Reporting of Amounts Reclassified Out of Other Comprehensive Income". ASU 2013-02 finalized the reporting for reclassifications out of accumulated other comprehensive income, which was previously deferred, as discussed below. The amendments do not change the current requirements for reporting net income or other comprehensive income in financial statements. However, they do require an entity to provide information about the amounts reclassified out of accumulated other comprehensive income by component. An entity is also required to present on the face of the financials where net income is reported or in the footnotes, significant amounts reclassified out of accumulated other comprehensive income by the respective line items of net income, but only if the amount reclassified is required under U.S. GAAP to be reclassified to net income in its entirety in the same reporting period. Other amounts need only be cross-referenced to other disclosures required that provide additional detail of these amounts. The amendments in this update are effective for reporting periods beginning after December 15, 2012. Early adoption is permitted.

### *Income Taxes*

The Company uses the asset and liability method of accounting for income taxes in accordance with ASC Topic 740, "Income Taxes." Under this method, income tax expense is recognized for the amount of: (i) taxes payable or refundable for the current year and (ii) deferred tax consequences of temporary differences resulting from matters that have been recognized in an entity's financial statements or tax returns. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the results of operations in the period that includes the enactment date. A valuation allowance is provided to reduce the deferred tax assets reported if based on the weight of the available positive and negative evidence, it is more likely than not some portion or all of the deferred tax assets will not be realized.

ASC Topic 740-10-30 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC Topic 740-10-40 provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. The Company will classify as income tax expense any interest and penalties. The Company has no material uncertain tax positions for any of the reporting periods presented. The Company files tax returns in U.S. federal and state jurisdictions, including New Jersey, and is subject to audit by tax authorities beginning with the year ended October 31, 2009.

### December 2011 Note Financing

At October 31, 2012, there was one remaining note that was issued by the Company in the offering completed in December 2011, which we refer to as the December 2011 Note, with an outstanding principal balance of \$158,824, having an unamortized debt discount of \$26,896.

### May 2012 Note Financings

Effective May 14, 2012, the Company entered into a Note Purchase Agreement, which we refer to as the May 2012 Notes, in which investors acquired \$953,333 of our convertible promissory notes for an aggregate purchase price of approximately \$715,000 in cash, representing an original issue discount of 25%. The May 2012 Notes are convertible into shares of our common stock at \$0.15 per share. Additionally, investors received warrants, which the Company refers to as the May 2012 Warrants, to purchase such number of shares of our common stock equal to 50% of the number of shares of our common stock that would be issuable upon conversion of their May 2012 Notes at an exercise price of \$0.15 per share. The May 2012 Notes mature on May 18, 2013. The Company may redeem the May 2012 Notes under certain circumstances. The May 2012 Warrants are exercisable at any time on or before May 18, 2017. The May 2012 Warrants may be exercised on a cashless basis under certain circumstances. As of January 31, 2013 the conversion price of the May 2012 Notes was \$.0253 due to the anti-dilution provisions contained therein and the exercise price of the May 2012 Warrants was \$.085 as a result of the price reset provisions contained therein.

The Company elected to apply the fair-value option to account for the May 2012 Notes and have recorded the May 2012 Notes at a fair value of \$454,680 upon issuance. Unrealized losses on the mark-to-market of the May 2012 Notes which amounted to \$681,383 for the period from the date of issuance or May, 14, 2012 through January 31, 2013 were recognized as a non-cash expense in the changes in fair value account on the statement of operations. Accretion of the discount, related to the original fair value of the associated warrants, was recognized through interest expense, amounting to \$146,898 for the period from the date of issuance or May 14, 2012 through January 31, 2013.

In addition, as a result of the reset provisions discussed above, the May 2012 Warrants which have been recorded at a fair value of \$291,400 on May 14, 2012, are being reflected as a warrant liability as of the date of issuance. At October 31, 2012, the warrant liability amounted to \$112,487. As of January 31, 2013, the warrant liability amounted to \$193,327, which resulted in a non-cash expense of approximately \$80,840 for the three months ended January 31, 2013 and was recorded in the changes in fair value account on the statement of operations.

- (1) During December 2011, the Company unreserved for issuance shares related to the preferred stock warrants. If exercisable, exercise price means an amount per warrant share equal to the closing sale price of a share of common stock on the applicable tranche notice date.

At both January 31, 2013 and October 31, 2012, the Company had approximately 15.1 million of its outstanding warrants classified as equity (equity warrants). At issuance, equity warrants are recorded at their relative fair values, using the Relative Fair Value Method, in the shareholders' equity section of the balance sheet. Its equity warrants can only be settled through the issuance of shares and are not subject to anti-dilution provisions.

As of January 31, 2013, the Company had approximately 110 million of its total 125.1 million outstanding warrants classified as liability warrants (common stock warrant liability). The fair value of the warrant liability, as of January 31, 2013 was approximately \$3.4 million. At October 31, 2012, the Company had approximately 85.2 million of its total 100.3 million outstanding warrants classified as liability warrants (common stock warrant liability). The fair value of the warrant liability, as of October 31, 2012, was approximately \$0.4 million. In fair valuing the warrant liability, at January 31, 2013 and 2012, the Company used the following inputs in its Black-Scholes Model (BSM Model):

	(Unaudited) January 31, 2013	October 31, 2012
Exercise Price:	\$ 0.045-0.17	\$ 0.053-0.17

#### *Warrant Liability*

As of January 31, 2013, the Company had approximately 110 million of its total approximately 125.1 million total warrants classified as liabilities (liability warrants). Of these 110 million liability warrants, approximately 75.2 million warrants are outstanding and 34.8 million warrants are exchange warrants – nonexercisable. The Company utilizes the BSM Model to calculate the fair value of these warrants at issuance and at each subsequent reporting date. For those warrants with exercise price reset features (anti-dilution provisions), the Company computes multiple valuations, each quarter, using an adjusted BSM model, to account for the various possibilities that could occur due to changes in the inputs to the BSM model as a result of contractually-obligated changes (for example, changes in strike price to account for down-round provisions). The Company effectively weights each calculation based on the likelihood of occurrence to determine the value of the warrants at the reporting date. Approximately 14.0 million of our 110 million liability warrants are subject to anti-dilution provisions. A certain number of liability warrants contain a cash settlement provision in the event of a fundamental transaction (as defined in the common stock purchase warrant). Any changes in the fair value of the warrant liability (i.e. - the total fair value of all outstanding liability warrants at the balance sheet date) between reporting periods will be reported on the statement of operations.

As of January 31, 2013 and October 31, 2012, the fair value of the warrant liability was approximately \$3.4 million and \$434,000, respectively. For the three months ended January 31, 2013 and 2012, the Company reported expense of approximately \$2.95 million and income of approximately \$0.9 million, respectively, due to changes in the fair value of the warrant liability.

#### *Exercise of Warrants*

During the three months ended January 31, 2013, no warrants were exercised by investors. During the three months ended January 31, 2012, investors in the Company exercised 2,745,097 warrants at a price of \$0.15 per share, resulting in total proceeds to the Company of approximately \$412,000.

#### *Warrants with Anti-Dilution Provisions*

Some of our warrants (approximately 14.0 million) contain anti-dilution provisions originally set at \$0.20 with a term of five years. As of January 31, 2013, these warrants had an exercise price of approximately \$0.14. As of October 31, 2012, these warrants had an exercise price of approximately \$0.15. If the Company issues any common stock, except for exempt issuances as defined in the warrant for consideration less than the exercise price then the exercise price and the amount of warrant shares available would be adjusted to a new price and amount of shares per the “weighted average” formula included in the warrant. The anti-dilution provision requires the Company to issue approximately 901,000 additional warrant shares; and the exercise price to be lowered to a de minimis amount (\$0.1399). Any future financial offering or instrument issuance below the current exercise price will cause further anti-dilution and re-pricing provisions in approximately 14.0 million of our total outstanding warrants.

For those warrants with exercise price reset features (anti-dilution provisions), the Company computes multiple valuations, each quarter, using an adjusted BSM model, to account for the various possibilities that could occur due to changes in the inputs to the BSM model as a result of contractually-obligated changes (for example, changes in strike price to account for down-round provisions). The Company utilized different exercise prices of \$0.1399 and \$0.10, weighting the possibility of warrants being exercised at \$0.1399 between 40% and 50% and warrants being exercised at \$0.10 between 60% and 50%.

As of January 31, 2013, there were outstanding warrants to purchase 90,363,252 shares of our common stock and exchange warrants - nonexercisable to purchase 34,791,156 shares of our common stock with exercise prices ranging from \$0.045 to \$0.17 per share.

The fair value of options granted for the three months ended January 31, 2013 and 2012 amounted to \$0 and \$2,539,792, respectively.

As of January 31, 2013, there was approximately \$1,784,000 of unrecognized compensation cost related to non-vested stock option awards, which is expected to be recognized over a remaining average vesting period of 1.75 years.

A summary of changes in the stock option plan for three months ended January 31, 2013 is as follows:

Numoda will be responsible globally for integrating oversight and logistical functions with the clinical research organizations, contract laboratories, academic laboratories and statistical groups involved. The scope of this agreement covers over three years and is estimated to cost approximately \$12.2 million for both trials. Pursuant to the Master Agreement, the Company is permitted to pay a portion of outstanding charges to Numoda in the form of the Company's common stock and during May 2010, the Company issued 3,500,000 shares of its common stock to an affiliate of Numoda in satisfaction of \$350,000 in services rendered by Numoda to the Company under the Master Agreement. The Company has recorded deferred expenses on the balance sheet for this amount and amortizes this amount to expense over the life of the agreement. As the Company is billed by Numoda on a monthly basis, these costs are capitalized to deferred expenses. As the clinical trials progress in terms of patient enrollment and time, the Company reduces the deferred expense balance and recognizes clinical trials expense on the statement of operations. From inception through January 31, 2013, the Company has paid Numoda approximately \$7.6 million.

As of January 31, 2013, the Company owed Numoda approximately \$586,000, which is recorded in our Accounts Payable.

### 13. SHAREHOLDERS' EQUITY

#### *Equity Enhancement Program*

On October 26, 2012, we entered into a Common Stock Purchase Agreement, which we refer to as the Hanover Purchase Agreement, with Hanover, which requires Hanover to purchase up to \$10.0 million of shares of our common stock over the 24-month term following the effectiveness of the resale registration statement. The purchase price for such shares of common stock will be the higher of (i) the minimum price, which we refer to as the Floor Price, set forth in our notice electing to effect such issuance, and (ii) 90% of the arithmetic average of the five lowest closing sale prices of the common stock during the applicable ten trading day pricing period (or, if less, the arithmetic average of all trading days with closing sale prices in excess of the Floor Price), subject to adjustment. Each trading day with a closing sale price less than the Floor Price is excluded from the calculation of the purchase price and automatically reduces the number of trading days in the applicable pricing period.

In consideration for Hanover's execution and delivery of the Hanover Purchase Agreement, in connection with the execution and delivery of the Hanover Purchase Agreement, we have issued Hanover 3,500,000 Commitment Fee Shares in November 2012. The Company recognized non-cash expense of approximately \$157,000 related to the issuance of the Commitment Fee Shares in the current period. We have also agreed to issue Hanover additional Maintenance Fee Shares of our common stock in the event that no shares of common stock have been purchased or sold pursuant to the Hanover Purchase Agreement during any calendar quarter during the 24 month term per the terms of the Hanover Purchase Agreement.

The Hanover Purchase Agreement provides for indemnification of Hanover and its affiliates in the event that we breach any of our representations and warranties under the Hanover Purchase Agreement.

In connection with the Hanover Purchase Agreement, on October 26, 2012, we entered into a registration rights agreement, which we refer to as the Hanover Registration Rights Agreement, with Hanover, and granted to Hanover certain registration rights related to the Commitment Fee Shares, the Maintenance Fee Shares, and the shares issuable under the Hanover Purchase Agreement. Under the Hanover Registration Rights Agreement, we filed with the SEC a registration statement for the purpose of registering the resale of the common stock issued to Hanover.

During the three months ended January 31, 2013, the Company sold 11,390,514 shares of our common stock for proceeds totaling \$350,632.

#### *Ironridge Settlement*

On December 20, 2012, the Superior Court of the State of California for the County of Los Angeles Central District entered an Order for Approval of Stipulation for Settlement of Claims, which we refer to as the Order, in the matter titled Ironridge Global IV, Ltd. vs. Advaxis, Inc. The Order, together with the Stipulation for Settlement of Claims, which we refer to as the Stipulation, dated December 19, 2012, between us and Ironridge Global IV, Ltd., which we refer to as Ironridge, provides for full and final settlement of Ironridge's \$692,761 claim against us in connection with past due invoices relating to attorney fees, which Ironridge purchased pursuant to a Receivable Purchase Agreement, dated December 14, 2012, which we refer to as the Claim. #### *Series B Preferred Stock Financing*

On July 19, 2010, the Company entered into a Series B Preferred Stock Purchase Agreement with Optimus (the "Series B Purchase Agreement"), pursuant to which Optimus agreed to purchase, upon the terms and subject to the conditions set forth therein and described below, up to \$7.5 million of the Company's newly authorized, non-convertible, redeemable Series B preferred stock ("Series B Preferred Stock") at a price of \$10,000 per share. Under the terms of the Series B Purchase Agreement, subject to the Company's ability to maintain an effective registration statement for the Warrant Shares (as defined below), the Company may from time to time until July 19, 2013, present Optimus with a notice to purchase a specified amount of Series B Preferred Stock. Subject to satisfaction of certain closing conditions, Optimus is obligated to purchase such shares of Series B Preferred Stock on the 10th trading day after the date of the notice. The Company will determine, in its sole discretion, the timing and amount of Series B Preferred Stock to be purchased by Optimus, and may sell such shares in multiple tranches. Optimus will not be obligated to purchase the Series B Preferred Stock upon the Company's notice (i) in the event the average closing sale price of the Company's common stock during the nine trading days following delivery of such notice falls below 75% of the closing sale price of the Company's common stock on the trading day prior to the date such notice is delivered to Optimus, or (ii) to the extent such purchase would result in the Company and its affiliates beneficially owning more than 9.99% of the Company's outstanding common stock. The Series B Preferred Stock is only redeemable at the option of the Company as set forth in the Company's Certificate of Designations of Preferences, Rights and Limitations of Series B Preferred Stock and not otherwise subject to redemption or repurchase by the Company in any circumstances.

Pursuant to the Series B Purchase Agreement, on July 19, 2010, the Company issued to an affiliate of Optimus a three-year warrant to purchase up to 40,500,000 shares of the Company's common stock (the "Warrant Shares"), at an initial exercise price of \$0.25 per share, subject to adjustment as described below. The warrant consists of and is exercisable in tranches, with a separate tranche being created upon each delivery of a tranche notice under the Series B Purchase Agreement. On each tranche notice date, that portion of the warrant equal to 135% of the tranche amount will vest and become exercisable, and such vested portion may be exercised at any time during the exercise period on or after such tranche notice date. On and after the first tranche notice date and each subsequent tranche notice date, the exercise price of the warrant will be adjusted to the closing sale price of a share of the Company's common stock on the applicable tranche notice date. The exercise price of the warrant may be paid (at the option of the affiliate of Optimus) in cash or by its issuance of a four-year, full-recourse promissory note, bearing interest at 2% per annum, and secured by a specified portfolio of assets. However, such promissory note is not due or payable at any time that (a) the Company is in default of any preferred stock purchase agreement for Series B Preferred Stock or any warrant issued pursuant thereto, any loan agreement or other material agreement or (b) there are any shares of the Series B Preferred Stock issued or outstanding. In addition, the Company redeemed two hundred twenty-six (226) shares of Series B Preferred Stock held by the Investor for an aggregate redemption price of \$3,141,004 consisting of (i) cash in an amount of \$76,622 and (ii) cancellation of certain promissory notes issued by an affiliate of the Investor to the Company in the aggregate amount of \$3,051,000 and accrued interest of approximately \$13,382. This resulted in a net promissory note receivable of \$9,998,210 as of October 31, 2011. The Company also recorded \$50,401 and \$485,812 in accrued interest on the promissory notes through the three months ended January 31, 2013 and the twelve months ended October 31, 2012, respectively. The value of the Promissory Note and Interest Receivable was \$10,534,424 and \$10,484,022 as of January 31, 2013 and October 31, 2012, respectively. The promissory bears interest at 2% per annum which is credited directly to capital.

On April 4, 2011, the Company and Optimus entered into an amendment to the Preferred Stock Purchase Agreement dated July 19, 2010 between the Company and Optimus. Under the amendment Optimus remains obligated, from time to time until July 19, 2013, to purchase up to an additional 284 shares of non-convertible, redeemable Series B Preferred Stock, \$0.001 par value per share at a purchase price of \$10,000 per share upon notice from the Company to the Investor, subject to the satisfaction of certain conditions set forth in the Purchase Agreement.

In order to satisfy certain conditions set forth in the Preferred Stock Purchase Agreement that would allow the Company to require the Investor to purchase the remaining shares of Series B Preferred Stock under the Preferred Stock Purchase Agreement, the Amendment provides that, among other things, the Company will issue to the Holder a three-year warrant (the "Additional Warrant") to purchase up to an additional 25,560,000 shares of the Company's common stock, at an initial exercise price of \$0.15 per share, subject to adjustment as described below. The Additional Warrant will become exercisable on the earlier of (i) the date on which a registration statement registering for resale the shares of the Company's common stock issuable upon exercise of the Additional Warrant (the "Warrant Shares") becomes effective and (ii) the first date on which such Warrant Shares are eligible for resale without limitation under Rule 144 (assuming a cashless exercise of the Additional Warrant). The Additional Warrant consists of and is exercisable in tranches, with a separate tranche being created upon each delivery of a tranche notice under the Preferred Stock Purchase Agreement. On each tranche notice date, that portion of the Additional Warrant equal to 135% of the tranche amount will vest and become exercisable, and such vested portion may be exercised at any time during the exercise period on or after such tranche notice date. On and after the first tranche notice date and each subsequent tranche notice date, the exercise price of the Additional Warrant will be adjusted to the closing sale price of a share of the Company's common stock on the applicable tranche notice date. The exercise price of the Additional Warrant may be paid (at the option of the Investor) in cash or by the Investor's issuance of a four-year, full-recourse promissory note (each, a "Promissory Note"), bearing interest at 2% per annum, and secured by specified portfolio of assets. However, no Promissory Note will be due or payable at any time that (a) the Company is in default of any preferred stock purchase agreement for Series B Preferred Stock or any warrant issued pursuant thereto, any loan agreement or other material agreement or (b) there are any shares of the Company's Series B Preferred Stock issued or outstanding. The Additional Warrant also provides for cashless exercise in certain circumstances. If a "Funding Default" (as such term is defined in the Additional Warrant) occurs and the Additional Warrant has not previously been exercised in full, the Company has the right to demand surrender of the Additional Warrant (or any remaining portion thereof) without compensation, and the Additional Warrant will automatically be cancelled.

Holders of Series B preferred stock will be entitled to receive dividends, which will accrue in shares of Series B preferred stock on an annual basis at a rate equal to 10% per annum from the issuance date. Accrued dividends will be payable upon redemption of the Series B preferred stock or upon the liquidation, dissolution or winding up of our company. In the event the company redeems all or a portion of any shares of the Series B Preferred Stock then held by Optimus, Optimus shall apply, and the Company may offset, the proceeds of any such redemption to pay down the accrued interest and outstanding principal of the Promissory Note from Optimus.

As of January 31, 2013, the Series B preferred stock had a liquidation preference of \$9,907,570 comprised of \$10,000 per share plus the total of the cumulative accrued dividends in the amount of \$2,507,570. At October 31, 2012 the Series B preferred stock had a liquidation preference of \$9,722,570 comprised of \$10,000 per share plus the total of the cumulative accrued dividends in the amount of \$2,322,570. During the three months ended January 31, 2013 and 2012 and the period from March 1, 2002 (date of inception) to January 31, 2013, the Company accrued dividends of \$185,000, \$185,000 and \$2,507,570 respectively.

During the three months ended January 31, 2013 and 2012, the Company did not sell any preferred shares to Optimus.

As of both January 31, 2013 and October 31, 2012, the Company continued to have 284 shares of its Series B Preferred Stock available for sale to Optimus at a gross purchase price of \$10,000.

#### 14. FAIR VALUE

The authoritative guidance for fair value measurements defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or the most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Market participants are buyers and sellers in the principal market that are (i) independent, (ii) knowledgeable, (iii) able to transact, and (iv) willing to transact. The guidance describes a fair value hierarchy based on the levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value which are the following:

- Level 1 — Quoted prices in active markets for identical assets or liabilities
- Level 2— Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or corroborated by observable market data or substantially the full term of the assets or liabilities
- Level 3 — Unobservable inputs that are supported by little or no market activity and that are significant to the value of the assets or liabilities

The following table provides the liabilities carried at fair value measured on a recurring basis as of January 31, 2013:

**15. SUBSEQUENT EVENTS***Sale of stock under the Equity Enhancement Program*

Under the Hanover Purchase Agreement, the Company may require Hanover Holdings to purchase up to \$10.0 million of our common stock over a 24 month period (See Footnote 12 – Shareholders' Equity).

On February 12, 2013, the Company issued 8,000,000 shares of our common stock to Hanover Holdings in connection with the settlement of a draw down pursuant to the Hanover Purchase Agreement, at a price of approximately \$0.0644 per share. The per share price for such shares was established under the terms of the Hanover Purchase Agreement. We receive total net proceeds of \$515,520 in connection with this draw down.

On March 1, 2013, the Company issued 12,000,000 shares of our common stock to Hanover in connection with the settlement of a draw down pursuant to the Purchase Agreement, at a price of approximately \$0.095 per share. The per share price for such shares was established under the terms of the Purchase Agreement. The Company received total net proceeds of \$1,134,000 in connection with this draw down.

*Exercise of Warrants*

On February 26, 2013, an accredited investor exercised 1,111,111 warrants at an exercise price of \$0.085, resulting in net proceeds to the Company of \$94,444.

*Separation Agreement*

On March 6, 2013, the Company announced the departure of Dr. John Rothman, the Company's Executive Vice President of Clinical and Scientific Operations, effective March 1, 2013. On March 20, 2013, the Company entered into a Separation Agreement and General Release with Dr. Rothman, pursuant to which Dr. Rothman released the Company from all claims and agreed to continue to assist the Company as a consultant until February 28, 2014 in exchange for (i) being compensated on an hourly basis for certain project assignments as requested by the Company, (ii) receiving an aggregate of approximately \$275,000, paid in installments over the course of the one year consulting period, and (iii) all of the options to purchase shares of our common stock held by Dr. Rothman being fully vested with the exercise period of such options being extended until March 1, 2015.

*Office & Laboratory Lease*

In April 2011, the Company entered into a Sublease Agreement and relocated the current offices and laboratory to an approximately 10,000 square foot leased facility in Princeton, NJ. Costs approximate \$21,000 per month plus utilities. Utility costs are estimated to be approximately \$7,200 per month and are capped at approximately \$10,700 per month.

On March 13, 2013, the Company entered into a modification of the Sublease Agreement whereby all unpaid accrued lease amounts and future lease amounts through June 30, 2013, which the Company estimated to be approximately \$450,000, would be satisfied by a payment in total of \$200,000, with \$100,000 paid on March 13, 2013 and \$100,000 payable upon the consummation of a future capital raising transaction by the Company. In addition, lease payments for the period July 1, 2013 through November 30, 2015 will be reduced to a total of \$20,000 per month.

*Tonaquint*

On March 14, 2013, the Company issued 21,327,990 shares of our common stock resulting from the partial cashless exercise of the warrant issued to Tonaquint during the three months ended January 31, 2013 and paid the Company an accelerated payment of \$200,000 owed to the Company under the original agreement. Accordingly, the Company will record an increase to Short-term convertible notes account during the second fiscal quarter of 2013.

*Brio Claim*

On March 22, 2013, we were notified that a lawsuit against Advaxis had been filed by Brio Capital L.P., which we refer to as Brio, in the Supreme Court of the State of New York, County of New York, titled Brio Capital L.P. v. Advaxis Inc., Case No. 651029/2013, which we refer to as the Action. The complaint in the Action alleges, among other things, that Advaxis breached the terms of certain warrants to purchase shares of our common stock that we originally issued to Brio on October 17, 2007 and on June 18, 2009, each at an initial exercise price of \$0.20 per share, and that Brio has suffered damages as a result thereof. Brio's complaint seeks (i) a preliminary and permanent injunction directing us to issue to Brio 2,717,777 shares of our common stock, along with the necessary corporate resolutions and legal opinions to enable Brio to sell such common stock publicly without restriction; and (ii) damages of at least \$500,000 (in an amount to be determined at trial), along with interest, costs and attorneys' fees related to the Action. We believe the Action is entirely without merit, and we intend to vigorously defend against the Action.

Subsequent events have been evaluated through the date that the financial statements were issued. All appropriate subsequent event disclosure, if any, has been made in the notes to the financial statements.

## ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

### *Cautionary Note Regarding Forward Looking Statements*

The Company has included in this Quarterly Report certain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 concerning the Company's business, operations and financial condition. "Forward-looking statements" consist of all non-historical information, and the analysis of historical information, including the references in this Quarterly Report to future revenues, collaborative agreements, future expense growth, future credit exposure, earnings before interest, taxes, depreciation and amortization, future profitability, anticipated cash resources, anticipated capital expenditures, capital requirements, and the Company's plans for future periods. In addition, the words "could", "expects", "anticipates", "objective", "plan", "may affect", "may depend", "believes", "estimates", "projects" and similar words and phrases are also intended to identify such forward-looking statements. Such factors include the risk factors included in the Company's Annual Report on Form 10-K for the fiscal year ended October 31, 2012 and other factors discussed in connection with any forward-looking statement.

Actual results could differ materially from those projected in the Company's forward-looking statements due to numerous known and unknown risks and uncertainties, including, among other things, the Company's ability to raise capital unanticipated technological difficulties, the length, scope and outcome of our clinical trial, costs related to intellectual property, cost of manufacturing and higher consulting costs, product demand, changes in domestic and foreign economic, market and regulatory conditions, the inherent uncertainty of financial estimates and projections, the uncertainties involved in certain legal proceedings, instabilities arising from terrorist actions and responses thereto, and other considerations described as "Risk Factors" in other filings by the Company with the SEC. Such factors may also cause substantial volatility in the market price of the Company's Common Stock. All such forward-looking statements are current only as of the date on which such statements were made. The Company does not undertake any obligation to publicly update any forward-looking statement to reflect events or circumstances after the date on which any such statement is made or to reflect the occurrence of unanticipated events.

### **General**

Our common stock trades on the Over-the-Counter Marketplace under the ticker symbol ADXS.OB.

We are a development stage biotechnology company with the intent to develop safe and effective cancer vaccines that utilize multiple mechanisms of immunity. We are developing a live *Listeria* vaccine technology under license from the University of Pennsylvania ("Penn") which secretes a protein sequence containing a tumor-specific antigen. We believe this vaccine technology is capable of stimulating the body's immune system to process and recognize the antigen as if it were foreign, generating an immune response able to attack the cancer. We believe this to be a broadly enabling platform technology that can be applied to the treatment of many types of cancers, infectious diseases and auto-immune disorders. In addition, this technology supports among other things the immune response by altering tumors to make them more susceptible to immune attack stimulating the development of specific blood cells that underlie a strong therapeutic immune response.

We have no customers. Since our inception in 2002, we have focused our development efforts upon understanding our technology and establishing a product development pipeline that incorporates this technology in the therapeutic cancer vaccines area targeting cervical, head and neck, prostate, breast, and a pre-cancerous indication of cervical intraepithelial neoplasia, which we refer to as CIN. Although no products have been commercialized to date, research and development and investment continues to be placed behind the pipeline and the advancement of this technology. Pipeline development and the further exploration of the technology for advancement entail risk and expense. We anticipate that our ongoing operational costs will increase significantly as we continue our four Phase II clinical trials that started this fiscal year.

## RESULTS OF OPERATIONS FOR THE THREE MONTHS ENDED JANUARY 31, 2013 AND 2012

### *Revenue*

We did not record any revenue for the three months ended January 31, 2013 and 2012.

### *Research and Development Expenses*

Research and development expenses decreased by approximately \$1,234,000 to approximately \$979,000 for the three months ended January 31, 2013 as compared with approximately \$2,213,000 for the same period a year ago. This is primarily attributable to clinical trial expenses, which decreased in the current year resulting from lower costs due to the near completion of dosing patients in our India trial and less clinical trial activity. In addition, overall compensation decreased in the current period resulting from fewer employees when compared with the same period a year ago.

We anticipate a significant increase in research and development expenses as a result of expanded development and commercialization efforts primarily related to clinical trials and product development. In addition, expenses will be incurred in the development of strategic and other relationships required to license manufacture and distribute our product candidates.

### *General and Administrative Expenses*

General and administrative expenses increased by approximately \$171,000 or 17%, to approximately \$1,202,000 for the three months ended January 31, 2013 as compared with approximately \$1,031,000 for the same period a year ago. This was the result of higher legal fees. In addition, overall compensation expense increased during the current period resulting from additional employees and costs related to employee benefits. These increases were slightly offset by a decrease in travel and entertainment related expenses in the current period when compared with the same period a year ago.

### *Interest Expense*

For the three months ended January 31, 2013, interest expense decreased significantly to approximately \$361,000 from \$1,617,000 in the same period a year ago resulting from the significant reduction in overall debt from approximately \$6.3 million in outstanding principal at January 31, 2012 to approximately \$1.7 million in outstanding principal at January 31, 2013. These reductions included the \$4.5 million aggregate principal value of convertible promissory notes exchanged for shares of our common stock and warrants in May 2012 and approximately \$4.3 million aggregate principal value of various convertible promissory notes converted during 2012. During the three months ended January 31, 2013, the Company recorded approximately \$157,000 in non-cash interest expense related to the issuance of 3.5 million shares (Commitment Fee Shares) under the Hanover Purchase Agreement.

### *Other Expense*

Other expense was approximately \$20,000 for the three months ended January 31, 2013 as a result of unfavorable changes in foreign exchange rates relating to transactions with certain vendors.

Other income was approximately \$7,000 for the three months ended January 31, 2012 as compared with other expenses of approximately \$17,000 in the same period a year ago as a result of favorable changes in foreign exchange rates relating to transactions with certain vendors.

### *(Loss) Gain on Note Retirement and Accounts Payable*

For the three months ended January 31, 2013, we recorded non-cash income of approximately \$152,500 primarily resulting from the settlement of outstanding payables with shares of our common stock, resulting in non-cash income of approximately \$576,000, offset by non-cash charges to income of approximately \$424,000 resulting from the extinguishment of debt instruments during the period.

For the three months ended January 31, 2012, we recorded a non-cash charge to income of approximately \$697,000 mainly resulting from the conversion of some convertible promissory notes by investors, into shares of our common stock in addition to the exchange by an investor of 2007 warrants that contained anti-dilution provisions, for a larger number of warrants with no anti-dilution provisions in addition to the conversion of some bridge notes into shares of the Company's common stock

### *Changes in Fair Values*

For the three months ended January 31, 2013, the Company recorded non-cash expense from changes in the fair value of the warrant liability of approximately \$4,000,000 compared with income of approximately \$840,000 in same period a year ago. In the current period, the increase in expense of approximately \$4,000,000 resulted from an increase in the fair value of each liability warrant due to an increase in our share price from \$0.045, at October 31, 2012 to \$0.072 at January 31, 2013 and the number of outstanding liability warrants increased during the current period compared to the same period a year ago.

For the three months ended January 31, 2012, the Company recorded income from changes in the fair value of the warrant liability and embedded derivative liability of approximately \$840,000 resulting from a decrease in the Black-Scholes value of each liability warrant due to a smaller range of share prices used in the calculation of the BSM Model volatility input somewhat offset by a slight increase in our share price over the three months ended January 31, 2012.

Potential future increases or decreases in our stock price will result in increased or decreased warrant and embedded derivative liabilities, respectively, on our balance sheet and therefore increased or decreased expenses being recognized in our statement of operations in future periods.

#### *Income Tax Benefit*

The Company may be eligible, from time to time, to receive cash from the sale of our Net Operating Losses under the State of New Jersey NOL Transfer Program. In the three months ended January 31, 2013, the Company received a net cash amount of approximately \$725,000 from the sale of our state NOLs and R&D tax credits for the periods ended October 31, 2010 and 2011.

In the three months ended January 31, 2012, the Company received a net cash amount of \$346,787 from the sale of our state NOLs for the periods through October 31, 2010.

#### **Liquidity and Capital Resources**

Since our inception through January 31, 2013, the Company has reported accumulated net losses of approximately \$53.5 million and recurring negative cash flows from operations. We anticipate that we will continue to generate significant losses from operations for the foreseeable future.

Cash used in operating activities, for the three months ending January 31, 2013, was approximately \$1.8 million (offset by proceeds from sale of our state NOLs and R&D tax credits of approximately \$0.7 million, resulting in net cash used of \$1.1 million) primarily from spending associated with our clinical trial programs and general & administrative spending.

Cash used in investing activities, for the three months ended January 31, 2013, was approximately \$44,000 resulting from legal and administrative spending in support of our patents.

Cash provided by financing activities, for the three months ended January 31, 2013, was approximately \$1.2 million, primarily consisting of net proceeds received from the sale of convertible promissory notes (\$0.8 million) and the sale of our common stock primarily from the use of the Hanover Equity Enhancement Program (\$0.4 million).

For the three months ending January 31, 2013, we issued to certain accredited investors convertible promissory notes in the aggregate principal amount of approximately \$753,500 for an aggregate net purchase price of approximately \$750,000. These convertible promissory notes were issued with either original issue discounts ranging from 15% to 25% or are interest-bearing and are convertible into shares of our common stock. Some of these convertible promissory notes were issued along with warrants. These convertible promissory notes mature between January and November of 2014. In addition, during the three months ended January 31, 2013, Mr. Moore loaned the Company \$3,800 under the Moore Notes.

During the three months ended January 31, 2013, the Company issued 1,778,571 shares of our common stock, to accredited investors, at a price per share of \$0.035, resulting in total net proceeds of \$62,250. In addition, during January 2013, the Company received \$15,000, under a stock purchase agreement. On February 11, 2013, the Company issued the accredited investor 428,572 shares at a price per share of \$0.035.

During the three months ended January 31, 2013, the Company issued 11,390,514 shares of our common stock to Hanover in connection with the settlement of drawdowns pursuant to the Hanover Purchase Agreement, at prices ranging from approximately \$0.0266 to \$0.0374 per share. The per share price for such shares was established under the terms of the Hanover Purchase Agreement. The Company received total net proceeds of approximately \$350,633 in connection with these drawdowns.

In February and March 2013, the Company issued 20,000,000 shares of our common stock to Hanover in connection with the settlement of drawdowns pursuant to the Hanover Purchase Agreement, at prices ranging from approximately \$0.0644 to \$0.095 per share. The per share price for such shares was established under the terms of the Hanover Purchase Agreement. The Company received total net proceeds of approximately \$1,649,520 in connection with these drawdowns.

Our limited capital resources and operations to date have been funded primarily with the proceeds from public, private equity and debt financings, NOL tax sales and income earned on investments and grants. We have sustained losses from operations in each fiscal year since our inception, and we expect losses to continue for the indefinite future, due to the substantial investment in research and development. As of January 31, 2013 and October 31, 2012, we had an accumulated deficit of \$53,309,473 and \$47,601,427, respectively and shareholders' deficiency of \$7,863,356 and \$5,962,724, respectively.

Based on our available cash of approximately \$700,000 on March 13, 2013, we do not have adequate cash on hand to cover our anticipated expenses for the next 12 months. If we fail to raise a significant amount of capital, we may need to significantly curtail or cease operations in the near future. These conditions have raised substantial doubt about our ability to continue as a going concern.

### **Off-Balance Sheet Arrangements**

As of January 31, 2013, we had no off-balance sheet arrangements.

### **Critical Accounting and New Accounting Pronouncements**

#### Critical Accounting Estimates

The preparation of financial statements in accordance with GAAP accepted in the U.S. requires management to make estimates and assumptions that affect the reported amounts and related disclosures in the financial statements. Management considers an accounting estimate to be critical if:

- it requires assumptions to be made that were uncertain at the time the estimate was made, and
- changes in the estimate of difference estimates that could have been selected could have material impact in our results of operations or financial condition.

Actual results could differ from those estimates and the differences could be material. The most significant estimates impact the following transactions or account balances: stock compensation, warrant valuation, impairment of intangibles, dilution caused by anti-dilution provisions in the warrants and other agreements.

#### *Stock Based Compensation*

We have an equity plan which allows for the granting of stock options to our employees, directors and consultants for a fixed number of shares with an exercise price equal to the fair value of the shares at date of grant. We measure the cost of services received in exchange for an award of equity instruments based on the fair value of the award. For employees and directors, the fair value of the award is measured on the grant date and for non-employees, the fair value of the award is generally re-measured on interim financial reporting dates until the service period is complete. The fair value amount is then recognized over the period during which services are required to be provided in exchange for the award, usually the vesting period.

Stock-based compensation for directors is reflected in general and administrative expenses in the statements of operations. Stock-based compensation for employees and consultants could be reflected in research and development expenses or general and administrative expenses in the consolidated statements of operations.

#### *Fair Value of Financial Instruments*

The carrying amounts of financial instruments, including cash, receivables, accounts payable and accrued expenses approximated fair value, as of the balance sheet date presented, because of the relatively short maturity dates on these instruments. The carrying amounts of the financing arrangements issued approximate fair value, as of the balance sheet date presented, because interest rates on these instruments approximate market interest rates after consideration of stated interest rates, anti-dilution protection and associated warrants.

#### *Derivative Financial instruments*

We do not use derivative instruments to hedge exposures to cash flow, market or foreign currency risks. We evaluate all of our financial instruments to determine if such instruments are derivatives or contain features that qualify as embedded derivatives. For derivative financial instruments that are accounted for as liabilities, the derivative instrument is initially recorded at its fair value and is then re-valued at each reporting date, with changes in the fair value reported in the statements of operations. For stock-based derivative financial instruments, we used the Black-Scholes valuation model which approximated the binomial lattice options pricing model to value the derivative instruments at inception and on subsequent valuation dates. The classification of derivative instruments, including whether such instruments should be recorded as liabilities or as equity, is evaluated at the end of each reporting period. Derivative liabilities are classified in the balance sheet as current or non-current based on whether or not net-cash settlement of the instrument could be required within 12 months of the balance sheet date.

## *Debt Discount and Amortization of Debt Discount*

Debt discount represents the fair value of embedded conversion options of various convertible debt instruments and attached convertible equity instruments issued in connection with debt instruments. The debt discount is amortized over the earlier of (i) the term of the debt or (ii) conversion of the debt, using the straight-line method, which approximates the interest method. The amortization of debt discount is included as a component of other expenses in the accompanying statements of operations.

## **New Accounting Pronouncements**

In July 2012, the FASB issued ASU 2012-02, "Intangibles-Goodwill and Other (Topic 350): Testing Indefinite-Lived Intangible Assets for Impairment." This ASU simplifies how entities test indefinite-lived intangible assets for impairment which improve consistency in impairment testing requirements among long-lived asset categories. These amended standards permit an assessment of qualitative factors to determine whether it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying value. For assets in which this assessment concludes it is more likely than not that the fair value is more than its carrying value, these amended standards eliminate the requirement to perform quantitative impairment testing as outlined in the previously issued standards. The guidance is effective for annual and interim impairment tests performed for fiscal years beginning after September 15, 2012. Early adoption is permitted. The adoption of this standard did not have a material impact on our consolidated financial position and results of operations.

In February 2013, the FASB issued ASU No. 2013-02, "Reporting of Amounts Reclassified Out of Other Comprehensive Income". ASU 2013-02 finalized the reporting for reclassifications out of accumulated other comprehensive income, which was previously deferred, as discussed below. The amendments do not change the current requirements for reporting net income or other comprehensive income in financial statements. However, they do require an entity to provide information about the amounts reclassified out of accumulated other comprehensive income by component. An entity is also required to present on the face of the financials where net income is reported or in the footnotes, significant amounts reclassified out of accumulated other comprehensive income by the respective line items of net income, but only if the amount reclassified is required under U.S. GAAP to be reclassified to net income in its entirety in the same reporting period. Other amounts need only be cross-referenced to other disclosures required that provide additional detail of these amounts. The amendments in this update are effective for reporting periods beginning after December 15, 2012. Early adoption is permitted.

## **ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK**

**Not Applicable**

## **ITEM 4. CONTROLS AND PROCEDURES**

### *Evaluation of Disclosure Controls and Procedures*

As of the end of the period covered by this report, we conducted an evaluation, under the supervision and with the participation of our chief executive officer and chief financial officer of our disclosure controls and procedures (as defined in Rule 13a-15(e) and Rule 15d-15(e) of the Exchange Act). Based upon this evaluation, our chief executive officer and chief financial officer concluded that our disclosure controls and procedures were effective to ensure that information required to be disclosed by us in the reports that we file or submit under the Exchange Act is: (1) accumulated and communicated to our management, including our chief executive officer and chief financial officer, as appropriate to allow timely decisions regarding required disclosure; and (2) recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms.

### *Changes in Internal Control over Financial Reporting*

During the quarter ended January 31, 2013, there were no changes in our internal control over financial reporting that have materially affected, or are reasonably likely to materially affect our internal control over financial reporting.

## **PART II - OTHER INFORMATION**

As of the date hereof, except as set forth below, there are no pending legal proceedings to which we are a party or of which any of our property is the subject. In the ordinary course of our business we may become subject to litigation regarding our products or our compliance with applicable laws, rules, and regulations.

#### *Brio Claim*

On March 22, 2013, we were notified that a lawsuit against Advaxis had been filed by Brio Capital L.P., which we refer to as Brio, in the Supreme Court of the State of New York, County of New York, titled Brio Capital L.P. v. Advaxis Inc., Case No. 651029/2013, which we refer to as the Action. The complaint in the Action alleges, among other things, that Advaxis breached the terms of certain warrants to purchase shares of our common stock that we originally issued to Brio on October 17, 2007 and on June 18, 2009, each at an initial exercise price of \$0.20 per share, and that Brio has suffered damages as a result thereof. Brio's complaint seeks (i) a preliminary and permanent injunction directing us to issue to Brio 2,717,777 shares of our common stock, along with the necessary corporate resolutions and legal opinions to enable Brio to sell such common stock publicly without restriction; and (ii) damages of at least \$500,000 (in an amount to be determined at trial), along with interest, costs and attorneys' fees related to the Action. We believe the Action is entirely without merit, and we intend to vigorously defend against the Action.

#### *Ironridge Settlement*

On December 20, 2012, the Superior Court of the State of California for the County of Los Angeles Central District entered an Order for Approval of Stipulation for Settlement of Claims, which we refer to as the Order, in the matter titled Ironridge Global IV, Ltd. vs. Advaxis, Inc. The Order, together with the Stipulation for Settlement of Claims, which we refer to as the Stipulation, dated December 19, 2012, between us and Ironridge Global IV, Ltd., which we refer to as Ironridge, provides for full and final settlement of Ironridge's \$692,761 claim against us in connection with past due invoices relating to attorney fees, which Ironridge purchased pursuant to a Receivable Purchase Agreement, dated December 14, 2012, which we refer to as the Claim. Pursuant to the terms of the Order and the Stipulation, we are obligated to issue 33,389,663 shares of our common stock to settle the \$692,761 owed. On December 21, 2012, we issued and delivered to Ironridge 45,000,000 shares of our common stock, par value \$0.001 per share. Accordingly, Ironridge returned 11,610,337 shares of our common stock.

### **ITEM 5. OTHER INFORMATION**

#### *Tonaquint Note*

On December 13, 2012, we entered into the Tonaquint Purchase Agreement with Tonaquint whereby we issued Tonaquint the Tonaquint Note, a secured convertible promissory note for the initial principal sum of \$890,000. The Tonaquint Note bears interest at a rate of 8% and is due 26 months after its issue date. The Tonaquint Note can be converted at a fixed price of \$0.16 per share but is subject to reduction in the event that we issue shares below the conversion price of \$0.16 after six months has elapsed after the date of closing.

On the closing date, Tonaquint (i) funded us with \$400,000 in cash, (ii) issued Note 1, a secured note in the principal amount of \$200,000, and (iii) issued Note 2, an additional secured note in the principal amount of \$200,000. Note 1 bears interest at a rate of 5% and is due on the earlier of (i) 60 days following the maturity date under the Tonaquint Note, and (ii) the later of (A) 8 months after the closing date under the Tonaquint Purchase Agreement and (B) satisfaction of certain payment conditions. Note 2 bears interest at a rate of 5% and is due on the earlier of (i) 60 days following the maturity date under the Tonaquint Note, and (ii) the later of (A) 10 months after the closing date under the Tonaquint Purchase Agreement and (B) satisfaction of certain payment conditions.

We have agreed to make installment payments on the Tonaquint Note beginning 6 months after closing in cash or in stock. If we choose to make installment payments in stock, then such stock will be issued at a price per share equal to 80% of the average of the 5 lowest daily closing bid prices for the common stock during the 20 consecutive trading days prior to the installment date. Tonaquint has the right to receive additional shares if the market price of our common stock is lower than the price per share of our common stock on the installment date.

As of January 31, 2013, the Tonaquint Note was recorded at \$444,044, which reflects an OID discount of 9.1%, pursuant to the terms of the Tonaquint Note, or \$44,004. A portion of the OID, in the amount of \$3,539, was amortized to interest expense, leaving a remaining OID balance of \$40,565, as of January 31, 2013.

#### *JLSI, LLC*

On July 21, 2012, the Company received \$250,000 from JLSI, LLC in return for issuing the July 2012 Note. This note still remains outstanding. The Company has recorded approximately \$37,000 in interest related to this promissory note, through December 31, 2012.

On March 10, 2013, the Company entered into an Exchange Agreement with JLSI, LLC to exchange the July 2012 Note in the principal amount of \$250,000 for approximately 9,561,416 shares of our common stock, par value \$0.001 per share. On December 31, 2012, the parties agreed to prepare the Exchange Agreement with a fixed conversion price of \$0.03 per share (the market closing price of the Company's common stock on December 31, 2012). The Company expects to issue the 9,561,416 shares during the second fiscal quarter of 2013.

#### *Separation Agreement*

ADVAXIS, INC.  
FORM OF SECURED CONVERTIBLE PROMISSORY NOTE

Issuance Date: December 13, 2012 U.S. \$890,000.00

**FOR VALUE RECEIVED**, ADVAXIS, INC., a Delaware corporation (the “**Company**”), hereby promises to pay to the order of TONAQUINT, INC., a Utah corporation, or its registered assigns (the “**Holder**”), the initial principal sum of \$890,000.00 (the “**Original Principal Amount**”), and any additional advances and other amounts that may accrue or become due under the terms of this Secured Convertible Promissory Note (this “**Note**”) when due, whether upon the Maturity Date, on any Installment Date with respect to the Installment Amount due on such Installment Date (each as defined below), acceleration, redemption or otherwise (in each case in accordance with the terms hereof), and to pay interest (“**Interest**”) on any Outstanding Balance (as defined below) at the applicable interest rate as set forth herein, whether upon any Installment Date, the Maturity Date or acceleration, conversion, redemption or otherwise (in each case in accordance with the terms hereof). Certain capitalized terms used herein are defined in Section 27 hereof. For purposes hereof, the term “**Outstanding Balance**” means the Original Principal Amount (including all Tranches, whether Conversion Eligible Tranches or not), as reduced or increased, as the case may be, pursuant to the terms hereof for redemption, conversion or otherwise, plus any accrued but unpaid Interest, collection and enforcements costs, and any other fees or charges (including without limitation Late Charges (as defined below)) incurred under this Note or under the Agreement (defined below).

*This Note is issued pursuant to that certain Securities Purchase Agreement dated December 13, 2012, as the same may be amended from time to time (the “**Agreement**”), by and between the Company and the Holder.*

1. **PAYMENTS OF PRINCIPAL; PREPAYMENT.** On each Installment Date (which includes the Maturity Date), the Company shall pay to the Holder an amount equal to the Installment Amount due on such Installment Date in accordance with Section 8. Additionally, so long as no Event of Default (as defined below) shall have occurred, the Company may, in its sole and absolute discretion and upon giving the Holder not less than five (5) Trading Days written notice (a “**Prepayment Notice**”), pay in cash all or any portion of the Outstanding Balance at any time prior to the Maturity Date; provided that in the event the Company elects to prepay all or any portion of the Outstanding Balance, it shall pay to the Holder 110% of the portion of the Outstanding Balance the Company elects to prepay, without regard to Conversion Eligible Tranches (the “**Prepayment Premium**”).

2. **INTEREST; INTEREST RATE.** The Company acknowledges that the Original Principal Amount of this Note exceeds the Purchase Price (as defined in the Agreement) and that such excess consists of (a) an original issue discount of \$80,000.00 and (b) the Carried Transaction Expense Amount (as defined in the Agreement) in the amount of \$10,000.00, both of which shall be fully earned and charged to the Company as of the Issuance Date and paid to the Holder as part of the Original Principal Amount as set forth in this Note. Without regard to Conversion Eligible Tranches (as defined below), Interest on the Outstanding Balance shall accrue from the date set forth above as the Issuance Date (the “**Issuance Date**”) at the rate of eight percent (8%) per annum, *provided that* upon the occurrence of an Event of Default, Interest shall accrue on the Outstanding Balance at the rate of twenty-two percent (22%) per annum, as set forth in Section 4.2(d) hereof. All Interest calculations hereunder shall be computed on the basis of a 360-day year comprised of twelve (12) thirty (30) day months, shall compound daily and shall be payable in accordance with the terms of this Note. Notwithstanding any provision to the contrary herein, in no event shall the applicable interest rate at any time exceed the maximum interest rate allowed under applicable law. All payments owing hereunder shall be in lawful money of the United States of America or Conversion Shares, as provided for herein, and delivered to Holder at the address furnished to the Company for that purpose. All payments shall be applied first to (a) costs of collection, if any, then to (b) fees and charges, if any, then to (c) accrued and unpaid Interest, and thereafter to (d) principal.

3. CONVERSION OF NOTE. At the option of the Holder, this Note is convertible into validly issued, fully paid and non-assessable shares of Common Stock, on the terms and conditions set forth in this Section 3.

3.1. Conversion Right.

(a) Subject to the provisions of Section 3.4, at any time or times on or after the Issuance Date, the Holder shall be entitled to convert any portion of the Outstanding Balance into validly issued, fully paid and non-assessable shares of Common Stock (the “**Section 3 Conversion Shares**”) in accordance with Section 3.3, calculated using the Conversion Rate (as defined below); *provided, however*, that, notwithstanding any other provision contained in this Note, the conversion by the Holder of any portion of the Outstanding Balance shall only be exercisable in three (3) tranches (each, a “**Tranche**”), consisting of (i) an initial Tranche in an amount equal to \$490,000.00 and any interest, costs, fees or charges (including without limitation Late Charges) accrued thereon or added thereto under the terms of this Note and the other Transaction Documents (as defined in the Agreement) (“**Tranche #1**”), and (ii) two (2) additional Tranches, in the amount of \$200,000 each, plus any interest, costs, fees or charges (including without limitation Late Charges) accrued thereon or added thereto under the terms of this Note and the other Transaction Documents (each, a “**Subsequent Tranche**”). Tranche #1 shall correspond to the Initial Cash Purchase Price (as defined in the Agreement), the OID (as defined in the Agreement) and the Carried Transaction Expense Amount, and may be converted any time subsequent to the Issuance Date. The first Subsequent Tranche shall correspond to Buyer Mortgage Note #1, and the second Subsequent Tranche shall correspond to Buyer Mortgage Note #2 (as each such Buyer Mortgage Note is defined in the Agreement). The Holder’s right to convert any portion of any of the Subsequent Tranches is conditioned upon the Holder’s payment in full of the Buyer Mortgage Note corresponding to such Subsequent Tranche (upon the satisfaction of such condition, such Subsequent Tranche becomes a “**Conversion Eligible Tranche**”). For the avoidance of doubt, subject to the other terms and conditions hereof, Tranche #1 shall be deemed a Conversion Eligible Tranche as of the Issuance Date for all purposes hereunder and may be converted in whole or in part at any time subsequent to the Issuance Date, and each Subsequent Tranche that becomes a Conversion Eligible Tranche may be converted in whole or in part at any time subsequent to the first date on which such Subsequent Tranche becomes a Conversion Eligible Tranche. For all purposes hereunder, Conversion Eligible Tranches shall be converted (or redeemed, as applicable) in order of the lowest-numbered Conversion Eligible Tranche. At all times hereunder, the aggregate amount of any costs, fees or charges (including without limitation Late Charges) incurred by or assessable against the Company hereunder, including, without limitation, any fees, charges or premiums incurred in connection with an Event of Default, shall be added to the lowest-numbered then-current Conversion Eligible Tranche.

(b) The Company shall not issue any fraction of a share of Common Stock upon any conversion. All shares issuable upon each conversion of this Note shall be aggregated for purposes of determining whether such conversion would result in the issuance of a fractional share. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up to the nearest whole share. The Company shall pay any and all transfer, stamp, issuance and similar taxes that may be payable with respect to the issuance and delivery of Section 3 Conversion Shares.

3.2. Conversion Rate. The number of **Section 3** Conversion Shares issuable upon conversion of any portion of the Outstanding Balance pursuant to **Section 3.1(a)** shall be determined by dividing (x) the applicable Conversion Amount by (y) the Conversion Price (such formula is referred to herein as the “**Conversion Rate**”).

(a) “**Conversion Amount**” means the portion of the Outstanding Balance to be converted.

(b) “**Conversion Price**” means, as of any Conversion Date or other date of determination, \$0.16, subject to adjustment as provided herein.

3.3. Mechanics of Conversion.

(a) Conversion by the Holder. To convert any Conversion Amount into shares of Common Stock on any date, the Holder shall deliver (whether via email, facsimile or otherwise), for receipt on or prior to 11:59 p.m., New York time, on such date (a “**Conversion Date**”), a copy of an executed notice of conversion substantially in the form attached hereto as Exhibit A (the “**Conversion Notice**”) to the Company. If required by **Section 3.3(c)**, within five (5) Trading Days following a conversion of this Note as aforesaid, the Holder shall surrender this Note to a reputable overnight courier for delivery to the Company (or an indemnification undertaking with respect to this Note in the case of its loss, theft or destruction as contemplated by **Section 14.2**). On or before the first (1<sup>st</sup>) Trading Day following the date of receipt of a Conversion Notice, the Company shall transmit by facsimile or email an acknowledgment of confirmation, in the form attached hereto as Exhibit B, of receipt of such Conversion Notice to the Holder and the Company’s transfer agent (the “**Transfer Agent**”). On or before the close of business on the third (3<sup>rd</sup>) Trading Day following the date of receipt of a Conversion Notice (the “**Delivery Date**”), the Company shall, provided that all DWAC Eligible Conditions are then satisfied, credit the aggregate number of Section 3 Conversion Shares to which the Holder shall be entitled to the account specified on the Conversion Notice via the DWAC system. If all DWAC Eligible Conditions are not then satisfied, the Company shall instead issue and deliver (via reputable overnight courier) to the address as specified in the Conversion Notice, a certificate, registered in the name of the Holder or its designee, for the number of Section 3 Conversion Shares to which the Holder shall be entitled; *provided, however*, that, in addition to any other rights or remedies that Holder may have under this Note, such number of shares issued by certificate rather than via the DWAC system shall be increased by 5% for each conversion that occurs more than six (6) months after the Issuance Date. For the avoidance of doubt, the Company has not met its obligation to deliver Section 3 Conversion Shares by the Delivery Date unless the Holder or its broker, as applicable, has actually received the shares electronically into the applicable account, or if the DWAC Eligible Conditions are not then satisfied, has actually received the certificate representing the applicable Section 3 Conversion Shares no later than the close of business on the relevant Delivery Date pursuant to the terms set forth above. If this Note is physically surrendered for conversion pursuant to **Section 3.3(c)** and the Outstanding Balance of this Note is greater than the principal portion of the Conversion Amount being converted, then the Company shall as soon as practicable and in no event later than three (3) Trading Days after receipt of this Note and at its own expense, issue and deliver to the Holder (or its designee) a new Note (in accordance with **Section 14.4**) representing the Outstanding Balance not converted. The Person or Persons entitled to receive the shares of Common Stock issuable upon a conversion of this Note shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date. In the event of a partial conversion of this Note pursuant hereto, the principal amount converted shall be deducted from the Conversion Eligible Tranche(s) set forth in the applicable Conversion Notice.

(b) Company's Failure to Timely Deliver. Failure for any reason whatsoever to issue any portion of the Section 3 Conversion Shares to Holder by the applicable Delivery Date in the manner required under this Note shall be a "**Conversion Failure**". Upon the occurrence of a Conversion Failure, in addition to all other remedies available to the Holder, (1) the Company shall pay in cash to the Holder on each day after such third (3<sup>rd</sup>) Trading Day that the issuance of such shares of Common Stock is not timely effected an amount equal to the greater of (A) \$2,000.00 per day and (B) 2% of the product of (i) the sum of the number of Section 3 Conversion Shares not issued to the Holder on a timely basis and to which the Holder is entitled multiplied by (ii) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the last possible date which the Company could have issued such shares of Common Stock to the Holder without violating Section 3.3(a); and (2) the Holder, upon written notice to the Company, may void its Conversion Notice with respect to, and retain or have returned (as the case may be) any portion of this Note that has not been converted pursuant to such Conversion Notice, provided that the voiding of a Conversion Notice shall not affect the Company's obligations to make any payments which have accrued or are owed to the Holder prior to the date of such notice pursuant to this Section 3.3(b) or otherwise. Notwithstanding the foregoing, a Conversion Failure shall not exist to the extent Section 3 Conversion Shares are not issued by the Company in order to comply with the limitations set forth in Section 3.4 hereof. Upon the occurrence of a Conversion Failure (unless Holder elects to void the Conversion Notice), in addition to such failure being considered an Event of Default hereunder, for purposes of Section 7.1 the Company shall also be deemed to have issued the Section 3 Conversion Shares to Holder on the latest possible permitted date and pursuant to the terms set forth in this Section 3, with Holder entitled to all the rights and privileges associated with such deemed issued shares (the "**Deemed Conversion Issuance**").

(c) Registration; Book-Entry. The Company shall maintain a register (the "**Register**") for the recordation of the name and address of the holders of all or any portion of this Note and the principal amount of this Note held by such holder (the "**Registered Note**"). The entries in the Register shall be conclusive and binding for all purposes absent manifest error. The Company and the holder shall treat each Person whose name is recorded in the Register as the owner of this Note for all purposes (including, without limitation, the right to receive payments of principal and Interest hereunder) notwithstanding notice to the contrary. The Registered Note may be assigned, transferred or sold in whole or in part only by registration of such assignment or sale on the Register. The Registered Note shall not be assigned, transferred or sold without the prior written consent of the Company, which shall not be unreasonably withheld; provided, however, that Holder may assign, transfer or sell the Registered Note without the need to obtain the consent of the Company if all of the Buyer Mortgage Notes (as defined in the Agreement) have been paid in full or all payment obligations of the Holder thereunder have otherwise been completely offset and satisfied pursuant to the Holder Offset Right (as defined below) or the Company Offset Right (as defined below). Upon its receipt of a request to assign, transfer or sell all or part of the Registered Note by the holder thereof, the Company shall record the information contained therein in the Register and issue one or more new Registered Notes in the same aggregate principal amount as the principal amount of the surrendered registered Note to the designated assignee or transferee pursuant to Section 14. Notwithstanding anything to the contrary in this Section 3.3(c), the Holder may assign this Note or any portion thereof to its Affiliate without delivering a request to assign or sell this Note to the Company and the recordation of such assignment or sale in the Register (a "**Related Party Assignment**"); provided, that (A) the Company may continue to deal solely with such assigning or selling Holder unless and until such Holder has delivered a request to assign or sell this Note or portion thereof to the Company for recordation in the Register; (B) the failure of such assigning or selling Holder to deliver a request to assign or sell such Note or portion thereof to the Company shall not affect the legality, validity, or binding effect of such assignment or sale; and (C) such assigning or selling Holder shall, acting solely for this purpose as a non-fiduciary agent of the Company, maintain a register (the "**Related Party Register**") comparable to the Register on behalf of the Company, and any such assignment or sale shall be effective upon recordation of such assignment or sale in the Related Party Register. Notwithstanding anything to the contrary set forth in this Section 3, upon conversion of any portion of this Note in accordance with the terms hereof, the Holder shall not be required to physically surrender this Note to the Company unless (A) the entire Outstanding Balance of this Note is being converted (in which event this Note shall be delivered to the Company as contemplated by Section 3.3(a)) or (B) the Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of this Note upon physical surrender of this Note. The Holder and the Company shall maintain records showing the Outstanding Balance and Late Charges converted and/or paid (as the case may be) and the dates of such conversions and/or payments (as the case may be) or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of this Note upon conversion.

3.4. Limitations on Conversions.

(a) Notwithstanding anything to the contrary contained in this Note (except as set forth below in this subsection), this Note shall not be convertible by the Holder hereof, and the Company shall not effect any conversion of this Note or otherwise issue any shares of Common Stock pursuant to Section 3 or Section 8 hereof, to the extent (but only to the extent) that the Holder together with any of its Affiliates would beneficially own in excess of 4.99% (the “**Maximum Percentage**”) of the Common Stock outstanding. Notwithstanding the forgoing, (i) if any of the DWAC Eligible Conditions are not then satisfied, the term “4.99%” shall be replaced in the preceding sentence with “9.99%” at such time as the Market Capitalization of the Common Stock is less than \$3,000,000.00, but (ii) if all of the DWAC Eligible Conditions are then satisfied, the term “4.99%” shall be replaced in the preceding sentence with “9.99%” only at such time as the Market Capitalization of the Common Stock is less than \$1,500,000.00. For the avoidance of any doubt, notwithstanding any other provision contained herein, if the term “4.99%” is replaced with “9.99%” pursuant to the preceding sentence, such change to “9.99%” shall be permanent. For purposes of this Agreement, the term “**Market Capitalization of the Common Stock**” shall mean the product equal to (i) the average VWAP of the Common Stock for the immediately preceding thirty (30) Trading Days, multiplied by (ii) the aggregate number of outstanding shares of Common Stock as reported on the Company’s most recently filed Form 10-Q or Form 10-K.

(b) To the extent the limitation set forth in subsection (a) immediately above applies, the determination of whether this Note shall be convertible (vis-à-vis other convertible, exercisable or exchangeable securities owned by the Holder or any of its Affiliates) and of which such securities shall be convertible, exercisable or exchangeable (as among all such securities owned by the Holder and its Affiliates) shall, subject to such Maximum Percentage limitation, be determined on the basis of the first submission to the Company for conversion, exercise or exchange (as the case may be). No prior inability to convert this Note, or to issue shares of Common Stock, pursuant to this Section 3.4 shall have any effect on the applicability of the provisions of this Section 3.4 with respect to any subsequent determination of convertibility. For purposes of this Section 3.4, beneficial ownership and all determinations and calculations (including, without limitation, with respect to calculations of percentage ownership) shall be determined in accordance with Section 13(e) of the 1934 Act (as defined in the Agreement) and the rules and regulations promulgated thereunder. The provisions of this Section 3.4 shall be implemented in a manner otherwise than in strict conformity with the terms of this Section 3.4 to correct this Section 3.4 (or any portion hereof) which may be defective or inconsistent with the intended Maximum Percentage beneficial ownership limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such Maximum Percentage limitation. The limitations contained in this Section 3.4 shall apply to a successor Holder of this Note. The holders of Common Stock shall be third party beneficiaries of this Section 3.4 and the Company may not waive this Section 3.4 without the consent of holders of a majority of its Common Stock. For any reason at any time, upon the written or oral request of the Holder, the Company shall within one (1) Trading Day confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding, including by virtue of any prior conversion or exercise of convertible or exercisable securities into Common Stock, including, without limitation, pursuant to this Note.

4. RIGHTS UPON EVENT OF DEFAULT.

4.1. Event of Default. Each of the following events shall constitute an “**Event of Default**”:

(a) Failure to Pay. The Company shall fail to make any payment when due and payable under the terms of this Note including, without limitation, any payment of costs, fees, interest, principal (including, without limitation, the Company’s failure to deliver any Installment Amount when due or to pay any redemption payments or amounts hereunder), or other amount due hereunder or under any other Transaction Document.

(b) Failure to Deliver or Process Shares. The Company (or its Transfer Agent, as applicable) (i) fails to issue Section 3 Conversion Shares by the Delivery Date; (ii) fails to issue any Pre-Installment Conversion Shares, Post-Installment Conversion Shares, Pre-Installment Certificated Shares, or Post-Installment Certificated Shares, as applicable, within the time periods required by Section 8; (iii) announces (or threatens in writing) that it will not honor its obligation to issue shares to Holder in accordance with Section 3 and/or Section 8 of this Note; (iv) fails to transfer or cause its Transfer Agent to transfer or issue (electronically or in certificated form, as applicable) any Section 3 Conversion Shares, Pre-Installment Conversion Shares, Post-Installment Conversion Shares, Pre-Installment Certificated Shares, or Post-Installment Certificated Shares, as applicable, issued to the Holder upon conversion of or otherwise pursuant to this Note as and when required by this Note; (v) directs its Transfer Agent not to transfer, or delays, impairs, and/or hinders its Transfer Agent in transferring or issuing (electronically or in certificated form, as applicable) any Section 3 Conversion Shares, Pre-Installment Conversion Shares, Post-Installment Conversion Shares, Pre-Installment Certificated Shares, or Post-Installment Certificated Shares, as applicable, to be issued to the Holder upon conversion of or otherwise pursuant to this Note as and when required by this Note; or (vi) as applicable, fails to remove (or directs its Transfer Agent not to remove or impairs, delays, and/or hinders its Transfer Agent from removing) any restrictive legend (or to withdraw any stop transfer instructions in respect thereof) on any certificate for any Section 3 Conversion Shares, Pre-Installment Certificated Shares or Post-Installment Certificated Shares as and when required by this Note (or makes any written announcement, statement or threat that it does not intend to honor any such obligations).

(c) Judgment. A final judgment or judgments for the payment of money aggregating in excess of \$1,000,000 are rendered against the Company and/or any of its Subsidiaries and which judgments are not, within thirty (30) calendar days after the entry thereof, bonded, discharged or stayed pending appeal, or are not discharged within thirty (30) calendar days after the expiration of such stay; *provided, however*, any judgment which is covered by insurance or an indemnity from a credit worthy party shall not be included in calculating the \$1,000,000 amount set forth above so long as the Company provides the Holder a written statement from such insurer or indemnity provider (which written statement shall be reasonably satisfactory to the Holder) to the effect that such judgment is covered by insurance or an indemnity and the Company or such Subsidiary (as the case may be) will receive the proceeds of such insurance or indemnity within thirty (30) calendar days of the issuance of such judgment.

(d) Breach of Obligations; Covenants. The Company or its Subsidiaries, if any, shall fail to observe or perform any other covenant, obligation, condition or agreement contained in this Note or any of the other Transaction Documents, including without limitation (i) all reporting covenants and covenants to timely file all required quarterly and annual reports and any other filings required pursuant to Rule 144, and (ii) strict compliance with all provisions of Sections 3, 8, and 10 of this Note.

(e) Breach of Representations and Warranties. Any representation, warranty, certificate, or other statement (financial or otherwise) made or furnished by or on behalf of the Company to the Holder in writing included in this Note or in connection with any of the Transaction Documents, or as an inducement to the Holder to enter into this Note or any of the other Transaction Documents, shall be false, incorrect, incomplete or misleading in any material respect when made or furnished or becomes false thereafter.

(f) Receiver or Trustee. The Company shall make an assignment for the benefit of creditors, or apply for, or consent to, or otherwise be subject to, the appointment of a receiver, trustee, liquidator, assignee, custodian, sequestrator, or other similar official for a substantial part of its property or business.

(g) Failure to Pay Debts. If any of the Company's assets are assigned to its creditors, or upon the occurrence of any default under, redemption of or acceleration prior to maturity of any Indebtedness of the Company or any of its Subsidiaries in an amount equal to \$100,000 or more.

(h) Bankruptcy. Bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings, voluntary or involuntary, for relief under any bankruptcy law or any law for the relief of debtors shall be instituted by or against the Company.

(i) Delisting of Common Stock. The suspension from trading or the failure of the Common Stock to be trading on an Eligible Market for a period of five (5) consecutive Trading Days or for more than an aggregate of ten (10) Trading Days in any 365-day period.

(j) Liquidation. Any dissolution, liquidation, or winding up of the Company or any substantial portion of its business.

(k) Cessation of Operations. Any cessation of operations by the Company or the Company admits it is otherwise generally unable to pay its debts as such debts become due; *provided, however*, that any disclosure of the Company's ability to continue as a "going concern" shall not be an admission that the Company cannot pay its debts as they become due.

(l) Maintenance of Assets. The failure by the Company to maintain any material intellectual property rights, personal, real property or other assets which are necessary to conduct its business (whether now or in the future).

(m) Financial Statement Restatement. Except as provided below, the restatement of any financial statements filed by the Company with the SEC for any date or period from two years prior to the date of this Note and until this Note is no longer outstanding, if the result of such restatement would, by comparison to the unrestated financial statement, have constituted a material adverse effect on the rights of the Company with respect to this Note or the Agreement. Notwithstanding the foregoing, the amended Quarterly Reports previously filed by the Company on Forms 10-Q/A for the quarterly periods ending January 31, 2012, April 30, 2012, and July 31, 2012 are not subject to this Section.

(n) Reverse Split. The Company effectuates a reverse split of its Common Stock without twenty (20) Trading Days prior written notice to the Holder.

(o) Replacement of Transfer Agent. In the event that the Company proposes to replace its Transfer Agent, the Company fails to provide, prior to the effective date of such replacement, a fully executed Transfer Agent Letter (as defined by the Agreement) in a form as required to be initially delivered pursuant to the Agreement (including but not limited to the provision to irrevocably reserve shares of Common Stock in the Share Reserve) signed by the successor transfer agent and delivered to the Company and the Holder.

(p) Governmental Action. If any governmental or regulatory authority takes or institutes any action against the Company, a Subsidiary, or an executive officer or director of the Company, that will materially affect the Company's financial condition, operations or ability to pay or perform the Company's obligations under this Note.

(q) Share Reserve. The Company's failure to maintain the Share Reserve (as defined in the Agreement).

(r) Certification of Equity Conditions. A false or inaccurate certification (including, without limitation, a false or inaccurate deemed certification) by the Company that the Equity Conditions are satisfied, that there has been no Equity Conditions Failure or as to whether any Event of Default has occurred.

(s) DWAC Eligibility. The failure of any of the DWAC Eligible Conditions to be satisfied at any time during which the Company has obligations under this Note.

(t) Cross Default. Notwithstanding anything to the contrary contained in this Note or the other Transaction Documents, a breach or default by the Company of any covenant or other term or condition contained in (i) any of the other Transaction Documents, or (ii) any Other Agreements (defined below); shall, at the option of the Holder, be considered a default under this Note, in which event the Holder shall be entitled (but in no event required) to apply all rights and remedies of the Holder under the terms of this Note. The Company hereby agrees to notify the Holder in writing within three (3) Trading Days after any such default; *provided, however*, any filing of an 8-K that identifies any such default shall not be deemed notice under this Section 4.1(t). "**Other Agreements**" means, collectively, (1) all existing and future agreements and instruments between, among or by the Company (or a Subsidiary), on the one hand, and the Holder (or an Affiliate of Holder), on the other hand, and (2) any financing agreement or a material agreement ("**Third Party Agreement**") that affects the Company's ongoing business operations. For the avoidance of doubt, all existing and future loan transactions between the Company and the Holder and its Affiliates will be cross-defaulted with each other loan transaction and with all other existing and future debt of the Company to the Holder. Notwithstanding anything in this section to the contrary, in the event of a default under a Third Party Agreement, the Company will have a period of thirty (30) calendar days to cure such default before such default is deemed a default under this Note.

(u) Reduced Market Capitalization of the Common Stock. If at any time the Market Capitalization of the Common Stock is less than seven (7) times the Original Principal Amount.

Each subsection of this Section 4.1 shall be interpreted and applied independently, and no such subsection shall be deemed to limit or qualify any other subsection in any manner whatsoever.

4.2. Notice of an Event of Default; Remedies; Redemption Right.

(a) Upon the occurrence of an Event of Default, the Company shall within four (4) Trading Days deliver written notice thereof via facsimile and reputable overnight courier (with next day delivery specified) (an “**Event of Default Notice**”) to the Holder.

(b) At any time and from time to time after the earlier of the Holder’s receipt of an Event of Default Notice and the Holder becoming aware of an Event of Default, the Holder may require the Company to redeem (regardless of whether such Event of Default has been cured) all or any portion of this Note by delivering written notice thereof (the “**Event of Default Redemption Notice**”) to the Company, which Event of Default Redemption Notice shall indicate the portion of the Outstanding Balance (without regard to Conversion Eligible Tranches) the Holder is electing to redeem (the “**Default Redemption Amount**”). Redemptions required by this Section 4.2(b) shall be made in accordance with the provisions of Section 10. Notwithstanding anything to the contrary in this Section 4, but subject to Section 3.4, until the Default Redemption Amount (together with Late Charges thereon) is paid in full pursuant to and in accordance with the terms set forth in Section 10, the Outstanding Balance (together with any Late Charges thereon), may be converted, in whole or in part from time to time, by the Holder into Common Stock pursuant to the other terms of this Note. In the event of a partial redemption of this Note pursuant hereto, the applicable Default Redemption Amount shall be deducted from the Tranches set forth in the Event of Default Redemption Notice. Notwithstanding the foregoing, this Section 4.2(b) shall not apply to an Event of Default arising under Section 4.1(h) (Bankruptcy).

(c) Upon the occurrence of an Event of Default occurring under Section 4.1(h) due to the institution by or against the Company of any bankruptcy proceeding for relief under any bankruptcy law or any law for the relief of debtors, (i) the Outstanding Balance shall automatically increase to an amount equal to the Outstanding Balance immediately prior to such Event of Default multiplied by the Redemption Premium, and (ii) all amounts owed under this Note (without regard to Conversion Eligible Tranches) shall accelerate and be immediately due and payable, all without the need for any further notice to or action by any party hereunder.

(d) Upon the occurrence of any Event of Default, this Note (without regard to Conversion Eligible Tranches) shall thereafter accrue interest at the rate of 1.83% per month (or 22% per annum), compounding daily, whether before or after judgment; *provided, however*, that notwithstanding any provision to the contrary herein, in no event shall the applicable interest rate at any time exceed the maximum interest rate allowed under applicable law.

(e) Notwithstanding and in addition to any other provision contained herein, if Section 3 Conversion Shares are delivered to Holder in certificated form rather than electronic form, the Outstanding Balance shall automatically increase by an amount equal to the decline in Value (as defined below), if any, of such shares between the time the certificate representing such shares was required to be delivered to the Holder hereunder, and the date such shares become Free Trading. The Company agrees to use its best efforts to cause such shares to become Free Trading. “**Value**”, as used in this subsection, shall mean the five (5) Trading Day trailing average VWAP for the applicable shares.

5. RIGHTS UPON FUNDAMENTAL TRANSACTION.

5.1. Assumption. The Company shall not enter into or be party to a Fundamental Transaction unless (i) the Successor Entity assumes in writing all of the obligations of the Company under this Note and the other Transaction Documents in accordance with the provisions of this Section 5.1 pursuant to written agreements in form and substance satisfactory to the Holder and approved by the Holder, in its sole discretion, prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Note a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Note, including, without limitation, having a principal amount and interest rate equal to the principal amounts then outstanding and the interest rates of this Note, having similar conversion rights as this Note and having similar ranking to this Note, and being satisfactory to the Holder in its sole discretion, (ii) the Successor Entity is a publicly traded corporation whose common stock is quoted on or listed for trading on an Eligible Market, and (iii) the Company has received the Holder's prior written consent to enter into such Fundamental Transaction. Upon the occurrence of any Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Note and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Note and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein. Upon consummation of a Fundamental Transaction, the Successor Entity shall deliver to the Holder confirmation that there shall be issued upon conversion or redemption of this Note at any time after the consummation of such Fundamental Transaction, in lieu of the shares of the Company's Common Stock (or other securities, cash, assets or other property (except such items still issuable under Section 6, which shall continue to be receivable thereafter) issuable upon the conversion or redemption of this Note prior to such Fundamental Transaction), such shares of the publicly traded common stock (or their equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of such Fundamental Transaction had this Note been converted immediately prior to such Fundamental Transaction (without regard to any limitations on the conversion of this Note), as adjusted in accordance with the provisions of this Note. The provisions of this Section 5 shall apply similarly and equally to successive Fundamental Transactions and shall be applied without regard to any limitations on the conversion of this Note.

5.2. Notice of a Fundamental Transaction; Redemption Right. No sooner than twenty (20) Trading Days nor later than ten (10) Trading Days prior to the consummation of a Fundamental Transaction, but not prior to the public announcement of such Fundamental Transaction, the Company shall deliver written notice thereof via facsimile and reputable overnight courier to the Holder (a "**Fundamental Transaction Notice**"). At any time during the period beginning after the Holder's receipt of a Fundamental Transaction Notice or the Holder becoming aware of a Fundamental Transaction if a Fundamental Transaction Notice is not delivered to the Holder in accordance with the immediately preceding sentence (as applicable) and ending on the later of twenty (20) Trading Days after (i) consummation of such Fundamental Transaction and (ii) the date of receipt of such Fundamental Transaction Notice, the Holder may require the Company to redeem all or any portion of this Note by delivering written notice thereof ("**Fundamental Transaction Redemption Notice**") to the Company, which Fundamental Transaction Redemption Notice shall indicate the portion of the Outstanding Balance (without regard to Conversion Eligible Tranches) the Holder is electing to redeem (the "**Fundamental Transaction Redemption Amount**"). The Fundamental Transaction Redemption Amount shall be redeemed by the Company in cash pursuant to and in accordance with Section 10 and shall have priority to payments to stockholders in connection with such Fundamental Transaction. Notwithstanding anything to the contrary in this Section 5, but subject to Section 3.4, until the Fundamental Transaction Redemption Amount (together with any Late Charges thereon) is paid in full pursuant to and in accordance with the terms set forth in Section 10, the Outstanding Balance (together with any Late Charges thereon), may be converted, in whole or in part from time to time, by the Holder into Common Stock pursuant to Section 3. In the event of a partial redemption of this Note pursuant hereto, the applicable Fundamental Transaction Redemption Amount shall be deducted from the Tranches set forth in the Fundamental Transaction Redemption Notice.

5.3. Paid in Full. Notwithstanding anything to the contrary in this Section 5, in no case shall any Fundamental Transaction be consummated prior to the prepayment in full of the Outstanding Balance of this Note, with such prepayment subject to the Prepayment Premium for the entire Outstanding Balance.

6. DISTRIBUTION OF ASSETS: RIGHTS UPON ISSUANCE OF PURCHASE RIGHTS AND OTHER CORPORATE EVENTS.

6.1. Distribution of Assets. Without the prior written consent of Holder, the Company agrees not to declare or make any dividend or other distributions of its assets (or rights to acquire its assets) to any or all holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction).

6.2. Purchase Rights. In addition to any adjustments pursuant to Section 7 below, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the "**Purchase Rights**"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of all Conversion Eligible Tranches (without taking into account any other limitations or restrictions on the convertibility of this Note) in existence immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Maximum Percentage).

6.3. Other Corporate Events. In addition to and not in substitution for any other rights hereunder, prior to the consummation of any Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a "**Corporate Event**"), the Company shall make appropriate provision to insure that the Holder will thereafter have the right to receive upon a conversion of this Note (i) in addition to the shares of Common Stock receivable upon such conversion, such securities or other assets to which the Holder would have been entitled with respect to such shares of Common Stock had such shares of Common Stock been held by the Holder upon the consummation of such Corporate Event (without taking into account any limitations or restrictions on the convertibility of this Note) or (ii) in lieu of the shares of Common Stock otherwise receivable upon such conversion, such securities or other assets received by the holders of shares of Common Stock in connection with the consummation of such Corporate Event in such amounts as the Holder would have been entitled to receive had this Note initially been issued with conversion rights for the form of such consideration (as opposed to shares of Common Stock) using a conversion rate for such consideration commensurate with the Conversion Rate. Provision made pursuant to the preceding sentence shall be in a form and substance satisfactory to the Holder. The provisions of this Section 6 shall apply similarly and equally to successive Corporate Events and shall be applied without regard to any limitations on the conversion or redemption of this Note.

7. RIGHTS UPON ISSUANCE OF SECURITIES.

7.1. Adjustment of Conversion Price upon Issuance of Common Stock. Except with respect to Excluded Securities, if and whenever on or after a period beginning six months after the Closing Date, the Company issues or sells Common Stock, Options, Convertible Securities, or upon any conversion or Deemed Issuance, or in accordance with subsections (a) through (f) below is deemed to have issued or sold, any shares of Common Stock (including without limitation the issuance or sale of shares of Common Stock owned or held by or for the account of the Company, but excluding any Excluded Securities issued or sold or deemed to have been issued or sold) for a consideration per share (the “**New Issuance Price**”) less than a price equal to the Conversion Price in effect immediately prior to such issue, conversion, or sale or deemed issuance or sale (such Conversion Price then in effect is referred to herein as the “**Applicable Price**”) (the foregoing a “**Dilutive Issuance**”), then, immediately after such Dilutive Issuance, the Conversion Price then in effect shall be reduced to an amount equal to the New Issuance Price. For the avoidance of doubt, if the New Issuance Price is greater than the Applicable Price, there shall be no adjustment to the Conversion Price. For purposes of determining the adjusted Conversion Price under this Section 7.1, the following shall be applicable:

(a) Issuance of Options. If the Company in any manner grants or sells any Options and the lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Option or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the granting or sale of such Option for such price per share. For purposes of this Section 7.1(a), the “lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Options or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option” shall be equal to (1) the lower of (x) the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to any one share of Common Stock upon the granting or sale of such Option, upon exercise of such Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option and (y) the lowest exercise price set forth in such Option for which one share of Common Stock is issuable upon the exercise of any such Options or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option minus (2) the sum of all amounts paid or payable to the holder of such Option (or any other Person) upon the granting or sale of such Option, upon exercise of such Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option plus the value of any other consideration received or receivable by, or benefit conferred on, the holder of such Option (or any other Person). Except as contemplated below, no further adjustment of the Conversion Price shall be made upon the actual issuance of such share of Common Stock or of such Convertible Securities upon the exercise of such Options or upon the actual issuance of such share of Common Stock upon conversion, exercise or exchange of such Convertible Securities.

(b) Issuance of Convertible Securities. If the Company in any manner issues or sells any Convertible Securities and the lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange thereof is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the issuance or sale of such Convertible Securities for such price per share. For the purposes of this Section 7.1(b), the “lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange thereof” shall be equal to (1) the lower of (x) the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to one share of Common Stock upon the issuance or sale of the Convertible Security and upon conversion, exercise or exchange of such Convertible Security and (y) the lowest conversion price set forth in such Convertible Security for which one share of Common Stock is issuable upon conversion, exercise or exchange thereof minus (2) the sum of all amounts paid or payable to the holder of such Convertible Security (or any other Person) upon the issuance or sale of such Convertible Security plus the value of any other consideration received or receivable by, or benefit conferred on, the holder of such Convertible Security (or any other Person). Except as contemplated below, no further adjustment of the Conversion Price shall be made upon the actual issuance of such share of Common Stock upon conversion, exercise or exchange of such Convertible Securities, and if any such issue or sale of such Convertible Securities is made upon exercise of any Options for which adjustment of the Conversion Price has been or is to be made pursuant to other provisions of this Section 7.1, except as contemplated below, no further adjustment of the Conversion Price shall be made by reason of such issue or sale.

(c) Change in Option Price or Rate of Conversion. If the purchase or exercise price provided for in any Options, the additional consideration, if any, payable upon the issue, conversion, exercise or exchange of any Convertible Securities, or the rate at which any Convertible Securities are convertible into or exercisable or exchangeable for shares of Common Stock increases or decreases at any time, the Conversion Price in effect at the time of such increase or decrease shall be adjusted to the Conversion Price which would have been in effect at such time had such Options or Convertible Securities provided for such increased or decreased purchase price, additional consideration or increased or decreased conversion rate (as the case may be) at the time initially granted, issued or sold. For purposes of this Section 7.1(c), if the terms of any Option or Convertible Security that was outstanding as of the Issuance Date are increased or decreased in the manner described in the immediately preceding sentence, then such Option or Convertible Security and the shares of Common Stock deemed issuable upon exercise, conversion or exchange thereof shall be deemed to have been issued as of the date of such increase or decrease. No adjustment pursuant to this Section 7.1 shall be made if such adjustment would result in an increase of the Conversion Price then in effect.

(d) Calculation of Consideration Received. If any Option or Convertible Security is issued or deemed issued in connection with the issuance or sale or deemed issuance or sale of any other securities of the Company, together comprising one integrated transaction, (x) such Option or Convertible Security (as applicable) will be deemed to have been issued for consideration equal to the Black Scholes Consideration Value thereof and (y) the other securities issued or sold or deemed to have been issued or sold in such integrated transaction shall be deemed to have been issued for consideration equal to the difference of (I) the aggregate consideration received by the Company minus (II) the Black Scholes Consideration Value of each such Option or Convertible Security (as applicable). If any shares of Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for cash, the consideration received therefor will be deemed to be the net amount received by the Company therefor. If any shares of Common Stock, Options or Convertible Securities are issued or sold for a consideration other than cash, the amount of such consideration received by the Company will be the fair value of such consideration, except where such consideration consists of publicly traded securities, in which case the amount of consideration received by the Company for such securities will be the average VWAP of such security for the five (5) Trading Day period immediately preceding the date of receipt. If any shares of Common Stock, Options or Convertible Securities are issued to the owners of the non-surviving entity in connection with any merger in which the Company is the surviving entity, the amount of consideration therefor will be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such shares of Common Stock, Options or Convertible Securities (as the case may be). The fair value of any consideration other than cash or publicly traded securities will be determined jointly by the Company and the Holder. If such parties are unable to reach agreement within ten (10) Trading Days after the occurrence of an event requiring valuation (the “**Valuation Event**”), the fair value of such consideration will be determined within five (5) Trading Days after the tenth (10<sup>th</sup>) day following such Valuation Event by an independent, reputable appraiser jointly selected by the Company and the Holder. The determination of such appraiser shall be final and binding upon all parties absent manifest error and the fees and expenses of such appraiser shall be borne by the Company.

(e) Deemed Warrant Issuance. If Company fails to deliver Warrant Shares as required by the Warrant (as both such terms are defined in the Agreement) issued to Holder pursuant to the Transaction Documents, in addition to such failure to act being considered an Event of Default hereunder, for purposes of this Section 7.1 the Company shall also be deemed to have issued the Warrant Shares to Holder on the applicable date set forth in the Warrant and pursuant to the terms set forth therein (the “**Deemed Warrant Issuance**”).

(f) Record Date. If the Company takes a record of the holders of shares of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in Common Stock, Options or in Convertible Securities or (B) to subscribe for or purchase shares of Common Stock, Options or Convertible Securities, then such record date will be deemed to be the date of the issue or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase (as the case may be).

7.2. Adjustment of Conversion Price upon Subdivision or Combination of Common Stock. Without limiting any provision of Section 5 or Section 7.1, if the Company at any time on or after the Issuance Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Conversion Price in effect immediately prior to such subdivision will be proportionately reduced. Without limiting any provision of Section 5 or Section 7.1, if the Company at any time on or after the Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination will be proportionately increased. Any adjustment pursuant to this Section 7.2 shall become effective immediately after the effective date of such subdivision or combination. If any event requiring an adjustment under this Section 7.2 occurs during the period that a Conversion Price is calculated hereunder, then the calculation of such Conversion Price shall be adjusted appropriately to reflect such event.

7.3. Other Events. In the event that the Company (or any Subsidiary) shall take any action to which the provisions hereof are not strictly applicable, or, if applicable, would not operate to protect the Holder from dilution or if any event occurs of the type contemplated by the provisions of this Section 7 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Company’s board of directors shall in good faith determine and implement an appropriate adjustment in the Conversion Price so as to protect the rights of the Holder, provided that no such adjustment pursuant to this Section 7.3 will increase the Conversion Price as otherwise determined pursuant to this Section 7, provided further that if the Holder does not accept such adjustments as appropriately protecting its interests hereunder against such dilution, then the Company’s board of directors and the Holder shall agree, in good faith, upon an independent investment bank of nationally recognized standing to make such appropriate adjustments, whose determination shall be final and binding and whose fees and expenses shall be borne by the Company.

8. **COMPANY INSTALLMENT CONVERSION OR REDEMPTION.** Beginning on the date that is one hundred eighty (180) calendar days after the Issuance Date (the “**Initial Installment Date**”), and on each applicable Installment Date thereafter, the Company shall pay to the Holder of this Note the applicable Installment Amount due on such date by converting such Installment Amount in accordance with this Section 8 (a “**Company Conversion**”); *provided, however*, the Company may, at its option as described below, pay all or any part of such Installment Amount by redeeming such Installment Amount in cash (a “**Company Redemption**”) or by any combination of a Company Conversion and a Company Redemption so long as the entire amount of such Installment Amount due shall be converted and/or redeemed by the Company on the applicable Installment Date, subject to the provisions of this Section 8; *provided further* that the Company shall not be entitled to effect a Company Conversion with respect to any portion of such Installment Amount and shall be required to pay the entire amount of such Installment Amount in cash pursuant to a Company Redemption if on the applicable Pre-Installment Notice Due Date (defined below) or on the applicable Installment Date (as the case may be) there is an Equity Conditions Failure, and such failure is not waived by Holder as permitted herein.

8.1. **General.** On or prior to the date which is the twenty-third (23<sup>rd</sup>) Trading Day prior to each Installment Date (each, a “**Pre-Installment Notice Due Date**”), the Company shall deliver written notice to the Holder substantially in the form attached hereto as Exhibit C-1 (each, a “**Pre-Installment Notice**”), and such Pre-Installment Notice shall (i) either (A) confirm that the applicable Installment Amount of this Note shall be converted in whole pursuant to a Company Conversion, or (B) (1) state that the Company elects to redeem, or is required to redeem in accordance with the provisions of this Note, in whole or in part, the applicable Installment Amount pursuant to a Company Redemption and (2) specify the portion of the applicable Installment Amount which the Company elects, or is required to redeem, pursuant to a Company Redemption (such amount to be redeemed in cash, the “**Company Redemption Amount**”) and the portion of the applicable Installment Amount, if any, with respect to which the Company will, and is permitted to, effect a Company Conversion (such amount of the applicable Installment Amount so specified to be so converted pursuant to this Section 8 is referred to herein as the “**Company Conversion Amount**”), which amounts when added together, must equal the entire applicable Installment Amount and (ii) if the applicable Installment Amount is to be paid, in whole or in part, pursuant to a Company Conversion, certify that there is not an Equity Conditions Failure as of the Pre-Installment Notice Due Date. Each Pre-Installment Notice shall be irrevocable and may not be revoked by the Company. If the Company does not timely deliver a Pre-Installment Notice on an applicable Pre-Installment Notice Due Date that complies with this Section 8, then the Company shall be deemed to have delivered on such Pre-Installment Notice Due Date an irrevocable Pre-Installment Notice confirming a Company Conversion of the entire Installment Amount payable as required hereunder and shall be deemed to have certified that there is not an Equity Conditions Failure as of the applicable Pre-Installment Notice Due Date. The applicable Company Conversion Amount (whether set forth in the applicable Pre-Installment Notice or by operation of this Section 8) shall be converted in accordance with Section 8.2 or Section 8.4, as applicable and the applicable Company Redemption Amount shall be redeemed in accordance with Section 8.3.

8.2. **Mechanics of Company Conversion.** Subject to Section 3.4, if the Company delivers a Pre-Installment Notice and elects, or is deemed to have delivered a Pre-Installment Notice and deemed to have elected, in whole or in part, a Company Conversion in accordance with Section 8.1, then this Section 8.2 shall apply. Notwithstanding the foregoing, if an Equity Conditions Failure has occurred as of the applicable Pre-Installment Notice Due Date, then the Company shall identify each such Equity Conditions Failure in the Pre-Installment Notice and request a waiver thereof from Holder pursuant to Section 8.6 hereof. (i) If such waiver is obtained, and all DWAC Eligible Conditions are then satisfied and a Company Conversion is not otherwise prohibited under any other provision of this Note, then the remainder of this Section 8.2 shall apply to the Company Conversion; (ii) if such waiver is obtained, but all DWAC Eligible Conditions are not then satisfied, then the remainder of this Section 8.2 shall not apply and the Company must deliver certificated Common Stock to Holder pursuant to Section 8.4 hereof; or (iii) if such waiver is not obtained, then the remainder of this Section 8.2 shall not apply and the Company must elect a Company Redemption and deliver cash to the Holder in an amount equal to the Installment Amount (or such lesser amount authorized by the Holder in writing) pursuant to Section 8.3 hereof. To the extent applicable as set forth above:

(a) No later than three (3) Trading Days after each applicable Pre- Installment Notice Due Date, the Company shall deliver to the Holder's account the Pre-Installment Conversion Shares, and as to which the Holder shall be the owner thereof as of the applicable Pre-Installment Notice Due Date.

(b) No later than three (3) Trading Days after each Installment Date, the Company shall deliver to the Holder's account a number of shares of Common Stock equal to the amount, if any, by which the Post-Installment Conversion Shares exceed the Pre-Installment Conversion Shares previously delivered to Holder, registered in the name of the Holder or its designee. So long as no Event of Default has occurred regarding payment, conversion or redemption under this Note (each a "**Payment Default**"), if the Pre-Installment Conversion Shares on the applicable Installment Date exceed the Post- Installment Conversion Shares, then the excess will be applied towards the next Conversion Shares to be issued by the Company (unless the Outstanding Balance has been reduced to zero, in which case Holder will return such excess shares to the Company). If a Payment Default has occurred and the Pre- Installment Conversion Shares for the applicable Installment Date exceed the Post-Installment Conversion Shares, then Holder shall not be required to return to the Company any of the excess shares or apply such excess shares to any future issuance or conversion of shares hereunder. The Company agrees to deliver to the Holder such information and calculations required under this Section 8.2(b) substantially in the form attached hereto as Exhibit C-2 (each, an "**Installment Date Notice**").

(c) If an Event of Default occurs during any applicable Company Conversion Measuring Period (defined below), then Holder may elect to either (i) return any Pre- Installment Conversion Shares delivered in connection with the applicable Installment Date, or (ii) retain such Pre-Installment Conversion Shares and reduce the Outstanding Balance in connection therewith by an amount equal to the Market Price of such retained Pre-Installment Conversion Shares as of the Installment Date, but in no event shall such reduction be greater than the Company Conversion Amount used to calculate such Pre-Installment Conversion Shares. "**Company Conversion Measuring Period**" means the period beginning on the applicable Pre-Installment Notice Due Date and ending on the applicable Installment Date.

(d) If no Equity Conditions Failure existed as of the Pre-Installment Notice Due Date, but an Equity Conditions Failure exists as of the applicable Installment Date, and such is not waived as permitted herein, or a Company Conversion is not otherwise permitted as of the Installment Date under any other provision of this Note, then, at the option of the Holder designated in writing to the Company, the Holder may require the Company to do any one or more of the following:

(i) the Company must redeem all or any part designated by the Holder of the Company Conversion Amount for which shares have not yet been delivered to Holder (such designated amount is referred to as the "**Designated Redemption Amount**") and the Company shall pay to the Holder within three (3) Trading Days of such Installment Date, by wire transfer of immediately available funds, an amount in cash equal to the Redemption Premium multiplied by the Designated Redemption Amount (the "**Designated Redemption Price**") (if the Company fails to pay the Designated Redemption Price by the third (3<sup>rd</sup>) Trading Day following such written notice to the Company, then such failure to pay shall be an Event of Default under Section 4.1(a) hereof), or

(ii) the Company Conversion shall be null and void with respect to the Company Conversion Amount for which shares have not yet been delivered to Holder, and Holder shall be entitled to all the rights of a holder of this Note with respect to such remaining Company Conversion Amount; *provided, however*, the Conversion Price for such remaining Company Conversion Amount shall thereafter be adjusted to equal the lesser of (Y) the Default Conversion Price as in effect on the date on which the Holder voided the Company Conversion and (Z) the Default Conversion Price that would be in effect on the date on which the Holder delivers a subsequent Conversion Notice relating thereto as if such date was an Installment Date.

(e) Notwithstanding anything to the contrary in this Section 8.2, but subject to Section 3.4, until the Company delivers Common Stock representing the Company Conversion Amount to the Holder pursuant to the terms of this Section 8.2, the Company Conversion Amount may be converted by the Holder into Common Stock pursuant to Section 3. In the event that the Holder elects to convert the Company Conversion Amount prior to the applicable Installment Date as set forth in the immediately preceding sentence, the Company Conversion Amount so converted shall be deducted from the Conversion Eligible Tranche(s) as set forth in the applicable Conversion Notice.

(f) All Common Stock to be delivered to the Holder under this Section 8.2 shall be transferred via the DWAC system. Failure to do so shall constitute an Event of Default under Section 4.1(b) hereof

8.3. Mechanics of Company Redemption. If the Company elects, or is required to elect, a Company Redemption, in whole or in part, in accordance with Section 8.1 or Section 8.2, then the Company Redemption Amount, if any, which is to be paid to the Holder on the applicable Installment Date shall be redeemed by the Company on such Installment Date in an amount of cash, and the Company shall pay to the Holder on such Installment Date, by wire transfer of immediately available funds an amount, equal to the applicable Company Redemption Amount. If the Company fails to pay the applicable Company Redemption Amount on the applicable Installment Date, then, at the option of the Holder designated in writing to the Company (any such designation shall be a "Conversion Notice" for purposes of this Note), the Holder may require the Company to convert all or any part of the Company Redemption Amount at the Default Conversion Price (determined as of the date of such designation as if such date were an Installment Date). Conversions required by this Section 8.3 shall be made in accordance with the provisions of Section 3.3. Notwithstanding anything to the contrary in this Section 8.3, but subject to Section 3.4 and the Holder's right to require the Company to convert all or any part of the Company Redemption Amount at the Default Conversion Price as set forth above, until the Company Redemption Amount (together with any Late Charges thereon) is paid in full, the Company Redemption Amount (together with any Late Charges thereon) may be converted, in whole or in part, by the Holder into Common Stock pursuant to Section 3. In the event the Holder elects to convert all or any portion of the Company Redemption Amount prior to the applicable Installment Date as set forth in the immediately preceding sentence, the Company Redemption Amount so converted shall be deducted from the Conversion Eligible Tranche(s) set forth in the applicable Conversion Notice.

8.4. DWAC Eligibility. If, when the Company delivers a Pre-Installment Notice and elects, or is deemed to have delivered a Pre-Installment Notice and deemed to have elected, in whole or in part, a Company Conversion in accordance with Section 8.1, and the DWAC Eligible Conditions are not then satisfied but Holder waives the corresponding Equity Conditions Failure pursuant to Section 8.6, then, in accordance with Section 8.2, although such status will constitute an Event of Default hereunder, shares required to be issued to the Holder under this Section 8 shall be issued (without limiting any of Holder's rights with respect to the Event of Default) as follows:

(a) No later than three (3) Trading Days after delivery or deemed delivery (as applicable) of the applicable Pre-Installment Notice setting forth a Company Conversion Amount, the Company shall deliver to the Holder or its broker, via reputable overnight courier, the Pre-Installment Certificated Shares by original share certificate, registered in the name of the Holder or its designee; *provided, however*, that so long as shares are not provided electronically to the Holder under Section 8, the Pre-Installment Certificated Shares shall equal two (2) times the number of Pre-Installment Conversion Shares that would otherwise be transferred electronically to the Holder.

(b) The Company agrees to use its best efforts to cause such shares to become Free Trading (the first date such occurs, the “**Free Trading Date**”). The Holder will notify the Company of the Free Trading Date via email within two (2) Trading Days after the occurrence of the Free Trading Date.

(c) Provided that there is no Equity Conditions Failure as of the date that is twenty-three (23) Trading Days after the applicable Free Trading Date (the “**Certificated Shares Installment Date**”) (or such failure is waived as permitted herein) and a Company Conversion is not otherwise prohibited under any other provision of this Note, no later than three (3) Trading Days after the applicable Certificated Shares Installment Date, the Company shall deliver to the Holder or its broker via reputable overnight courier the Post-Installment Certificated Shares, less the Pre-Installment Certificated Shares previously delivered to the Holder, by original share certificate, registered in the name of the Holder or its designee. So long as no Payment Default has occurred, if the Pre-Installment Certificated Shares for the applicable Certificated Shares Installment Date exceed the Post-Installment Certificated Shares, then the excess will be applied towards the next Conversion Shares to be issued by the Company (unless the Outstanding Balance has been reduced to zero, in which case Holder will return such excess shares to the Company). If a Payment Default has occurred and the Pre-Installment Certificated Shares for the applicable Certificated Shares Installment Date exceed the Post-Installment Certificated Shares, then Holder shall not be required to return to the Company any of the excess shares or apply such excess shares to any future issuance or conversion of shares hereunder.

8.5. Deemed Issuance. If Company fails to deliver shares as required by any portion of this Section 8, in addition to such failure to act being considered an Event of Default hereunder, for purposes of Section 7.1, the Company shall also be deemed to have issued the Pre-Installment Conversion Shares, Post-Installment Conversion Shares, Pre-Installment Certificated Shares, or Post-Installment Certificated Shares, as applicable, to Holder on the latest possible permitted date pursuant to the terms set forth in this Section 8, with Holder entitled to all the rights and privileges associated with such deemed issued shares (the “**Deemed Installment Issuance**”).

8.6. Waiver of Equity Conditions Failure. Notwithstanding anything in this Note to the Contrary, the Holder may waive in writing any Equity Conditions Failure, except for the Non-Waivable Equity Conditions (defined below). For purposes of this Section 8, “**Non-Waivable Equity Conditions**” refers to (A) the Equity Condition set forth in Section 27.19(iv) (indicating that Holder may not own more than the Maximum Percentage set forth in Section 3.4 of this Note), and (B) the Equity Condition set forth in Section 27.19(v) (Common Stock may be issued without violating the rules of the Eligible Market). Any such waiver shall only be made for the purposes of permitting a Company Conversion to occur under this Section 8 and shall not be deemed a waiver of the underlying default or a continuing waiver of a future Equity Conditions Failure. Any such waiver shall not excuse the Company from the performance of any of its current or future obligations under this Note.

8.7. Preparation of Installment Notices. Because of the complexity of the calculations contemplated under this Note, the Holder may, at its discretion, prepare the Pre-Installment Notice and/or the Installment Date Notice for the benefit of the Company, including the calculation of Pre-Installment Conversion Shares, Post-Installment Conversion Shares, Pre-Installment Certificated Shares, Post-Installment Certificated Shares; *provided, however*, that no error or mistake in the preparation of such notices or information may be deemed a waiver of the Holder’s right to enforce the terms of this Note, even if such error or mistake arises from the Holder’s own calculation. Nothing in this Section shall be deemed an obligation of the Holder to prepare any such notices or information, or a waiver of any of its rights and remedies under this Note.

8.8. Transfer Fees. The Company shall pay any and all transfer, stamp, issuance and similar taxes that may be payable with respect to the issuance and delivery of Pre-Installment Conversion Shares, Post-Installment Conversion Shares, Pre-Installment Certificated Shares, and Post-Installment Certificated Shares.

9. NONCIRCUMVENTION. The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation (as defined in the Agreement), bylaws, or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Note, and will at all times in good faith carry out all of the provisions of this Note and take all action as may be required to protect the rights of the Holder of this Note. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon conversion of this Note above the Conversion Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and non-assessable shares of Common Stock upon the conversion of this Note, and (iii) shall, so long as this Note is outstanding, take all action necessary to maintain the Share Reserve (as defined in the Agreement).

10. HOLDER'S REDEMPTIONS. If the Holder has submitted to Company an Event of Default Redemption Notice in accordance with Section 4.2(b), then the Company shall pay to Holder in cash within ten (10) Trading Days after the Company's receipt of such Event of Default Redemption Notice an amount equal to the Default Redemption Amount multiplied by the Redemption Premium (the "**Event of Default Redemption Price**"); *provided, however*, that the Redemption Premium may only be applied in computing the Event of Default Redemption Price with respect to the first two Events of Default under this Note, and not to any subsequent Events of Default. If the Holder has submitted to Company a Fundamental Transaction Redemption Notice in accordance with Section 5.2, then the Company shall pay to Holder in cash prior to the consummation of such Fundamental Transaction if such notice is received prior to the consummation of such Fundamental Transaction and within ten (10) Trading Days after the Company's receipt of such notice otherwise, an amount equal to the Fundamental Transaction Redemption Amount multiplied by the Redemption Premium (the "**Fundamental Transaction Redemption Price**"). Notwithstanding anything in this Note to the contrary, the failure of the Company to pay the Redemption Price under this Section 10 shall not be considered a separate Event of Default hereunder. In the event that the Company does not pay the applicable Redemption Price to the Holder within the time period required, at any time thereafter and until the Company pays such unpaid Redemption Price in full, the Holder shall have the option, in lieu of redemption, to cancel the Event of Default Redemption Notice or the Fundamental Transaction Redemption Notice, as applicable, by written notice to the Company (the "**Redemption Cancellation Notice**"). Upon the Company's receipt of a Redemption Cancellation Notice, (x) the Outstanding Balance of this Note as of the date of the Redemption Notice shall be increased by an amount equal to (1) the applicable Event of Default Redemption Price, or Fundamental Transaction Redemption Price (as the case may be), minus (2) the principal portion of the Outstanding Balance submitted for redemption, and the entire amount of such increase shall be added to the lowest-numbered then-current Conversion Eligible Tranche; (y) this Note shall thereafter be due and payable upon demand, with payment of the Outstanding Balance being due ten (10) Trading Days after written demand therefor from the Holder; and (z) the Conversion Price of this Note shall be automatically adjusted with respect to each conversion under this Note effected thereafter by the Holder to the lowest of (A) 80% of the lowest Closing Bid Price of the Common Stock during the period beginning on and including the date on which the applicable Redemption Notice is delivered to the Company and ending on and including the date of the Redemption Cancellation Notice, (B) the Market Price as of the date of the Redemption Cancellation Notice, (C) the then current Market Price, and (D) the then current Conversion Price. The Holder's delivery of a Redemption Cancellation Notice and exercise of its rights following such notice shall not affect the Company's obligations to make any payments of Late Charges which have accrued prior to the date of such Redemption Cancellation Notice and shall not be deemed a waiver of any Event of Default identified in the applicable Event of Default Redemption Notice.

11. VOTING RIGHTS. The Holder shall have no voting rights as the holder of this Note, except as required by law and as expressly provided in this Note.

12. AMENDING THE TERMS OF THIS NOTE. The prior written consent of the Holder shall be required for any change or amendment to this Note.

13. TRANSFER. This Note and any shares of Common Stock issued upon conversion of this Note may be offered, sold, assigned or transferred by the Holder without the consent of the Company.

14. REISSUANCE OF THIS NOTE.

14.1. Transfer. If this Note is to be transferred, the Holder shall surrender this Note to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Note (in accordance with Section 14.4), registered as the Holder may request, representing the Outstanding Balance being transferred by the Holder and, if less than the entire Outstanding Balance is being transferred, a new Note (in accordance with Section 14.4) to the Holder representing the Outstanding Balance not being transferred.

14.2. Lost, Stolen or Mutilated Note. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Note (as to which a written certification and the indemnification contemplated below shall suffice as such evidence), and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary and reasonable form and, in the case of mutilation, upon surrender and cancellation of this Note, the Company shall execute and deliver to the Holder a new Note (in accordance with Section 14.4) representing the Outstanding Balance.

14.3. Note Exchangeable for Different Denominations. This Note is exchangeable, upon the surrender hereof by the Holder by delivery to the principal office of the Company, for a new Note or Notes (in accordance with Section 14.4 and in principal amounts of at least \$1,000) representing in the aggregate the Outstanding Balance of this Note, and each such new Note will represent such portion of such Outstanding Balance as is designated by the Holder at the time of such surrender.

14.4. Issuance of New Notes. Subject to Section 10, whenever the Company is required to issue a new Note pursuant to the terms of this Note, such new Note (i) shall be of like tenor with this Note, (ii) shall represent, as indicated on the face of such new Note, the Outstanding Balance (or in the case of a new Note being issued pursuant to Section 14.1 or Section 14.3, the portion of the Outstanding Balance designated by the Holder which, when added to the outstanding balance represented by the other new Notes issued in connection with such issuance, does not exceed the Outstanding Balance under this Note immediately prior to such issuance of new Notes), (iii) shall have an issuance date, as indicated on the face of such new Note, which is the same as the Issuance Date of this Note, (iv) shall have the same rights and conditions as this Note, and (v) shall represent accrued and unpaid Interest and Late Charges and other increases to the Outstanding Balance as permitted hereunder from the Issuance Date.

15. REMEDIES, CHARACTERIZATIONS, OTHER OBLIGATIONS, BREACHES AND INJUNCTIVE RELIEF. The remedies, including without limitation the Redemption Premium, Prepayment Premium, and all other charges, fees, and collection costs provided for in this Note, shall be cumulative and in addition to all other remedies available under this Note and any of the other Transaction Documents at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the Holder's right to pursue actual and consequential damages for any failure by the Company to comply with the terms of this Note. The Company covenants to the Holder that there shall be no characterization concerning this instrument other than as expressly provided herein. Amounts set forth or provided for herein with respect to payments, conversion and the like (and the computation thereof) shall be the amounts to be received by the Holder and shall not, except as expressly provided herein, be subject to any other obligation of the Company (or the performance thereof). The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the Holder shall be entitled, in addition to all other available remedies, to an injunction restraining any such breach or any such threatened breach, without the necessity of showing economic loss and without any bond or other security being required. The Company shall provide all information and documentation to the Holder that is requested by the Holder to enable the Holder to confirm the Company's compliance with the terms and conditions of this Note (including, without limitation, compliance with Section 7).

16. PAYMENT OF COLLECTION, ENFORCEMENT AND OTHER COSTS. If (a) this Note is placed in the hands of an attorney for collection or enforcement prior to commencing legal proceedings, or is collected or enforced through any legal proceeding, or the Holder otherwise takes action to collect amounts due under this Note or to enforce the provisions of this Note; or (b) there occurs any bankruptcy, reorganization, receivership of the Company or other proceedings affecting Company creditors' rights and involving a claim under this Note; then the Company shall pay the costs incurred by the Holder for such collection, enforcement or action or in connection with such bankruptcy, reorganization, receivership or other proceeding, including, without limitation, attorneys' fees and disbursements. The Company expressly acknowledges and agrees that no amounts due under this Note shall be affected, or limited, by the fact that the Purchase Price paid for this Note was less than the Original Principal Amount.

17. CONSTRUCTION; HEADINGS. This Note shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Note are for convenience of reference and shall not form part of, or affect the interpretation of, this Note. Terms used in this Note but defined in the other Transaction Documents shall have the meanings ascribed to such terms on the Issuance Date in such other Transaction Documents unless otherwise consented to in writing by the Holder.

18. FAILURE OR INDULGENCE NOT WAIVER. No failure or delay on the part of the Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege. No waiver shall be effective unless it is in writing and signed by an authorized representative of the waiving party.

19. DISPUTE RESOLUTION. In the case of a dispute as to the determination of the Conversion Price, Default Conversion Price, Pre-Installment Conversion Price, Conversion Rate, the Closing Bid Price, the Closing Sale Price, VWAP or fair market value (as the case may be) or the arithmetic calculation of Conversion Shares or the applicable Redemption Price (as the case may be), the Company or the Holder (as the case may be) shall submit the disputed determinations or arithmetic calculations (as the case may be) via facsimile (i) within two (2) Trading Days after receipt of the applicable notice giving rise to such dispute to the Company or the Holder (as the case may be) or (ii) if no notice gave rise to such dispute, at any time after the Holder learned of the circumstances giving rise to such dispute (including, without limitation, as to whether any issuance or sale or deemed issuance or sale was an issuance or sale or deemed issuance or sale of Excluded Securities). If the Holder and the Company are unable to agree upon such determination or calculation within two (2) Trading Days of such disputed determination or arithmetic calculation (as the case may be) being submitted to the Company or the Holder (as the case may be), then the Company shall, within two (2) Trading Days, submit via facsimile (a) the disputed determination of the Conversion Price, Default Conversion Price, Pre-Installment Conversion Price, Conversion Rate, the Closing Bid Price, the Closing Sale Price, VWAP or fair market value (as the case may be) to an independent, reputable investment bank selected by the Holder or (b) the disputed arithmetic calculation of the Conversion Shares or any Redemption Price (as the case may be) to the Company's independent, outside accountant. The Company shall cause at its expense the investment bank or the accountant (as the case may be) to perform the determinations or calculations (as the case may be) and notify the Company and the Holder of the results no later than ten (10) Trading Days from the time it receives such disputed determinations or calculations (as the case may be). Such investment bank's or accountant's determination or calculation with respect to the disputes set forth in this Section 19 (as the case may be) shall be binding upon all parties absent demonstrable error.

20. NOTICES; PAYMENTS.

20.1. Notices. Whenever notice is required to be given under this Note, unless otherwise provided herein, such notice shall be given in accordance with the subsection of the Agreement titled "Notices." The Company shall provide the Holder with prompt written notice as may be required hereunder, including without limitation the following actions (such notice to include in reasonable detail a description of such action and the reason therefore): (i) immediately upon any adjustment of the Conversion Price, setting forth in reasonable detail, and certifying, the calculation of such adjustment and (ii) at least fifteen (15) Trading Days prior to the date on which the Company closes its books or takes a record (A) with respect to any dividend or distribution upon the Common Stock, (B) with respect to any grant, issuances, or sales of any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property to all holders of shares of Common Stock, or (C) for determining rights to vote with respect to any Fundamental Transaction, dissolution or liquidation, provided in each case that such information shall be made known to the public prior to or in conjunction with such notice being provided to the Holder.

20.2. Currency. All dollar amounts referred to in this Note are in United States Dollars ("**U.S. Dollars**"), and all amounts owing under this Note shall be paid in U.S. Dollars. All amounts denominated in other currencies (if any) shall be converted into the U.S. Dollar equivalent amount in accordance with the Exchange Rate on the date of calculation. "**Exchange Rate**" means, in relation to any amount of currency to be converted into U.S. Dollars pursuant to this Note, the U.S. Dollar exchange rate as published in *The Wall Street Journal* on the relevant date of calculation (it being understood and agreed that where an amount is calculated with reference to, or over, a period of time, the date of calculation shall be the final date of such period of time).

20.3. Payments. Whenever any payment of cash is to be made by the Company to any Person pursuant to this Note, unless otherwise expressly set forth herein, such payment shall be made in lawful money of the United States of America by wire transfer of immediately available funds pursuant to wire transfer instructions delivered to Company by Holder from time to time. Whenever any amount expressed to be due by the terms of this Note is due on any day which is not a Trading Day, the same shall instead be due on the next succeeding day which is a Trading Day. Any amount due under the Transaction Documents which is not paid when due shall result in a late charge being incurred and payable by the Company in an amount equal to interest on such amount at the rate of twenty two percent (22%) per annum from the date such amount was due until the same is paid in full ("**Late Charge**").

21. CANCELLATION. After repayment or conversion of the entire Outstanding Balance, this Note shall automatically be deemed canceled, shall be surrendered to the Company for cancellation and shall not be reissued.

22. WAIVER OF NOTICE. To the extent permitted by law, the Company hereby irrevocably waives demand, notice, presentment, protest and all other demands and notices in connection with the delivery, acceptance, performance, default or enforcement of this Note and the Agreement.

23. GOVERNING LAW. This Note shall be construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Note shall be governed by, the internal laws of the State of Utah, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Utah or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of Utah. The Company hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in Salt Lake City for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. In the event that any provision of this Note is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any such provision which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision of this Note. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company or any of its Subsidiaries in any other jurisdiction to collect on the Company's obligations to the Holder, to realize on any collateral or any other security for such obligations, or to enforce a judgment or other court ruling in favor of the Holder. **THE COMPANY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS NOTE OR ANY TRANSACTION CONTEMPLATED HEREBY.**

24. SEVERABILITY. If any provision of this Note is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Note so long as this Note as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with one or more valid provisions, the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

25. **FEES AND CHARGES.** The parties acknowledge and agree that upon Company's failure to comply with the provisions of this Note, the Holder's damages would be uncertain and difficult (if not impossible) to accurately estimate because of the parties' inability to predict future interest rates, the Holder's increased risk, and the uncertainty of the availability of a suitable substitute investment opportunity for the Holder, among other reasons. Accordingly, any fees, charges, and interest due under this Note, including without limitation the Prepayment Premium and the Redemption Premium, are intended by the parties to be, and shall be deemed, a reasonable estimate of the Holder's actual loss of its investment opportunity and not a penalty, and shall not be deemed in any way to limit any other right or remedy Holder may have hereunder, at law or in equity.

26. **UNCONDITIONAL OBLIGATION.** Subject to the terms of the Agreement, no provision of this Note shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, and interest on, this Note at the time, place, and rate, and in the coin or currency or where contemplated herein in shares of its Common Stock, as applicable, as herein prescribed. This Note is the direct obligation of the Company and not subject to offsets, counterclaims, defenses, credits or deductions, except as expressly permitted herein.

27. **CERTAIN DEFINITIONS.** For purposes of this Note, the following terms shall have the following meanings:

27.1. **"Affiliate"** means, with respect to any Person, any other Person that directly or indirectly controls, is controlled by, or is under common control with, such Person, it being understood for purposes of this definition that "control" of a Person means the power directly or indirectly either to vote 10% or more of the stock having ordinary voting power for the election of directors of such Person or direct or cause the direction of the management and policies of such Person whether by contract or otherwise.

27.2. **"Agreement"** means that certain Securities Purchase Agreement, dated as of December 13, 2012, as may be amended from time to time, by and between the Company and the Holder, pursuant to which the Company issued this Note.

27.3. **"Approved Stock Plan"** means any stock option plan which has been approved by the Board of Directors of the Company, pursuant to which the Company's securities may be issued to any employee, officer or director for services provided to the Company.

THIS WARRANT AND THE COMMON STOCK ISSUABLE UPON EXERCISE OF THIS WARRANT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. THIS WARRANT AND THE COMMON STOCK ISSUABLE UPON EXERCISE OF THIS WARRANT MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT AS TO THIS WARRANT UNDER SUCH ACT AND ANY APPLICABLE STATE SECURITIES LAW OR AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO ADVAXIS, INC. THAT SUCH REGISTRATION IS NOT REQUIRED.

ADVAXIS, INC.

FORM OF WARRANT TO PURCHASE SHARES OF COMMON STOCK

1. Issuance. In consideration of good and valuable consideration as set forth in the Purchase Agreement (defined below), including without limitation the Purchase Price (as defined in the Purchase Agreement), the receipt and sufficiency of which are hereby acknowledged by ADVAXIS, INC., a Delaware corporation (the “**Company**”); TONAQUINT, INC., a Utah corporation, its successors and/or registered assigns (the “**Holder**”), is hereby granted the right to purchase at any time on or after the Issue Date (as defined below) until the date which is the last calendar day of the month in which the fifth anniversary of the Issue Date occurs (the “**Expiration Date**”), a number of fully paid and nonassessable shares (the “**Warrant Shares**”) of the Company’s common stock, par value \$0.001 per share (the “**Common Stock**”), equal to \$667,500.00 divided by the Market Price (defined in the Note, as of the Issue Date), as such number may be adjusted from time to time pursuant to the terms and conditions of this Warrant to Purchase Shares of Common Stock (this “**Warrant**”). This Warrant is being issued pursuant to the terms of that certain Securities Purchase Agreement dated December 13, 2012, to which the Company and the Holder are parties (as the same may be amended from time to time, the “**Purchase Agreement**”).

Unless otherwise indicated herein, capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement.

This Warrant was originally issued to the Holder on December 13, 2012 (the “**Issue Date**”).

2. Exercise of Warrant.

2.1. General.

(a) This Warrant is exercisable in whole or in part at any time and from time to time commencing on the Issue Date and ending on the Expiration Date. Such exercise shall be effectuated by submitting to the Company (either by delivery to the Company or by email or facsimile transmission) a completed and duly executed Notice of Exercise substantially in the form attached to this Warrant as Exhibit A (the “**Notice of Exercise**”). The date such Notice of Exercise is either faxed, emailed or delivered to the Company shall be the “**Exercise Date**,” provided that, if such exercise represents the full exercise of the outstanding balance of the Warrant, the Holder shall tender this Warrant to the Company within five (5) Trading Days thereafter, but only if the Warrant Shares to be delivered pursuant to the Notice of Exercise have been delivered to the Holder as of such date. The Notice of Exercise shall be executed by the Holder and shall indicate (i) the number of Delivery Shares (as defined below) to be issued pursuant to such exercise, and (ii) if applicable (as provided below), whether the exercise is a cashless exercise.

For purposes of this Warrant, the term “**Trading Day**” means any day during which the principal market on which the Common Stock is traded (the “**Principal Market**”) shall be open for business.

(b) Notwithstanding any other provision contained herein or in any other Transaction Document to the contrary, at any time prior to the Expiration Date, the Holder may elect a “cashless” exercise of this Warrant for any Warrant Shares whereby the Holder shall be entitled to receive a number of shares of Common Stock equal to (i) the excess of the Current Market Value (as defined below) over the aggregate Exercise Price of the Exercise Shares (as defined below), divided by (ii) the Adjusted Price of the Common Stock (as defined below); *provided, however*, that if the Warrant Shares are covered by a registration statement of the Company under the 1933 Act that becomes effective during the period beginning on the Issue Date and ending on the six (6) month anniversary thereof, then from and after the effective date of such registration statement, at all times during which such registration statement remains effective, Holder may not elect a “cashless” exercise of this Warrant.

For the purposes of this Warrant, the following terms shall have the following meanings:

“**Adjusted Price of the Common Stock**” shall mean the lower of (i) the Conversion Price (as defined in the Note), as such Conversion Price may be adjusted from time to time pursuant to the terms of the Note (solely for the purpose of determining the then-current Conversion Price under this definition of “Adjusted Price of the Common Stock,” each cashless exercise of this Warrant shall be deemed a conversion under the Note), and (ii) the Market Price (as defined in the Note), without regard to whether the Note remains outstanding or has been fully repaid, cancelled or otherwise retired, on any relevant Exercise Date.

“**Current Market Value**” shall mean an amount equal to the Market Price of the Common Stock (as defined below), multiplied by the number of Exercise Shares specified in the applicable Notice of Exercise.

“**Closing Price**” shall mean the 4:00 P.M. last sale price of the Common Stock on the Principal Market on the relevant Trading Day(s), as reported by Bloomberg LP (or if that service is not then reporting the relevant information regarding the Common Stock, a comparable reporting service of national reputation selected by the Holder and reasonably acceptable to the Company) (“**Bloomberg**”) for the relevant date.

“**Delivery Shares**” means those shares of Common Stock issuable and deliverable upon the exercise of this Warrant.

“**Exercise Price**” shall mean \$0.15 per share of Common Stock, as the same may be adjusted from time to time pursuant to the terms and conditions of this Warrant.

**“Exercise Shares”** shall mean those Warrant Shares subject to an exercise of the Warrant by the Holder. By way of illustration only and without limiting the foregoing, if (i) the Warrant is initially exercisable for 4,180,000 Warrant Shares and the Holder has not previously exercised the Warrant, and (ii) the Holder were to make a cashless exercise with respect to 5,000 Warrant Shares pursuant to which 6,000 Warrant Shares would be issuable to the Holder, then (1) the Warrant shall be deemed to have been exercised with respect to 5,000 Exercise Shares, (2) the Warrant would remain exercisable for 4,175,000 Warrant Shares, and (3) the Warrant shall be deemed to have been exercised with respect to 6,000 Delivery Shares.

**“Market Price of the Common Stock”** shall mean the higher of: (i) the Closing Price of the Common Stock on the Issue Date; and (ii) the VWAP (as defined below) of the Common Stock for the Trading Day that is two (2) Trading Days prior to the Exercise Date.

**“Note”** shall mean that certain Convertible Promissory Note issued by the Company to the Holder pursuant to the Purchase Agreement, as the same may be amended from time to time, and including any promissory note(s) that replace or are exchanged for such referenced promissory note.

**“VWAP”** shall mean the volume-weighted average price of the Common Stock on the Principal Market for a particular Trading Day or set of Trading Days, as the case may be, as reported by Bloomberg.

(c) If the Notice of Exercise form elects a “cash” exercise (or if the cashless exercise referred to in the immediately preceding subsection (b) is not available in accordance with the terms hereof), the Exercise Price per share of Common Stock for the Delivery Shares shall be payable, at the election of the Holder, in cash or by certified or official bank check or by wire transfer in accordance with instructions provided by the Company at the request of the Holder.

(d) Upon the appropriate payment to the Company, if any, of the Exercise Price for the Delivery Shares, together with the surrender of this Warrant (if required), the Company shall promptly, but in no case later than the date that is three (3) Trading Days following the date the Exercise Price is paid to the Company (or with respect to a “cashless exercise,” the date that is three (3) Trading Days following the Exercise Date), deliver or cause the Company’s Transfer Agent to deliver the applicable Delivery Shares electronically via the Deposit/Withdrawal at Custodian (“**DWAC**”) system to the account designated by the Holder on the Notice of Exercise. If for any reason the Company is not able to so deliver the Delivery Shares via the DWAC system, notwithstanding its best efforts to do so, such shall constitute a breach of this Warrant (and thus an Event of Default under the Note), and the Company shall instead, on or before the applicable date set forth above in this subsection, issue and deliver to the Holder or its broker (as designated in the Notice of Exercise), via reputable overnight courier, a certificate, registered in the name of the Holder or its designee, representing the applicable number of Delivery Shares. For the avoidance of doubt, the Company has not met its obligation to deliver Delivery Shares within the required timeframe set forth above unless Holder or its broker, as applicable, has actually received the Delivery Shares (whether electronically or in certificated form) no later than the close of business on the latest possible delivery date pursuant to the terms set forth above.

(e) If Delivery Shares are delivered later than as required under subsection (d) immediately above, the Company agrees to pay, in addition to all other remedies available to the Holder in the Transaction Documents, a late charge equal to the greater of (i) \$2,000.00 and (ii) 2% of the product of (1) the sum of the number of shares of Common Stock not issued to the Holder on a timely basis and to which the Holder is entitled multiplied by (2) the Closing Sale Price (as defined in the Note) of the Common Stock on the Trading Day immediately preceding the last possible date which the Company could have issued such shares of Common Stock to the Holder without violating this Warrant, per Trading Day until such Delivery Shares are delivered. The Company shall pay any late charges incurred under this subsection in immediately available funds upon demand; *provided, however*, that, at the option of the Holder (without notice to the Company), such amount owed may be added to the principal amount of the Note. Furthermore, in addition to any other remedies which may be available to the Holder, in the event that the Company fails for any reason to effect delivery of the Delivery Shares as required under subsection (d) immediately above, the Holder may revoke all or part of the relevant Warrant exercise by delivery of a notice to such effect to the Company, whereupon the Company and the Holder shall each be restored to their respective positions immediately prior to the exercise of the relevant portion of this Warrant, except that the late charge described above shall be payable through the date notice of revocation or rescission is given to the Company.

(f) The Holder shall be deemed to be the holder of the Delivery Shares issuable to it in accordance with the provisions of this Section 2.1 on the Exercise Date.

2.2. Ownership Limitation. Notwithstanding the provisions of this Warrant (except as set forth below in this Section 2.2), if at any time after the date hereof, the Holder shall or would receive shares of Common Stock upon exercise of this Warrant or in payment of interest or principal under the Note, or upon conversion of the Note, so that the Holder would, together with other shares of Common Stock held by it or its Affiliates, hold by virtue of such action or receipt of additional shares of Common Stock a number of shares exceeding 4.99% of the number of shares of Common Stock outstanding on such date (the “**Maximum Percentage**”), the Company shall not be obligated and shall not issue to the Holder shares of Common Stock which would exceed the Maximum Percentage, but only until such time as the Maximum Percentage would no longer be exceeded by any such receipt of shares of Common Stock by the Holder. Notwithstanding the forgoing, (a) if any of the DWAC Eligible Conditions (as defined in the Note) are not then satisfied, the term “4.99%” shall be replaced in the preceding sentence with “9.99%” at such time as the Market Capitalization of the Common Stock is less than \$3,000,000, but (b) if all of the DWAC Eligible Conditions are then satisfied, the term “4.99%” shall be replaced in the preceding sentence with “9.99%” only at such time as the Market Capitalization of the Common Stock is less than \$1,500,000. For the avoidance of any doubt, notwithstanding any other provision contained herein, if the term “4.99%” is replaced with “9.99%” pursuant to the preceding sentence, such change to “9.99%” shall be permanent. For purposes of this Agreement, the term “**Market Capitalization of the Common Stock**” shall mean the product equal to (x) the average VWAP (as defined in the Note) of the Common Stock for the immediately preceding thirty (30) Trading Days, multiplied by (y) the aggregate number of outstanding shares of Common Stock as reported on the Company’s most recently filed Form 10-Q or Form 10-K. The foregoing limitations are enforceable, unconditional and non-waivable and shall apply to all Affiliates and assigns of the Holder.

3. Mutilation or Loss of Warrant. Upon receipt by the Company of evidence satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and (in the case of loss, theft or destruction) receipt of reasonably satisfactory indemnification, and (in the case of mutilation) upon surrender and cancellation of this Warrant, the Company will execute and deliver to the Holder a new Warrant of like tenor and date and any such lost, stolen, destroyed or mutilated Warrant shall thereupon become void.

4. Rights of the Holder. The Holder shall not, by virtue of this Warrant alone, be entitled to any rights of a stockholder in the Company, either at law or in equity, and the rights of the Holder with respect to or arising under this Warrant are limited to those expressed in this Warrant and are not enforceable against the Company except to the extent set forth herein.

5. Protection Against Dilution and Other Adjustments.

5.1. Capital Adjustments. If the Company shall at any time prior to the expiration of this Warrant subdivide the Common Stock, by split-up or stock split, or otherwise, or combine its Common Stock, or issue additional shares of its Common Stock as a dividend, the number of Warrant Shares issuable upon the exercise of this Warrant shall forthwith be automatically increased proportionately in the case of a subdivision, split or stock dividend, or proportionately decreased in the case of a combination. Appropriate adjustments shall also be made to the Exercise Price, Conversion Price (in the event of a cashless exercise), and other applicable amounts, but the aggregate purchase price payable for the total number of Warrant Shares purchasable under this Warrant (as adjusted) shall remain the same. Any adjustment under this Section 5.1 shall become effective automatically at the close of business on the date the subdivision or combination becomes effective, or as of the record date of such dividend, or in the event that no record date is fixed, upon the making of such dividend.

5.2. Reclassification, Reorganization and Consolidation. In case of any reclassification, capital reorganization, or change in the capital stock of the Company (other than as a result of a subdivision, combination, or stock dividend provided for in Section 5.1 above), then the Company shall make appropriate provision so that the Holder shall have the right at any time prior to the expiration of this Warrant to purchase, at a total price equal to that payable upon the exercise of this Warrant, the kind and amount of shares of stock and other securities and property receivable in connection with such reclassification, reorganization, or change by a holder of the same number of shares of Common Stock as were purchasable by the Holder immediately prior to such reclassification, reorganization, or change. In any such case appropriate provisions shall be made with respect to the rights and interest of the Holder so that the provisions hereof shall thereafter be applicable with respect to any shares of stock or other securities and property deliverable upon exercise hereof, and appropriate adjustments shall be made to the purchase price per Warrant Share payable hereunder, provided the aggregate purchase price shall remain the same.

5.3. Subsequent Equity Sales. If the Company or any subsidiary thereof, as applicable, at any time and from time to time while this Warrant is outstanding, shall sell or grant any option to purchase, or sell or grant any right to reprice, or otherwise dispose of or issue (or announce any offer, sale, grant or any option to purchase or other disposition of) any Common Stock (including any Common Stock issued under the Note, whether upon any type of conversion or any Deemed Issuance (as defined in the Note)), preferred shares convertible into Common Stock, or debt, warrants, options or other instruments or securities which are convertible into or exercisable for shares of Common Stock (together herein referred to as “**Equity Securities**”), at an effective price per share less than the Exercise Price (such lower price, the “**Base Share Price**” and such issuance collectively, a “**Dilutive Issuance**”) (if the holder of the Common Stock or Equity Securities so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options, or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is less than the Exercise Price, such issuance shall be deemed to have occurred for less than the Exercise Price on such date of the Dilutive Issuance), then (a) the Exercise Price shall be reduced and only reduced to equal the Base Share Price, and (b) the number of Warrant Shares issuable upon the exercise of this Warrant shall be increased to an amount equal to the number of Warrant Shares the Holder could purchase hereunder for an aggregate Exercise Price, as reduced pursuant to subsection (a) above, equal to the aggregate Exercise Price payable immediately prior to such reduction in Exercise Price. Such adjustments shall be made whenever such Common Stock or Equity Securities are issued. The Company shall notify the Holder, in writing, no later than the Trading Day following the issuance of any Common Stock or Equity Securities subject to this Section 5.3, indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price, or other pricing terms (such notice, the “**Dilutive Issuance Notice**”). For purposes of clarification, whether or not the Company provides a Dilutive Issuance Notice pursuant to this Section 5.3, upon the occurrence of any Dilutive Issuance, after the date of such Dilutive Issuance the Holder is entitled to receive the increased number of Warrant Shares provided for in subsection (b) above at an Exercise Price equal to the Base Share Price regardless of whether the Holder accurately refers to the Base Share Price in the Notice of Exercise. Additionally, following the occurrence of a Dilutive Issuance, all references in this Warrant to “Warrant Shares” shall be a reference to the Warrant Shares as increased pursuant to subsection (b) above, and all references in this Warrant to “Exercise Price” shall be a reference to the Exercise Price as reduced pursuant to subsection (a) above, as the same may occur from time to time hereunder.

5.4. Notice of Adjustment. Without limiting any other provision contained herein, when any adjustment is required to be made in the number or kind of shares purchasable upon exercise of this Warrant, or in the Exercise Price, pursuant to the terms hereof, the Company shall promptly notify the Holder of such event and of the number of Warrant Shares or other securities or property thereafter purchasable upon exercise of this Warrant.

5.5. Exceptions to Adjustment. Notwithstanding the provisions of Sections 5.3 and 5.4, no adjustment to the Exercise Price shall be effected as a result of an Excepted Issuance. “**Excepted Issuances**” shall mean, collectively, (a) the Company’s issuance of securities in connection with strategic license agreements and other partnering arrangements so long as any such issuances are not for the purpose of raising capital and in which holders of such securities or debt are not at any time granted registration rights, and (b) the Company’s issuance of Common Stock or the issuance or grant of options to purchase Common Stock to employees, directors, officers and consultants, authorized by the Company’s board of directors pursuant to plans or agreements which are authorized, constituted or in effect as of the Issue Date.

6. Certificate as to Adjustments. In each case of any adjustment or readjustment in the shares of Common Stock issuable on the exercise of this Warrant, the Company at its expense will promptly cause its Chief Financial Officer or other appropriate designee to compute such adjustment or readjustment in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based, including a statement of (a) the consideration received or receivable by the Company for any additional shares of Common Stock issued or sold or deemed to have been issued or sold, (b) the number of shares of Common Stock outstanding or deemed to be outstanding, and (c) the Exercise Price and the number of shares of Common Stock to be received upon exercise of this Warrant, in effect immediately prior to such adjustment or readjustment and as adjusted or readjusted as provided in this Warrant. The Company will forthwith mail a copy of each such certificate to the Holder and any Warrant Agent (as defined below) appointed pursuant to Section 8 hereof. Nothing in this Section 6 shall be deemed to limit any other provision contained herein.

7. Transfer to Comply with the Securities Act. This Warrant, and the Warrant Shares, have not been registered under the 1933 Act. Neither this Warrant nor any of the Warrant Shares or any other security issued or issuable upon exercise of this Warrant may be sold, transferred, pledged or hypothecated without (a) an effective registration statement under the 1933 Act relating to such security or (b) an opinion of counsel reasonably satisfactory to the Company that registration is not required under the 1933 Act. Until such time as registration has occurred under the 1933 Act, each certificate for this Warrant, the Warrant Shares and any other security issued or issuable upon exercise of this Warrant shall contain a legend, in form and substance satisfactory to counsel for the Company, setting forth the restrictions on transfer contained in this Section 7. Any such transfer shall be accompanied by a transferor assignment substantially in the form attached to this Warrant as Exhibit B (the “**Transferor Assignment**”), executed by the transferor and the transferee and submitted to the Company. Upon receipt of the duly executed Transferor Assignment, the Company shall register the transferee thereon as the new Holder on the books and records of the Company and such transferee shall be deemed a “registered holder” or “registered assign” for all purposes hereunder, and shall have all the rights of the Holder.

8. Warrant Agent. The Company may, by written notice to the Holder, appoint an agent (a “**Warrant Agent**”) for the purpose of issuing shares of Common Stock on the exercise of this Warrant pursuant hereto, exchanging this Warrant pursuant hereto, and replacing this Warrant pursuant hereto, or any of the foregoing, and thereafter any such issuance, exchange or replacement, as the case may be, shall be made at such office by such Warrant Agent.

9. Transfer on the Company’s Books. Until this Warrant is transferred on the books of the Company, the Company may treat the Holder as the absolute owner hereof for all purposes, notwithstanding any notice to the contrary.

10. Notices. Any notice required or permitted hereunder shall be given in the manner provided in the subsection titled “Notices” in the Purchase Agreement, the terms of which are incorporated herein by reference.

11. Supplements and Amendments; Whole Agreement. This Warrant may be amended or supplemented only by an instrument in writing signed by the parties hereto. This Warrant, together with the Purchase Agreement and all the other Transaction Documents, taken together, contain the full understanding of the parties hereto with respect to the subject matter hereof and thereof and there are no representations, warranties, agreements or understandings with respect to the subject matter hereof and thereof other than as expressly contained herein and therein.

12. Governing Law. This Warrant shall be governed by and interpreted in accordance with the laws of the State of Utah, without giving effect to the principles thereof regarding the conflict of laws. The Company and, by accepting this Warrant, the Holder, each irrevocably (a) consents to and expressly submits to the exclusive personal jurisdiction of any state or federal court sitting in Salt Lake County, Utah in connection with any dispute or proceeding arising out of or relating to this Warrant, (b) agrees that all claims in respect of any such dispute or proceeding may only be heard and determined in any such court, (c) expressly submits to the venue of any such court for the purposes hereof, and (d) waives any claim of improper venue and any claim or objection that such courts are an inconvenient forum or any other claim or objection to the bringing of any such proceeding in such jurisdictions or to any claim that such venue of the suit, action or proceeding is improper. The Company and, by accepting this Warrant, the Holder, each hereby irrevocably consents to the service of process of any of the aforementioned courts in any such proceeding by the mailing of copies thereof by reputable overnight courier (e.g., FedEx) or certified mail, postage prepaid, to such party's address as provided for herein, such service to become effective ten (10) calendar days after such mailing. **THE COMPANY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

13. Remedies. The remedies at law of the Holder of this Warrant in the event of any default or threatened default by the Company in the performance of or compliance with any of the terms of this Warrant are not and will not be adequate and, without limiting any other remedies available to the Holder in the Transaction Documents, law or equity, to the fullest extent permitted by law, such terms may be specifically enforced by a decree for the specific performance of any agreement contained herein or by an injunction against a violation of any of the terms hereof or otherwise.

14. Counterparts. This Warrant may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument. Signature delivered via facsimile or email shall be considered original signatures for purposes hereof.

15. Descriptive Headings. Descriptive headings of the sections of this Warrant are inserted for convenience only and shall not control or affect the meaning or construction of any of the provisions hereof.

16. Attorney's Fees. In the event of any litigation or dispute arising from this Warrant, the parties agree that the party who is awarded the most money shall be deemed the prevailing party for all purposes and shall therefore be entitled to an additional award of the full amount of the attorneys' fees and expenses paid by said prevailing party in connection with the litigation and/or dispute without reduction or apportionment based upon the individual claims or defenses giving rise to the fees and expenses. Nothing herein shall restrict or impair a court's power to award fees and expenses for frivolous or bad faith pleading.

17. Severability. Whenever possible, each provision of this Warrant shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be invalid or unenforceable in any jurisdiction, such provision shall be modified to achieve the objective of the parties to the fullest extent permitted and such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Warrant or the validity or enforceability of this Warrant in any other jurisdiction.

(a) Subject to the terms and conditions of this Agreement and the other Transaction Documents, the undersigned Buyer hereby agrees to purchase from the Company a Secured Convertible Promissory Note in the principal amount of \$890,000.00 substantially in the form attached hereto as ANNEX II (the “**Note**”). The Note shall be secured by a Security Agreement substantially in the form attached hereto as ANNEX III listing all of the Buyer Mortgage Notes (defined below) as security for the Company’s obligations under the Transaction Documents (the “**Security Agreement**”). In consideration thereof, the Buyer shall pay (i) the amount designated as the initial cash purchase price on the Buyer’s signature page to this Agreement (the “**Initial Cash Purchase Price**”), and (ii) issue to the Company the Buyer Mortgage Notes (the sum of the principal amount of the Buyer Mortgage Notes, together with the Initial Cash Purchase Price, the “**Purchase Price**”). All of the Buyer Mortgage Notes shall be secured no later than five (5) Trading Days after the Closing Date by a Mortgage substantially in the form attached hereto as ANNEX IV, as the same may be amended from time to time (the “**Mortgage**”), subject to Section 2.1(d). The Initial Cash Purchase Price shall be paid to the Company in accordance with the Wire Instructions. The Purchase Price is allocated to the Tranches (as defined in the Note) of the Note and to the Warrant as set forth in the table attached hereto as ANNEX V.

(b) In consideration for the Purchase Price, the Company shall, at the Closing (defined below):

(i) execute and deliver to the Buyer the Security Agreement;

(ii) execute and deliver to the Buyer that certain Warrant to Purchase Shares of Common Stock substantially in the form attached hereto as ANNEX VI (the “**Warrant**”);

(iii) execute and deliver to the Buyer a Judgment by Confession substantially in the form attached hereto as ANNEX VII (the “**Confession**”);

(iv) execute and deliver to the Buyer a Release Deed (the “**Release**”) substantially in the form attached hereto as ANNEX VIII. The Release shall be held in escrow in accordance with the terms of the Escrow Agreement substantially in the form attached hereto as ANNEX IX (the “**Escrow Agreement**”);

(v) execute and deliver to the Transfer Agent, and the Transfer Agent shall execute to indicate its acceptance thereof, the irrevocable letter of instructions to transfer agent substantially in the form attached hereto as ANNEX X (the “**Transfer Agent Letter**”);

(vi) cause to be executed and delivered to the Buyer a fully executed secretary’s certificate and written consent of directors evidencing the Company’s approval of the Transaction Documents substantially in the forms attached hereto as ANNEX XI (together, the “**Secretary’s Certificate**”); and

(vii) cause to be executed and delivered to the Buyer a fully executed share issuance resolution to be delivered to the Transfer Agent substantially in the form attached hereto as ANNEX XII (the “**Share Issuance Resolution**”).

(c) At the Closing, the Buyer shall deliver the Purchase Price to the Company by delivering the following: (i) the Initial Cash Purchase Price; (ii) the Buyer Mortgage Note #1 in the principal amount of \$200,000 duly executed and substantially in the form attached hereto as ANNEX XIII (“**Buyer Mortgage Note #1**”); and (iii) the Buyer Mortgage Note #2 in the principal amount of \$200,000 duly executed and substantially in the form attached hereto as ANNEX XIV (“**Buyer Mortgage Note #2**”, and together with Buyer Mortgage Note #1, the “**Buyer Mortgage Notes**”).

(d) The Buyer shall further execute and cause to be recorded the Mortgage in the official records of Cook County, Illinois. Notwithstanding anything to the contrary herein or in any other Transaction Document, the Buyer may, in the Buyer’s sole discretion, add additional collateral to the collateral covered by the Mortgage (the “**Collateral**”), and may substitute collateral as the Buyer deems fit, provided that the fair market value of the substituted Collateral may not be less than the aggregate principal balance of the Buyer Mortgage Notes as of the date of any such substitution. In the event of a substitution of collateral, the Buyer shall timely execute any and all documents necessary or advisable in order to properly grant a first priority security interest upon the substitute collateral in favor of the Company, and the Company shall take such other measures as are necessary or advisable in order to accomplish the intent of the Transaction Documents, including without limitation, execution of a request to release a lien against the original Collateral within five (5) Trading Days after written request from Buyer. The intent of the parties is that the fair market value of the Collateral will be equal to the outstanding balances of the Buyer Mortgage Notes. To the extent the fair market value of the Collateral is less than the total outstanding balance of all the Buyer Mortgage Notes, then the Collateral will be deemed to only secure those Buyer Mortgage Notes with an aggregate outstanding balance that is less than or equal to the fair market value of the Collateral, applied in numerical order of the Buyer Mortgage Notes from time to time. By way of example only, if the fair market value of the Collateral is determined by appraisal to be \$400,000, then the Collateral will be deemed to secure Buyer Mortgage Notes #1 - #2 (\$200,000 x 2 = \$400,000). If the Collateral is subsequently appraised for \$200,000, then the Collateral will automatically be deemed to secure Buyer Trust Deed Note #1 (\$200,000 x 1 = \$200,000) and not Buyer Trust Deed Note #2, until such time as Buyer Trust Deed Note #1 is paid in full, or upon the increase in the value of the Collateral.

2.2. Form of Payment; Delivery of Securities. The purchase and sale of the Securities shall take place at a closing (the “**Closing**”) to be held at the offices of the Buyer on the Closing Date. At the Closing, the Company will deliver the Transaction Documents to the Buyer against delivery by the Buyer to the Company of the Initial Cash Purchase Price and the Buyer Mortgage Notes, as set forth in Section 2.1(c) above.

2.3. Purchase Price. The Note carries an original issue discount of \$80,000.00 (the “**OID**”). In addition, the Company agrees to pay \$15,000.00 to the Buyer to cover the Buyer’s legal fees, accounting costs, due diligence, monitoring and other transaction costs incurred in connection with the purchase and sale of the Securities (the “**Transaction Expense Amount**”), \$5,000 of which has been previously paid to the Buyer and the remaining \$10,000.00 of which is included in the initial principal balance of the Note (the “**Carried Transaction Expense Amount**”). The Purchase Price, therefore, shall be \$800,000.00, computed as follows: \$890,000.00 original principal balance, less the OID, less the Carried Transaction Expense Amount. The Initial Cash Purchase Price shall be the Purchase Price less the sum of the initial principal amounts of the Buyer Mortgage Notes.

There are no proposals currently under consideration or currently anticipated to be under consideration by the Board of Directors or the executive officers of the Company which proposal would (a) change the Certificate of Incorporation or bylaws of the Company, each as currently in effect, with or without stockholder approval, which change would reduce or otherwise adversely affect the rights and powers of the stockholders of the Common Stock, or (b) materially or substantially change the business, assets or capital of the Company, including its interests in Subsidiaries.

4.14. No Integrated Offering. Neither the Company nor any of its Affiliates nor any Person acting on its or their behalf has, directly or indirectly, made any offer or sale of any security of the Company or solicited any offer to buy any such security under circumstances that would eliminate the availability of the exemption from registration under Regulation D in connection with the offer and sale of the Securities as contemplated hereby.

4.15. Dilution. Each of the Company and its executive officers and directors is aware that the number of shares of Common Stock issuable upon the execution of this Agreement, the conversion of the Note and exercise of the Warrant, or pursuant to the other terms of the Transaction Documents may have a dilutive effect on the ownership interests of the other stockholders (and Persons having the right to become stockholders) of the Company. The Company specifically acknowledges that its obligations to issue (a) the Conversion Shares upon a conversion of the Note, and (b) the Warrant Shares upon an exercise of the Warrant, are binding upon the Company and enforceable regardless of the dilution such issuances may have on the ownership interests of other stockholders of the Company, and the Company will honor such obligations, including honoring every Conversion Notice and Notice of Exercise, unless the Company is subject to an injunction (which injunction was not sought by the Company or any of its directors or executive officers) prohibiting the Company from doing so.

4.16. Fees to Brokers, Placement Agents and Others. The Company has taken no action which would give rise to any claim by any Person for a brokerage commission, placement agent or finder's fees or similar payments by the Buyer relating to this Agreement or the transactions contemplated hereby. Except for such fees arising as a result of any agreement or arrangement entered into by the Buyer without the knowledge of the Company (a "**Buyer's Fee**"), the Buyer shall have no obligation with respect to such fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this subsection that may be due in connection with the transactions contemplated hereby. The Company shall indemnify and hold harmless each of the Buyer, Buyer's employees, officers, directors, stockholders, managers, agents, and partners, and their respective Affiliates, from and against all claims, losses, damages, costs (including the costs of preparation and attorneys' fees) and expenses suffered in respect of any such claimed or existing fees (other than a Buyer's Fee, if any).

4.17. Disclosure. All information relating to or concerning the Company or its Subsidiaries set forth in the Transaction Documents or in the Company's SEC Documents or other public filings provided by or on behalf of the Company to the Buyer is true and correct in all material respects and the Company has not omitted to state any material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading. No event or circumstance has occurred or exists with respect to the Company or its Subsidiaries or any of their business, properties, prospects, operations or financial conditions, which under applicable laws, rules or regulations, requires public disclosure or announcement by the Company or any such Subsidiary.

4.18. Confirmation. The Company agrees that, if, to the knowledge of the Company, any events occur or circumstances exist prior to the payment of the Purchase Price by the Buyer to the Company which would make any of the Company's representations or warranties set forth herein materially untrue or materially inaccurate as of such date, the Company shall immediately notify the Buyer in writing prior to such date of such events or circumstances, specifying which representations or warranties are affected and the reasons therefor.

4.19. Title. The Company and the Subsidiaries, if applicable, own and have good and marketable title in fee simple absolute to, or a valid leasehold interest in, all their respective real properties and good title to their other respective assets and properties, subject to no liens, claims or encumbrances except as have been disclosed to the Buyer.

4.20. Intellectual Property.

(a) Ownership. The Company owns or possesses or can obtain on commercially reasonable terms sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses (software or otherwise), information, know-how, inventions, discoveries, published and unpublished works of authorship, processes and any and all other proprietary rights (“**Intellectual Property**”) necessary to the business of the Company as presently conducted, the lack of which could reasonably be expected to have a Material Adverse Effect. Except for agreements with its own employees or consultants, standard end-user license agreements, support/maintenance agreements and agreements entered in the ordinary course of the Company’s business, all of which have been made available for review by the Buyer, there are no outstanding options, licenses or agreements relating to the Intellectual Property of the Company, and the Company is not bound by or a party to any options, licenses or agreements with respect to the Intellectual Property of any other person or entity. The Company has not received any written communication alleging that the Company has violated or, by conducting its business as currently conducted, would violate any of the Intellectual Property of any other person or entity, nor is the Company aware of any basis therefor. The Company is not obligated to make any payments by way of royalties, fees or otherwise to any owner or licensor of or claimant to any Intellectual Property with respect to the use thereof in connection with the present conduct of its business other than in the ordinary course of its business. There are no agreements, understandings, instruments, contracts, judgments, orders or decrees to which the Company is a party or by which it is bound which involve indemnification by the Company with respect to infringements of Intellectual Property, other than in the ordinary course of its business.

(b) No Breach by Employees. The Company is not aware that any of its employees is obligated under any contract or other agreement, or subject to any judgment, decree or order of any court or administrative agency, that would materially interfere with the use of his or her efforts to promote the interests of the Company or that would conflict with the Company’s business as presently conducted. Neither the execution nor delivery of this Agreement, nor the carrying on of the Company’s business by the employees of the Company, nor the conduct of the Company’s business as presently conducted, will, to the Company’s knowledge, conflict with or result in a breach of the terms, conditions or provisions of, or constitute a default under, any contract, covenant or instrument under which any such employee is now obligated. The Company does not believe it is or will be necessary to use any inventions of any of its employees made prior to their employment by the Company of which it is aware.

4.21. No Shell Company. The Company is not, nor has it ever been, the type of “issuer” defined in Rule 144(i)(1) under the 1933 Act (a “**Shell Company**”). The Company acknowledges and agrees that (a) it is essential to the Buyer that the Buyer be able to sell Common Stock the Buyer receives under the Note or Warrant in reliance on Rule 144, (b) if the Company were or ever had been a Shell Company, any Common Stock received by the Buyer under the Note or Warrant could not be sold in reliance on Rule 144 (at least without satisfying additional conditions), and (c) Buyer is relying on the truth and accuracy of the Company’s representation in the foregoing sentence and the availability of Rule 144 with respect to Buyer’s selling of Common Stock in entering into this Agreement, purchasing the Note and receiving the Warrant.

4.22. Environmental Matters.

(a) No Violation. There are, to the Company's knowledge, with respect to the Company or any of its Subsidiaries or any predecessor of the Company, no past or present violations of Environmental Laws (as defined below), releases of any material into the environment, actions, activities, circumstances, conditions, events, incidents, or contractual obligations which may give rise to any common law environmental liability or any liability under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 or similar federal, state, local or foreign laws and neither the Company nor any of its Subsidiaries has received any notice with respect to any of the foregoing, nor is any action pending or, to the Company's knowledge, threatened in connection with any of the foregoing. The term "**Environmental Laws**" means all federal, state, local or foreign laws relating to pollution or protection of human health or the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata), including, without limitation, laws relating to emissions, discharges, releases or threatened releases of chemicals, pollutants contaminants, or toxic or hazardous substances or wastes (collectively, "**Hazardous Materials**") into the environment, or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials, as well as all authorizations, codes, decrees, demands or demand letters, injunctions, judgments, licenses, notices or notice letters, orders, permits, plans or regulations issued, entered, promulgated or approved thereunder.

(b) No Hazardous Materials. Other than those that are or were stored, used or disposed of in compliance with applicable law, no Hazardous Materials are contained on or about any real property currently owned, leased or used by the Company or any of its Subsidiaries, and no Hazardous Materials were released on or about any real property previously owned, leased or used by the Company or any of its Subsidiaries during the period the property was owned, leased or used by the Company or any of its Subsidiaries, except in the normal course of the Company's or any of its Subsidiaries' business.

(c) No Storage Tanks. There are no underground storage tanks on or under any real property owned, leased or used by the Company or any of its Subsidiaries that are not in compliance with applicable law.

5. CERTAIN COVENANTS AND ACKNOWLEDGMENTS.

5.1. Covenants and Acknowledgements of the Buyer.

(a) Transfer Restrictions. The Buyer acknowledges that (i) the Securities have not been and are not being registered under the provisions of the 1933 Act and, except as included in an effective Registration Statement, the Shares have not been and are not being registered under the 1933 Act, and may not be transferred unless (A) subsequently registered thereunder, or (B) the Buyer shall have delivered to the Company an opinion of counsel, reasonably satisfactory in form, scope and substance to the Company, to the effect that the Securities to be sold or transferred may be sold or transferred pursuant to an exemption from registration under the 1933 Act; (ii) any sale of the Securities made in reliance on Rule 144 may be made only in accordance with the terms of such Rule and further, if such Rule is not applicable, any resale of such Securities under circumstances in which the seller, or the Person through whom the sale is made, may be deemed to be an underwriter, as that term is used in the 1933 Act, may require compliance with some other exemption under the 1933 Act or the rules and regulations of the SEC thereunder; and (iii) except as otherwise provided herein, neither the Company nor any other Person is under any obligation to register the Securities under the 1933 Act or to comply with the terms and conditions of any exemption thereunder.

(b) Restrictive Legend. The Buyer acknowledges and agrees that, until such time as the relevant Securities have been registered under the 1933 Act, and may be sold in accordance with an effective Registration Statement, or until such Securities can otherwise be sold without restriction, whichever is earlier, the certificates and other instruments representing any of the Securities shall bear a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of any such Securities):

THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE SOLD OR OFFERED FOR SALE IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES OR AN OPINION OF COUNSEL IN FORM, SUBSTANCE AND SCOPE CUSTOMARY FOR OPINIONS OF COUNSEL IN COMPARABLE TRANSACTIONS OR OTHER EVIDENCE ACCEPTABLE TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED, OR UNLESS SOLD PURSUANT TO RULE 144 UNDER SAID ACT.

(c) Confession of Judgment. The Buyer agrees it will not file the Confession unless and until an Event of Default (as defined in the Note) has occurred; *provided, however*, that upon such an Event of Default, the Buyer shall be entitled to immediately file the Confession in an ex parte fashion.

5.2. Covenants, Acknowledgements and Agreements of the Company. As a condition to the Buyer's obligation to purchase the Securities contemplated by this Agreement, and as a material inducement for the Buyer to enter into this Agreement and the other Transaction Documents, until all of the Company's obligations hereunder and the Note are paid and performed in full and the Warrant is exercised in full (or otherwise expired), or within the timeframes otherwise specifically set forth below, the Company shall comply with the following covenants:

(a) Filings. From the date hereof until the date that is six (6) months after all the Conversion Shares and Warrant Shares either have been sold by the Buyer, or may permanently be sold by the Buyer without any restrictions pursuant to Rule 144 (the “**Registration Period**”), the Company shall timely make all filings required to be made by it under the 1933 Act, the 1934 Act, Rule 144 or any United States state securities laws and regulations thereof applicable to the Company or by the rules and regulations of the Principal Trading Market, and such filings shall conform to the requirements of applicable laws, regulations and government agencies, and, unless such filings are publicly available on the SEC’s EDGAR system (via the SEC’s web site at no additional charge), the Company shall provide a copy thereof to the Buyer promptly after such filings. Without limiting the foregoing, the Company agrees to file a Form D with respect to the Securities as required under Regulation D and to provide a copy thereof to the Buyer promptly after such filing. Additionally, within four (4) Trading Days following the date of this Agreement, the Company shall file a current report on Form 8-K describing the terms of the transactions contemplated by the Transaction Documents in the form required by the 1934 Act and approved by the Buyer and attaching the material Transaction Documents as exhibits to such filing. The Company shall further redact all confidential information from such Form 8-K. Additionally, the Company shall furnish to the Buyer, so long as the Buyer owns any Securities, promptly upon request, (i) a written statement by the Company that it has complied with the reporting requirements of Rule 144, the 1933 Act and the 1934 Act, (ii) a copy of the most recent annual or quarterly report of the Company, and (iii) such other information as may be reasonably requested to permit the Buyer to sell such Securities pursuant to Rule 144 without registration.

(b) Reporting Status. So long as the Buyer beneficially owns Securities and for at least twenty (20) Trading Days thereafter, the Company shall file all reports required to be filed with the SEC pursuant to Sections 13 or 15(d) of the 1934 Act, and shall take all reasonable action under its control to ensure that adequate current public information with respect to the Company, as required in accordance with Rule 144, is publicly available, and shall not terminate its status as an issuer required to file reports under the 1934 Act even if the 1934 Act or the rules and regulations thereunder would permit such termination.

(c) Listing. The Common Stock shall be listed or quoted for trading on any of (i) the NYSE Amex, (ii) the New York Stock Exchange, (iii) the Nasdaq Global Market, (iv) the Nasdaq Capital Market, (v) the OTC Bulletin Board, (vi) the OTCQX or (vii) the OTCQB. The Company shall promptly secure the listing of all of the Conversion Shares and Warrant Shares upon each national securities exchange and automated quotation system, if any, upon which the Common Stock is then listed (subject to official notice of issuance) and shall maintain such listing of all securities from time to time issuable under the terms of the Transaction Documents. The Company shall comply in all material respects with the Company’s reporting, filing and other obligations under the bylaws or rules of the Principal Trading Market and/or the Financial Industry Regulatory Authority, Inc. (“**FINRA**”) or any successor thereto, as the case may be, applicable to it at least through the date which is sixty (60) calendar days after the later of (I) the date on which the Note has been converted or paid in full, and (II) the date on which the Warrant has been exercised in full (or the date on which the Warrant has expired).

(d) Use of Proceeds. The Company shall use the net proceeds received hereunder for working capital and general corporate purposes only; *provided, however*, the Company will not use such proceeds to pay fees payable (i) to any broker or finder relating to the offer and sale of the Note and/or the Warrant, or (ii) to any other party relating to any financing transaction effected prior to the Closing Date.

(e) Publicity, Filings, Releases, Etc. Neither party shall disseminate any information relating to the Transaction Documents or the transactions contemplated thereby, including issuing any press releases, holding any press conferences or other forums, or filing any reports (collectively, “**Publicity**”), without giving the other party reasonable advance notice and an opportunity to comment on the contents thereof. Neither party will include in any such Publicity any statement or statements or other material to which the other party reasonably objects, unless in the reasonable opinion of counsel to the party proposing such statement, such statement is legally required to be included. In furtherance of the foregoing, the Company shall provide to the Buyer’s Counsel a draft of the first current report on Form 8-K or a quarterly or annual report on Form 10-Q or 10-K, as the case may be, intended to be made with the SEC which refers to the Transaction Documents or the transactions contemplated thereby as soon as practicable (but at least two (2) Trading Days before such filing will be made) and shall not include in such filing (or any other filing filed before then) any statement or statements or other material to which the Buyer reasonably objects, unless in the reasonable opinion of counsel to the Company such statement is legally required to be included. Notwithstanding the foregoing, each of the parties hereby consents to the inclusion of the text of the Transaction Documents in filings made with the SEC (but any descriptive text accompanying or part of such filing shall be subject to the other provisions of this subsection).

(f) FINRA Rule 5110. In the event that the Corporate Financing Rule 5110 of FINRA is or becomes applicable to the transactions contemplated by the Transaction Documents or to the sale by a Holder of any of the Securities, then the Company shall, to the extent required by such rule, timely make any filings and cooperate with any broker or selling stockholder in respect of any consents, authorizations or approvals that may be necessary for FINRA to timely and expeditiously permit the Holder to sell the Securities.

(g) Keeping of Records and Books of Account. The Company shall keep and cause each Subsidiary to keep adequate records and books of account, in which complete entries shall be made in accordance with GAAP consistently applied, reflecting all financial transactions of the Company and such Subsidiaries, and in which, for each fiscal year, all proper reserves for depreciation, depletion, obsolescence, amortization, taxes, bad debts and other purposes in connection with its business shall be made.

(h) Corporate Existence. The Company shall (i) do all things necessary to remain duly qualified and in good standing in each jurisdiction in which the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary; (ii) preserve and keep in full force and effect all licenses or similar qualifications required by it to engage in its business in all jurisdictions in which it is at the time so engaged; (iii) continue to engage in business of the same general type as conducted as of the date hereof; and (iv) continue to conduct its business substantially as now conducted or as otherwise permitted hereunder.

(i) Taxes. The Company shall pay and discharge promptly when due all taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits or in respect of its property before the same shall become delinquent or in default, which, if unpaid, might reasonably be expected to give rise to liens or charges upon such properties or any part thereof, unless, in each case, the validity or amount thereof is being contested in good faith by appropriate proceedings and the Company has maintained adequate reserves with respect thereto in accordance with GAAP.

(j) Compliance. The Company shall comply in all material respects with all federal, state and local laws and regulations, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations and requirements (collectively, “**Requirements**”) of all governmental bodies, insurers, departments, commissions, boards, courts, authorities, officials or officers which are applicable to the Company, its business, operations, or any of its properties, except where the failure to so comply would not have a Material Adverse Effect; *provided, however*, that nothing provided herein shall prevent the Company from contesting in good faith the validity or the application of any Requirements.

(k) Section 3(a)(9) and 3(a)(10) Right of Participation. Pursuant to the terms of this subsection, the Company hereby grants the Buyer a right of participation with respect to any transaction or arrangement structured, in whole or in part, in accordance with Section 3(a)(9) or Section 3(a)(10) of the 1933 Act (a “**Section 3(a)(9) or 3(a)(10) Transaction**”) that the Company proposes to enter into any time during the period beginning on the date hereof and ending on the later of (i) two (2) years after the date hereof and (ii) the date that all of the Company’s obligations hereunder and the Note are paid and performed in full and the Warrant is exercised in full (or otherwise expired) (the “**Restricted Period**”); *provided, however*, that the Buyer may only elect to participate in acquiring up to 50% of the principal balance of such Section 3(a)(9) or 3(a)(10) Transaction. The Company shall give written notice of any such proposed Section 3(a)(9) or 3(a)(10) Transaction to the Buyer (the “**Section 3(a)(9) or 3(a)(10) Notice**”), which Section 3(a)(9) or 3(a)(10) Notice shall identify the proposed parties and the terms of the proposed Section 3(a)(9) or 3(a)(10) Transaction. The Buyer shall then have a period of ten (10) calendar days from receipt of the Section 3(a)(9) or 3(a)(10) Notice to notify the Company whether the Buyer elects to exercise its right to participate in 50% of the proposed Section 3(a)(9) or 3(a)(10) Transaction upon the same terms as the proposed transaction. If the Buyer elects not to exercise its right to participate, the Company and the proposed parties shall have a period of sixty (60) calendar days to consummate the proposed Section 3(a)(9) or 3(a)(10) Transaction on the terms set forth in the Section 3(a)(9) or 3(a)(10) Notice. In such case, if the Section 3(a)(9) or 3(a)(10) Transaction is not consummated within such period or if the terms of the proposed Section 3(a)(9) or 3(a)(10) Transaction change from those set forth in the applicable Section 3(a)(9) or 3(a)(10) Notice, the Company shall again submit the Section 3(a)(9) or 3(a)(10) Transaction to the Buyer before consummating it so that Buyer may exercise its right to participate with respect thereto pursuant to this subsection. If the Buyer elects to exercise its right of participation with respect to any proposed Section 3(a)(9) or 3(a)(10) Transaction, the Company shall diligently proceed to consummate its portion of the Section 3(a)(9) or 3(a)(10) Transaction with the Buyer on the terms identified in the Section 3(a)(9) or 3(a)(10) Notice and within a timeframe reasonably acceptable to both the Buyer and the Company. The Company hereby covenants and agrees not to consent to or settle any such Section 3(a)(9) or 3(a)(10) Transaction without causing the third party seller of the Company’s debt to offer the right of participation to the Buyer as contemplated by this subsection.

(l) Litigation. From and after the date hereof and until all of the Company’s obligations hereunder and the Note are paid and performed in full and the Warrant is exercised in full (or otherwise expired), the Company shall notify the Buyer in writing, promptly upon learning thereof, of any litigation or administrative proceeding commenced or threatened against the Company involving a claim in excess of \$100,000.00.

(m) Performance of Obligations. The Company shall promptly and in a timely fashion perform and honor all demands, notices, requests and obligations that exist or may arise under the Transaction Documents.

(n) Failure to Make Timely Filings. The Company agrees that, if the Company fails to timely file on the SEC's EDGAR system any information required to be filed by it, whether on a Form 10-K, Form 10-Q, Form 8-K, Proxy Statement or otherwise so as to be deemed a "reporting issuer" with current public information under the 1934 Act, the Company shall be liable to pay to the Holder, in addition to any other available remedies in the Transaction Documents or at law or in equity, an amount based on the following schedule (where, for purposes of this subsection, "No. Trading Days Late" refers to each Trading Day after the latest due date for the relevant filing):

No. Trading Days Late	Late Filing Payment For Each \$10,000.00 of Outstanding Principal of the Note
1	\$100.00
2	\$200.00
3	\$300.00
4	\$400.00
5	\$500.00
6	\$600.00
7	\$700.00
8	\$800.00
9	\$900.00
10	\$1,000.00
>10	\$1,000.00 + \$200.00 for each Trading Day late beyond 10

The Company shall pay any payments incurred under this subsection in immediately available funds upon demand by the Holder; *provided, however*, that the Holder making the demand may specify that the payment shall be made in shares of Common Stock at the Conversion Price applicable to the date of such demand. If the payment is to be made in shares of Common Stock, such shares shall be considered Conversion Shares under the Note, with the "Delivery Date" for such shares being determined from the date of such demand. The demand for payment of such amount in shares of Common Stock shall be considered a "Conversion Notice" under the Note (but the delivery of such shares shall be in payment of the amount contemplated by this subsection and not in payment of any principal or interest on the Note).

(o) Share Reserve. In order to allow for, as of the relevant date of determination, the conversion of the entire Outstanding Balance into Common Stock and the delivery of Warrant Shares necessary for a complete exercise of the Warrant, the Company shall take all action necessary from time to time to reserve for the benefit of the Holder the number of authorized but unissued shares of Common Stock equal to the amount calculated as follows (such calculated amount is referred to as the “**Share Reserve**”): (i) two times the higher of (A) the Outstanding Balance divided by the Conversion Price, and (B) the Outstanding Balance divided by the Market Price, plus (ii) two times the number of Delivery Shares that would be required to be delivered to the Holder in order to effect a complete exercise of the Warrant pursuant to the terms thereof. If at any time the Share Reserve is less than required herein, the Company shall immediately increase the Share Reserve in an amount equal to no less than the deficiency. If the Company does not have sufficient authorized and unissued shares of Common Stock available to increase the Share Reserve, the Company shall call a special meeting of the stockholders as soon as practicable after such occurrence, but in no event later than thirty (30) calendar days after such occurrence, and hold such meeting as soon as practicable thereafter, but in no event later than sixty (60) calendar days after such occurrence, for the sole purpose of increasing the number of authorized shares of Common Stock. The Company’s management shall recommend to the Company’s stockholders to vote in favor of increasing the number of authorized shares of Common Stock. Management shall also vote all of its shares in favor of increasing the number of authorized shares of Common Stock. The Company shall use its best efforts to cause such additional shares of Common Stock to be authorized so as to comply with the requirements of this subsection. All calculations with respect to determining the Share Reserve shall be made without regard to any limitations on conversion of the Note or exercise of the Warrant.

(p) DWAC Eligibility. At all times during which any portion of the Note remains outstanding, or any portion of the Warrant remains unexercised, the Company shall cause all DWAC Eligible Conditions to be satisfied.

(q) Anti-Dilution Certification. For so long as any portion of the Note remains outstanding, the Company shall deliver to the Buyer on or before the 10th day of each month a certification in the form attached hereto as ANNEX XV whereby the Company shall notify the Buyer of a Dilutive Issuance (as defined in the Note) or any other event(s) that occurred during the previous month that triggers anti-dilution protection or other adjustments to the applicable Conversion Price or Exercise Price (each an “**Anti-Dilution Event**”), or, if no Anti-Dilution Event occurred, certifying to the Buyer that no Anti-Dilution Event occurred during the previous month.

(r) Change in Nature of Business. The Company shall not directly or indirectly engage in any material line of business substantially different from those lines of business conducted by or publicly contemplated to be conducted by the Company on the date of this Agreement or any business substantially related or incidental thereto. The Company shall not, and the Company shall cause each of its Subsidiaries to not, directly or indirectly, modify its or their corporate structure or purpose if such modification may have a material adverse effect on any rights of, or benefits to, the Holder under any of the Transaction Documents.

(s) Maintenance of Properties, Etc. The Company shall maintain and preserve, and cause each of its Subsidiaries to maintain and preserve, all of its properties which are necessary or useful in the proper conduct of its business, in good working order and condition, ordinary wear and tear excepted, and comply, and cause each of its Subsidiaries to comply, at all times with the provisions of all leases to which it is a party as lessee or under which it occupies property, so as to prevent any loss or forfeiture thereof or thereunder.

(t) Maintenance of Insurance. The Company shall maintain, and cause each of its Subsidiaries to maintain, insurance with responsible and reputable insurance companies or associations (including, without limitation, comprehensive general liability, hazard, rent and business interruption insurance) with respect to its properties (including all real properties leased or owned by it) and business, in such amounts and covering such risks as is required by any governmental authority having jurisdiction with respect thereto or as is carried generally in accordance with sound business practice by companies in similar businesses similarly situated.

(u) Restriction on Redemption. The Company shall not, directly or indirectly, redeem or repurchase its capital stock without the prior express written consent of the Holder.

(v) Restriction on Transfer of Assets. The Company shall not, and the Company shall cause each of its Subsidiaries to not, directly or indirectly, sell, lease, license, assign, transfer, convey or otherwise dispose of any assets or rights of the Company or any Subsidiary owned or hereafter acquired, whether in a single transaction or a series of related transactions, other than (i) sales, leases, licenses, assignments, transfers, conveyances and other dispositions of such assets or rights supported by fair market value consideration as determined in the reasonable discretion of the board of directors or the Chief Executive Officer of the Company or its Subsidiary, as the case may be, or (ii) sales of inventory in the ordinary course of business.

(w) Existence of Liens. The Company shall not, and the Company shall cause each of its Subsidiaries to not, directly or indirectly, allow, grant, or suffer to exist any mortgage, lien, pledge, charge, security interest, tax lien, judgment, or other encumbrance (collectively, "**Liens**"), upon the property or assets (including accounts and contract rights) owned by the Company or any of its Subsidiaries, other than Permitted Liens.

(x) Intellectual Property. The Company shall not, and the Company shall not permit any of its Subsidiaries, directly or indirectly, to encumber or allow any Liens on, any of its copyright rights, copyright applications, copyright registrations and like protections in each work of authorship and derivative work, whether published or unpublished, any patents, patent applications and like protections, including improvements, divisions, continuations, renewals, reissues, extensions, and continuations-in-part of the same, trademarks, service marks and, to the extent permitted under applicable law, any applications therefor, whether registered or not, and the goodwill of the business of the Company and its Subsidiaries connected with and symbolized thereby, know-how, operating manuals, trade secret rights, rights to unpatented inventions, and any claims for damage by way of any past, present, or future infringement of any of the foregoing, other than Permitted Liens.

(y) Transactions with Affiliates. The Company shall not, nor shall it permit any of its Subsidiaries to, enter into, renew, extend or be a party to, any transaction or series of related transactions (including, without limitation, the purchase, sale, lease, transfer or exchange of property or assets of any kind or the rendering of services of any kind) with any Affiliate, except in the ordinary course of business in a manner and to an extent consistent with past practice and necessary or desirable for the prudent operation of its business, for fair consideration and on terms no less favorable to it or its Subsidiaries than would be obtainable in a comparable arm's length transaction with a person that is not an Affiliate thereof.

(z) Certain Negative Covenants of the Company. From and after the date hereof and until all of the Company's obligations hereunder and the Note are paid and performed in full and the Warrant is exercised in full (or otherwise expired), the Company shall not:

(i) Transfer, assign, sell, pledge, hypothecate or otherwise alienate or encumber any of the Buyer Mortgage Notes in any way without the prior written consent of the Buyer.

(ii) Enter into any transaction, including, without limitation, any purchase, sale, lease or exchange of property or the rendering of any service, with any Affiliate of the Company, or amend or modify any agreement related to any of the foregoing, except on terms that are no less favorable, in any material respect, than those obtainable from any person or entity who is not an Affiliate of the Company.

(iii) So long as the Note is outstanding, the Company shall not, and the Company shall not permit any of its Subsidiaries to, directly or indirectly, pay cash dividends or distributions on any equity securities of the Company or of its Subsidiaries.

(aa) Piggyback Registrations. Until all of the Company's obligations hereunder and the Note are paid and performed in full and the Warrant is exercised in full (or otherwise expired), the Company shall notify the Buyer in writing at least fifteen (15) Trading Days prior to the filing of any Registration Statement for purposes of a public offering of securities of the Company (including, but not limited to, Registration Statements relating to secondary offerings of securities of the Company) and will afford the Buyer an opportunity to include in such Registration Statement all or part of the Shares it holds. If the Buyer desires to include in any such Registration Statement all or any part of the Shares held by it, the Buyer shall, within fifteen (15) Trading Days after the above-described notice from the Company, so notify the Company in writing. Such notice shall state the intended method of disposition of the Shares by the Buyer. In the event the Buyer desires to include less than all of its Shares in any Registration Statement it shall continue to have the right to include any Shares in any subsequent Registration Statement or Registration Statements as may be filed by the Company with respect to offerings of its securities, all upon the terms and conditions set forth herein.

(bb) Rule 144 Opinion. Either counsel to the Company has delivered to the Buyer an opinion letter, or the Company shall accept, in its reasonable discretion, an opinion letter prepared by legal counsel of Buyer's choosing (in either case, the "**Opinion Letter**"), stating that (i) the Company is not a shell company or the type of "issuer" defined in Rule 144(i)(1) under the 1933 Act (a "**Shell Company**"), (ii) the Company has never been a Shell Company, (iii) the Company is in compliance with all filing requirements under Rule 144 as of the date hereof, and (iv) the Shares may be sold by the Buyer without any restrictions pursuant to Rule 144, so long as the applicable holding period specified by Rule 144 is satisfied, and, as applicable, the Company shall give instructions to its Transfer Agent to issue shares of Common Stock upon conversion of the Note based upon or otherwise consistent with such Opinion Letter.

(cc) Transfer Agent Reserve. From and after the date hereof and until all of the Company's obligations hereunder and the Note are paid and performed in full and the Warrant is exercised in full (or otherwise expired):

(i) the Company shall at all times require its Transfer Agent to establish a reserve of shares of authorized but unissued Common Stock in an amount not less than the Share Reserve (the "**Transfer Agent Reserve**");

(ii) the Company shall require its Transfer Agent to hold the Transfer Agent Reserve for the exclusive benefit of the Holder and shall authorize the Transfer Agent to issue the shares of Common Stock held in the Transfer Agent Reserve to the Holder only (subject to subsection (iii) immediately below);

(iii) the Company shall cause the Transfer Agent to agree that when the Transfer Agent issues shares of Common Stock to the Holder pursuant to the Transaction Documents, the Transfer Agent will not issue such shares from the Transfer Agent Reserve, unless such issuance is pre-approved in writing by the Holder;

(iv) the Company shall cause the Transfer Agent to agree that it will not reduce the Transfer Agent Reserve under any circumstances, unless such reduction is pre-approved in writing by the Holder;

(v) no less frequently than at the end of each calendar quarter, the Company shall recalculate the Transfer Agent Reserve as of such time (each a "**Transfer Agent Reserve Calculation**"), and if additional shares of Common Stock are required to be added to the Transfer Agent Reserve pursuant to subsection (i) immediately above, the Company shall immediately give written instructions to the Transfer Agent to cause the Transfer Agent to set aside and increase the Transfer Agent Reserve by the necessary number of shares of Common Stock; and

(vi) no less frequently than quarterly, the Company shall certify in writing to the Holder (A) the correctness of the Company's Transfer Agent Reserve Calculation and (B) that either (1) the Company has instructed the Transfer Agent to increase the Transfer Agent Reserve in accordance with the terms hereof, or (2) there was no need to increase the Transfer Agent Reserve, in either case consistent with the Transfer Agent Reserve Calculation.

For the avoidance of any doubt, the requirements of this Section 5.2 are material to this Agreement and any violation or breach thereof by the Company shall constitute a default under this Agreement.

6. TRANSFER AGENT.

6.1. Instructions. The Company covenants that, with respect to the Securities, other than the stop transfer instructions to give effect to Section 5.1(a) hereof, the Company will give the Transfer Agent no instructions inconsistent with the Transfer Agent Letter. Except as required by Sections 5.1(a) and 5.1(b) of this Agreement and the Transfer Agent Letter, the Shares shall otherwise be freely transferable on the books and records of the Company as and to the extent provided in this Agreement and the other Transaction Documents. Nothing in this subsection shall affect in any way the Buyer's obligations and agreement to comply with all applicable securities laws upon resale of the Securities. If the Buyer provides the Company with an opinion of counsel reasonably satisfactory to the Company that registration of a resale by the Buyer of any of the Securities in accordance with clause (i)(B) of Section 5.1(a) of this Agreement is not required under the 1933 Act or upon request from a Holder while an applicable Registration Statement is effective, the Company shall (except as provided in clause (ii) of Section 5.1(a) of this Agreement) permit the transfer of the Securities and, in the case of the Conversion Shares or the Warrant Shares, as may be applicable, use its best efforts to cause the Transfer Agent to promptly deliver to the Holder or the Holder's broker, as applicable, such Conversion Shares or Warrant Shares by way of the DWAC system.

6.2. DWAC Eligible. The Company specifically covenants that, as of the Closing Date, all DWAC Eligible Conditions are satisfied. The Company shall notify the Buyer in writing if the Company at any time while the Holder holds Securities becomes aware of any plans of the Transfer Agent to voluntarily or involuntarily terminate its participation in the DTC/FAST Program. While Holder holds Securities, the Company shall at all times after the Closing Date maintain a transfer agent which participates in the DTC/FAST Program, and the Company shall not appoint any transfer agent which does not participate in the DTC/FAST Program. Nevertheless, if at any time the Company receives a Conversion Notice or Notice of Exercise and all DWAC Eligible Conditions are not then satisfied (including without limitation because the Transfer Agent is not then participating in the DTC/FAST Program or the Conversion Shares or Warrant Shares are not otherwise transferable via the DWAC system), then the Company shall instruct the Transfer Agent to immediately issue one or more certificates for Common Stock without legend in such name and in such denominations as specified by the Holder and consistent with the terms and conditions of the Transaction Documents.

6.3. Transfer Fees. The Company shall assume any fees or charges of the Transfer Agent or Company Counsel regarding (a) the removal of a legend or stop transfer instructions with respect to the Securities, and (b) the issuance of certificates or DWAC registration to or in the name of the Holder or the Holder's designee or to a transferee as contemplated by an effective Registration Statement.

7. DELIVERY OF SHARES.

7.1. Delay in Issuing Shares. The Company understands that a delay in the delivery of Conversion Shares, whether on conversion of all or any portion of the Note and/or in payment of accrued interest, or a delay in the delivery of Warrant Shares, whether on exercise of all or any portion of the Warrant, beyond the relevant Delivery Date could result in economic loss to the Holder. As compensation to the Holder for such loss, in addition to any other available remedies in the Transaction Documents or at law or in equity, the Company shall pay late payments to the Holder for late delivery of the Conversion Shares or Warrant Shares in accordance with the following schedule (where, for purposes of this subsection, “**No. Trading Days Late**” is defined as the number of Trading Days beyond three (3) Trading Days after the applicable Delivery Date):

No. Trading Days Late	Late Payment for Each \$10,000.00 of Principal or Interest Being Converted under the Note or Aggregate Exercise Price under the Warrant
1	\$100.00
2	\$200.00
3	\$300.00
4	\$400.00
5	\$500.00
6	\$600.00
7	\$700.00
8	\$800.00
9	\$900.00
10	\$1,000.00
>10	\$1,000.00 + \$200.00 for each Trading Day Late beyond 10

As elected by the Holder, the amount of any payments incurred under this Section 7.1 shall either be automatically added to the principal balance of the Note (without the need to provide any notice to the Company) or otherwise paid by the Company in immediately available funds upon demand. Nothing herein shall limit the Holder’s right to pursue additional damages for the Company’s failure to issue and deliver the Conversion Shares or Warrant Shares, as applicable, to the Holder within a reasonable time. The Company acknowledges that if the Company fails to effect delivery of the Conversion Shares or the Warrant Shares as and when required, the Holder may revoke the Conversion Notice or Notice of Exercise pursuant to the terms set forth in the Note or Warrant, as applicable. Notwithstanding any such revocation, the charges described in this Section 7.1 which have accrued through the date of such revocation shall remain due and owing to the Holder.

7.2. Bankruptcy. The Holder of the Note shall be entitled to exercise the Holder’s conversion privilege with respect to such Note, and exercise privilege with respect to the Warrant, notwithstanding the commencement of any case under 11 U.S.C. §101 et seq. (the “**Bankruptcy Code**”). In the event the Company is a debtor under the Bankruptcy Code, the Company hereby waives, to the fullest extent permitted, any rights to relief it may have under 11 U.S.C. §362 in respect of such Holder’s exercise privileges. The Company hereby waives, to the fullest extent permitted, any rights to relief it may have under 11 U.S.C. §362 in respect of the conversion of the Note or exercise of the Warrant. The Company agrees, without cost or expense to such Holder, to take or to consent to any and all action necessary to effectuate relief under 11 U.S.C. §362.

8. CLOSING DATE.

8.1. The Closing Date shall occur on the date which is the first Trading Day after each of the conditions contemplated by Sections 9 and 10 hereof shall have either been satisfied or been waived by the party in whose favor such conditions run.

8.2. Closing of the purchase and sale of the Securities, which the parties anticipate shall occur concurrently with the execution of this Agreement, shall occur at the offices of the Buyer and shall take place no later than 3:00 P.M., Eastern Time, or on such day or such other time as is mutually agreed upon by the Company and the Buyer.

9. CONDITIONS TO THE COMPANY'S OBLIGATION TO SELL. The Company's obligation to sell the Securities to the Buyer pursuant to this Agreement on the Closing Date is conditioned upon and subject to the fulfillment, on or prior to the Closing Date, of all of the following conditions, any of which may be waived in whole or in part by the Company:

9.1. The execution and delivery of this Agreement and, as applicable, the other Transaction Documents by the Buyer, including without limitation, the original fully executed Buyer Mortgage Notes.

9.2. Delivery by the Buyer of good funds as payment in full of an amount equal to the Initial Cash Purchase Price in accordance with this Agreement.

9.3. The accuracy on the Closing Date of the representations and warranties of the Buyer contained in this Agreement, each as if made on such date, and the performance by the Buyer on or before such date of all covenants and agreements of the Buyer required to be performed on or before such date.

9.4. There shall not be in effect any law, rule or regulation prohibiting or restricting the transactions contemplated hereby, or requiring any consent or approval which shall not have been obtained.

10. CONDITIONS TO THE BUYER'S OBLIGATION TO PURCHASE. The Buyer's obligation to purchase the Securities from the Company pursuant to this Agreement on the Closing Date is conditioned upon and subject to the fulfillment, on or prior to the Closing Date, of all of the following conditions, any of which may be waived in whole or in part by the Buyer:

10.1. The execution and delivery of this Agreement, the Security Agreement, the Release, the Escrow Agreement, the Confession, the Transfer Agent Letter, the Secretary's Certificate, and, as applicable, the other Transaction Documents by the Company.

10.2. The delivery by the Company to the Buyer of the Note and the Warrant, each in original form, duly executed by the Company, in accordance with this Agreement.

10.3. On the Closing Date, each of the Transaction Documents executed by the Company on or before such date shall be in full force and effect and the Company shall not be in default thereunder.

10.4. The Company shall have authorized and reserved for the purpose of issuance under the Transaction Documents shares of Common Stock in an amount no less than the Share Reserve as of the Closing Date.

10.5. The accuracy in all material respects on the Closing Date of the representations and warranties of the Company contained in this Agreement and the other Transaction Documents, each as if made on such date, and the performance by the Company on or before such date of all covenants and agreements of the Company required to be performed on or before such date.

10.6. There shall not be in effect any law, rule or regulation prohibiting or restricting the transactions contemplated hereby, or requiring any consent or approval which shall not have been obtained.

10.7. From and after the date hereof up to and including the Closing Date, each of the following conditions will remain in effect: (a) the trading of the Common Stock shall not have been suspended by the SEC or on the Principal Trading Market; (b) trading in securities generally on the Principal Trading Market shall not have been suspended or limited; (c) no minimum prices shall be established for securities traded on the Principal Trading Market; (d) there shall not have been any material adverse change in any financial market; and (e) there shall not have occurred any Material Adverse Effect.

10.8. Except for any notices required or permitted to be filed after the Closing Date with certain federal and state securities commissions, the Company shall have obtained (a) all governmental approvals required in connection with the lawful sale and issuance of the Securities, and (b) all third party approvals required to be obtained by the Company in connection with the execution and delivery of the Transaction Documents by the Company or the performance of the Company's obligations thereunder.

10.9. All corporate and other proceedings in connection with the transactions contemplated at the Closing and all documents and instruments incident to such transactions shall be reasonably satisfactory in substance and form to the Buyer.

11. INDEMNIFICATION.

11.1. The Company agrees to defend, indemnify and forever hold harmless the Buyer and the Buyer's stockholders, directors, officers, managers, members, partners, Affiliates, employees, attorneys, and agents, and each Buyer Control Person (collectively, the "**Buyer Parties**") from and against any losses, claims, damages, liabilities or expenses incurred (collectively, "**Damages**"), joint or several, and any action in respect thereof to which the Buyer or any of the other Buyer Parties becomes subject, resulting from, arising out of or relating to any misrepresentation, breach of warranty or nonfulfillment of or failure to perform any covenant or agreement on the part of the Company contained in this Agreement or any of the other Transaction Documents, as such Damages are incurred. The Buyer Parties with the right to be indemnified under this subsection (the "**Indemnified Parties**") shall have the right to defend any such action or proceeding with attorneys of their own selection, and the Company shall be solely responsible for all costs and expenses related thereto. If the Indemnified Parties opt not to retain their own counsel, the Company shall defend any such action or proceeding with attorneys of its choosing at its sole cost and expense, provided that such attorneys have been pre-approved by the Indemnified Parties, which approval shall not be unreasonably withheld, and provided further that the Company may not settle any such action or proceeding without first obtaining the written consent of the Indemnified Parties.

11.2. The indemnity contained in this Agreement shall be in addition to (a) any cause of action or similar rights of the Buyer Parties against the Company or others, and (b) any other liabilities the Company may be subject to.

12. SPECIFIC PERFORMANCE. The Company and the Buyer acknowledge and agree that irreparable damage would occur in the event that any provision of this Agreement or any of the other Transaction Documents were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that the parties (including any Holder) shall be entitled to an injunction or injunctions, without the necessity to post a bond (except as specified below), to prevent or cure breaches of the provisions of this Agreement or any of the other Transaction Documents and to enforce specifically the terms and provisions hereof or thereof, this being in addition to any other remedy to which any of them may be entitled by law or equity; *provided, however*, that the Company, upon receipt of a Conversion Notice concerning a Conversion Eligible Tranche (as defined in the Note) or a Notice of Exercise, (a) may not fail or refuse to deliver shares or certificates representing shares of Common Stock in accordance with the terms and conditions of the Transaction Documents, or (b) if there is a claim for a breach by the Company of any other provision of this Agreement or any of the other Transaction Documents, the Company shall not raise as a legal defense to performance any claim that the Holder or anyone associated or affiliated with the Holder has violated any provision hereof or any of the other Transaction Documents or has engaged in any violation of law or any other claim or defense, in either case unless the Company has first posted a bond for one hundred fifty percent (150%) of the principal amount and, if relevant, then obtained a court order specifically directing it not to deliver such shares or certificates to the Holder. The proceeds of such bond shall be payable to the Holder to the extent that the Holder obtains judgment or the Holder's defense is recognized. Such bond shall remain in effect until the completion of the relevant proceeding and, if the Holder appeals therefrom, until all such appeals are exhausted. This provision is deemed incorporated by reference into each of the Transaction Documents as if set forth therein in full.

13. OWNERSHIP LIMITATION. If at any time after the Closing, the Buyer shall or would receive shares of Common Stock in payment of interest or principal under the Note or upon conversion of the Note or exercise of the Warrant, so that the Buyer would, together with other shares of Common Stock held by it or its Affiliates, hold by virtue of such action or receipt of additional shares of Common Stock a number of shares exceeding the Maximum Percentage (as defined in the Note), the Company shall not be obligated and shall not issue to the Buyer shares of Common Stock which would exceed the Maximum Percentage, but only until such time as the Maximum Percentage would no longer be exceeded by any such receipt of shares of Common Stock by the Buyer. The foregoing limitations regarding the Maximum Percentage are enforceable, unconditional and non-waivable and shall apply to all Affiliates and assigns of the Buyer. Additionally, if at any time after the Closing the Market Capitalization of the Common Stock (as defined in the Note) falls below \$3,000,000, then from that point on, for so long as the Buyer or the Buyer's Affiliate owns Common Stock or rights to acquire Common Stock, the Company shall post (or cause to be posted), no less frequently than every thirty (30) calendar days, the then-current number of issued and outstanding shares of its capital stock to the Company's web page located at OTCmarkets.com (or such other web page approved by the Holder). The Company understands that its failure to so post its shares outstanding could result in economic loss to the Holder. As compensation to the Holder for such loss, in addition to any other available remedies in the Transaction Documents or at law or in equity, the Company shall pay the Holder a late fee of \$500.00 per calendar day for each calendar day that the Company fails to comply with the foregoing obligation to post its shares outstanding. As elected by the Holder, the amount of any late fees incurred under this Section 13 shall either be automatically added to the principal balance of the Note (without the need to provide any notice to the Company) or otherwise paid by the Company in immediately available funds upon demand.

14. RESTRICTIONS ON ISSUANCE OF COMPANY SECURITIES.

14.1. Buyer's Consent Required with Respect to Secured Transactions. From and after the date hereof and until all of the Company's obligations hereunder and the Note are paid and performed in full and the Warrant is exercised in full (or otherwise expired), the Company shall not enter into any secured line of credit or secured financing arrangement or other transaction that is secured by assets of the Company, without the prior written consent of the Buyer, which consent may be withheld at the sole discretion of the Buyer.

15. MISCELLANEOUS.

15.1. Governing Law; Venue. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Utah for contracts to be wholly performed in such state and without giving effect to the principles thereof regarding the conflict of laws. Each party hereto hereby (a) consents to and expressly submits to the exclusive personal jurisdiction of any state or federal court sitting in Salt Lake County, Utah in connection with any dispute or proceeding arising out of or relating to this Agreement, (b) agrees that all claims in respect of any such dispute or proceeding may only be heard and determined in any such court, (c) expressly submits to the venue of any such court for the purposes hereof, and (d) waives any claim of improper venue and any claim or objection that such courts are an inconvenient forum or any other claim or objection to the bringing of any such proceeding in such jurisdictions or to any claim that such venue of the suit, action or proceeding is improper. Each party hereto hereby irrevocably consents to the service of process of any of the aforementioned courts in any such proceeding by the mailing of copies thereof by reputable overnight courier (e.g., FedEx) or certified mail, postage prepaid, to such party's address as set forth herein, such service to become effective ten (10) calendar days after such mailing.

15.2. Successors and Assigns; Third Party Beneficiaries. This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of the parties hereto. Except as otherwise expressly provided herein, no Person other than the parties hereto and their successors and permitted assigns is intended to be a beneficiary of this Agreement.

15.3. Pronouns. All pronouns and any variations thereof in this Agreement refer to the masculine, feminine or neuter, singular or plural, as the context may permit or require.

15.4. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one instrument. The parties hereto confirm that any electronic copy of another party's executed counterpart of this Agreement (or such party's signature page thereof) will be deemed to be an executed original thereof.

15.5. Headings. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement.

15.6. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such provision shall be modified to achieve the objective of the parties to the fullest extent permitted and such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement or the validity or enforceability of this Agreement in any other jurisdiction.

15.7. Entire Agreement. This Agreement, together with the other Transaction Documents, constitutes and contains the entire agreement and understanding between the parties hereto, and supersedes all prior oral or written agreements and understandings between Buyer, Company, their Affiliates and Persons acting on their behalf with respect to the matters discussed herein and therein, and, except as specifically set forth herein or therein, neither Company nor Buyer makes any representation, warranty, covenant or undertaking with respect to such matters.

15.8. Amendment. Any amendment, supplement or modification of or to any provision of this Agreement, shall be effective only if it is made or given by an instrument in writing (excluding any email message) and signed by Company and Buyer.

15.9. No Waiver. No forbearance, failure or delay on the part of a party hereto in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. Any waiver of any provision of this Agreement shall be effective (a) only if it is made or given in writing (including an email message) and (b) only in the specific instance and for the specific purpose for which made or given.

15.10. Currency. All dollar amounts referred to or contemplated by this Agreement or any other Transaction Documents shall be deemed to refer to US Dollars, unless otherwise explicitly stated to the contrary.

15.11. Assignment. Notwithstanding anything to the contrary herein, the rights, interests or obligations of the Company hereunder may not be assigned, by operation of law or otherwise, in whole or in part, by the Company without the prior written consent of the Buyer, which consent may be withheld at the sole discretion of the Buyer; *provided, however*, that in the case of a merger, sale of substantially all of the Company's assets or other corporate reorganization, the Buyer shall not unreasonably withhold, condition or delay such consent. This Agreement or any of the severable rights and obligations inuring to the benefit of or to be performed by Buyer hereunder may be assigned by Buyer to a third party, including the Buyer's financing sources, in whole or in part, without the need to obtain the Company's consent thereto.

15.12. Advice of Counsel. In connection with the preparation of this Agreement and all other Transaction Documents, the Company, for itself and on behalf of its stockholders, officers, agents, and representatives acknowledges and agrees that Buyer's Counsel prepared initial drafts of this Agreement and all of the other Transaction Documents and acted as legal counsel to the Buyer only. The Company, for itself and on behalf of its stockholders, officers, agents, and representatives, (a) hereby acknowledges that he/she/it has been, and hereby is, advised to seek legal counsel and to review this Agreement and all of the other Transaction Documents with legal counsel of his/her/its choice, and (b) either has sought such legal counsel or hereby waives the right to do so.

15.13. No Strict Construction. The language used in this Agreement is the language chosen mutually by the parties hereto and no doctrine of construction shall be applied for or against any party.

15.14. Attorney's Fees. In the event of any action at law or in equity to enforce or interpret the terms of this Agreement or any of the other Transaction Documents, the parties agree that the party who is awarded the most money shall be deemed the prevailing party for all purposes and shall therefore be entitled to an additional award of the full amount of the attorneys' fees and expenses paid by such prevailing party in connection with the litigation and/or dispute without reduction or apportionment based upon the individual claims or defenses giving rise to the fees and expenses. Nothing herein shall restrict or impair a court's power to award fees and expenses for frivolous or bad faith pleading.

15.15. Waiver of Jury Trial. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES ANY AND ALL RIGHTS SUCH PARTY MAY HAVE TO DEMAND THAT ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT OR THE RELATIONSHIPS OF THE PARTIES HERETO BE TRIED BY JURY. THIS WAIVER EXTENDS TO ANY AND ALL RIGHTS TO DEMAND A TRIAL BY JURY ARISING UNDER COMMON LAW OR ANY APPLICABLE STATUTE, LAW, RULE OR REGULATION. FURTHER, EACH PARTY HERETO ACKNOWLEDGES THAT SUCH PARTY IS KNOWINGLY AND VOLUNTARILY WAIVING SUCH PARTY'S RIGHT TO DEMAND TRIAL BY JURY.

15.16. Rights and Remedies Cumulative. All rights, remedies, and powers conferred in this Agreement and the Transaction Documents are cumulative and not exclusive of any other rights or remedies, and shall be in addition to every other right, power, and remedy that Buyer may have, whether specifically granted in this Agreement or any other Transaction Document, or existing at law, in equity, or by statute; and any and all such rights and remedies may be exercised from time to time and as often and in such order as the Buyer may deem expedient.

15.17. Further Assurances. Each party shall do and perform or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

15.18. Notices. Any notice required or permitted hereunder shall be given in writing (unless otherwise specified herein) and shall be deemed effectively given on the earliest of:

Upon such a default of this Agreement by the Company, the Buyer shall have all those rights and remedies available at law or in equity, including without limitation those remedies set forth in the Note.

15.20. Expenses. Except as provided in Section 15.14, and except for the Transaction Expense Amount required to be paid by the Company to the Buyer pursuant to Section 2.3, the Company and the Buyer shall be responsible for paying such party's own fees and expenses (including legal expenses) incurred in connection with the preparation and negotiation of this Agreement and the other Transaction Documents and the closing of the transactions contemplated hereby and thereby.

15.21. Replacement of the Note. Subject to any restrictions on or conditions to transfer set forth in the Note, the Holder of the Note, at such Holder's option, may in person or by duly authorized attorney surrender the same for exchange at the Company's principal corporate office, and promptly thereafter and at the Company's expense, except as provided below, receive in exchange therefor one or more new secured convertible promissory note(s), each in the principal amount requested by such Holder, dated the date to which interest shall have been paid on the Note so surrendered or, if no interest shall have yet been so paid, dated the date of the Note so surrendered and registered in the name of such person or persons as shall have been designated in writing by such Holder or such Holder's attorney for the same principal amount as the then unpaid principal amount of the Note so surrendered. As applicable, upon receipt by the Company of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of the Note and (a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it; or (b) in the case of mutilation, upon surrender thereof, the Company, at its expense, will execute and deliver in lieu thereof a new secured convertible promissory note executed in the same manner as the Note being replaced, in the same principal amount as the unpaid principal amount of such Note and dated the date to which interest shall have been paid on the Note or, if no interest shall have yet been so paid, dated the date of the Note.

16. SURVIVAL OF COVENANTS, REPRESENTATIONS AND WARRANTIES. THE COMPANY'S AND THE BUYER'S COVENANTS, AGREEMENTS, REPRESENTATIONS AND WARRANTIES CONTAINED HEREIN SHALL SURVIVE THE EXECUTION AND DELIVERY OF THIS AGREEMENT AND THE OTHER TRANSACTION DOCUMENTS AND THE CLOSING HEREUNDER FOR THE MAXIMUM TIME ALLOWED BY APPLICABLE LAW, AND SHALL INURE TO THE BENEFIT OF THE BUYER AND THE COMPANY AND THEIR RESPECTIVE SUCCESSORS AND PERMITTED ASSIGNS.

## FORM OF SECURITY AGREEMENT

THIS SECURITY AGREEMENT (this "**Security Agreement**"), dated as of December 13, 2012, is executed by Advaxis, Inc., a Delaware corporation ("**Debtor**"), in favor of Tonaquint, Inc., a Utah corporation ("**Secured Party**").

NOW, THEREFORE, in consideration of the above recitals and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Debtor hereby agrees with Secured Party as follows:

“**UCC**” means the Uniform Commercial Code as in effect in the State of Delaware from time to time.

Unless otherwise defined herein, all terms defined in the UCC have the respective meanings given to those terms in the UCC.

2. Grant of Security Interest. As security for the Obligations, Debtor hereby pledges to Secured Party and grants to Secured Party a security interest in all right, title, interest, claims and demands of Debtor in and to the property described in Schedule A hereto, and all replacements, proceeds, products, and accessions thereof (collectively, the “**Collateral**”).

3. Authorization to File Financing Statements. Debtor hereby irrevocably authorizes Secured Party at any time and from time to time to file in any filing office in any Uniform Commercial Code jurisdiction or other jurisdiction of Debtor or its subsidiaries (including without limitation Delaware and New Jersey) any financing statements or documents having a similar effect and amendments thereto that provide any other information required by the Uniform Commercial Code (or similar law of any non-United States jurisdiction, if applicable) of such state or jurisdiction for the sufficiency or filing office acceptance of any financing statement or amendment, including whether Debtor is an organization, the type of organization and any organization identification number issued to Debtor. Debtor agrees to furnish any such information to Secured Party promptly upon Secured Party’s request.

4. General Representations and Warranties. Debtor represents and warrants to Secured Party that (a) Debtor is the owner of the Collateral and that no other person has any right, title, claim or interest (by way of Lien or otherwise) in, against or to the Collateral, other than Permitted Liens, and (b) upon the filing of UCC-1 financing statements with the Delaware Secretary of State, Secured Party shall have a perfected first-position security interest in the Collateral to the extent that a security interest in the Collateral can be perfected by such filing, except for Permitted Liens.

5. Additional Covenants. Debtor hereby agrees:

5.1. to perform all acts that may be necessary to maintain, preserve, protect and perfect in the Collateral, the Lien granted to Secured Party therein, and the perfection and priority of such Lien, except for Permitted Liens;

5.2. to procure, execute (including endorse, as applicable), and deliver from time to time any endorsements, assignments, financing statements, certificates of title, and all other instruments, documents and/or writings reasonably deemed necessary or appropriate by Secured Party to perfect, maintain and protect Secured Party's Lien hereunder and the priority thereof;

5.3. to provide at least fifteen (15) days prior written notice to Secured Party of any of the following events: (a) any changes or alterations of Debtor's name, (b) any changes with respect to Debtor's address or principal place of business, or (c) the formation of any subsidiaries of Debtor;

5.4. upon the occurrence of an Event of Default (as defined in the Note) under the Note and, thereafter, at Secured Party's request, to endorse (up to the outstanding amount under such promissory notes at the time of Secured Party's request), assign and deliver any promissory notes included in the Collateral to Secured Party, accompanied by such instruments of transfer or assignment duly executed in blank as Secured Party may from time to time specify;

5.5. to the extent the Collateral is not delivered to Secured Party pursuant to this Security Agreement, to keep the Collateral at the principal office of Debtor, and not to relocate the Collateral to any other locations without providing at least thirty (30) days prior written notice to Secured Party;

5.6. not to sell or otherwise dispose, or offer to sell or otherwise dispose, of the Collateral or any interest therein (other than inventory in the ordinary course of business); and

5.7. not to, directly or indirectly, allow, grant or suffer to exist any Lien upon any of the Collateral, other than Permitted Liens.

6. Authorized Action by Secured Party. Debtor hereby irrevocably appoints Secured Party as its attorney-in-fact (which appointment is coupled with an interest) and agrees that Secured Party may perform (but Secured Party shall not be obligated to and shall incur no liability to Debtor or any third party for failure so to do) any act which Debtor is obligated by this Security Agreement to perform, and to exercise such rights and powers as Debtor might exercise with respect to the Collateral, including the right to (a) collect by legal proceedings or otherwise and endorse, receive and receipt for all dividends, interest, payments, proceeds and other sums and property now or hereafter payable on or on account of the Collateral; (b) enter into any extension, reorganization, deposit, merger, consolidation or other agreement pertaining to, or deposit, surrender, accept, hold or apply other property in exchange for the Collateral; (c) make any compromise or settlement, and take any action Secured Party deems advisable, with respect to the Collateral, including without limitation bringing suit in Secured Party's own name to enforce any Intellectual Property; (d) endorse Debtor's name on all applications, documents, papers and instruments necessary or desirable for Secured Party in the use of any Intellectual Property; (e) grant or issue any exclusive or non-exclusive license under any Intellectual Property to any person or entity; (f) assign, pledge, sell, convey or otherwise transfer title in or dispose of any Intellectual Property to any person or entity; (g) cause the Commissioner of Patents and Trademarks, United States Patent and Trademark Office (or as appropriate, such equivalent agency in foreign countries) to issue any and all patents and related rights and applications to Secured Party as the assignee of Debtor's entire interest therein; (h) file a copy of this Security Agreement with any governmental agency, body or authority, including without limitation the United States Patent and Trademark Office and, if applicable, the United States Copyright Office or Library of Congress, at the sole cost and expense of Debtor; (i) insure, process and preserve the Collateral; (j) pay any indebtedness of Debtor relating to the Collateral; (k) execute and file UCC financing statements and other documents, certificates, instruments and agreements with respect to the Collateral or as otherwise required or permitted hereunder; and (l) take any and all appropriate action and execute any and all documents and instruments that may be necessary or useful to accomplish the purposes of this Security Agreement; *provided, however,* that Secured Party shall not exercise any such powers granted pursuant to clauses (a) through (g) above prior to the occurrence of an Event of Default and shall only exercise such powers during the continuance of an Event of Default. The powers conferred on Secured Party under this Section 6 are solely to protect its interests in the Collateral and shall not impose any duty upon it to exercise any such powers. Secured Party shall be accountable only for the amounts that it actually receives as a result of the exercise of such powers, and neither Secured Party nor any of its stockholders, directors, officers, managers, employees or agents shall be responsible to Debtor for any act or failure to act, except with respect to Secured Party's own gross negligence or willful misconduct. Nothing in this Section 6 shall be deemed an authorization for Debtor to take any action that it is otherwise expressly prohibited from undertaking by way of other provision of this Agreement.

7. Default and Remedies.

7.1. Default. Debtor shall be deemed in default under this Security Agreement upon the occurrence of an Event of Default (as defined in the Note).

7.2. Remedies. Upon the occurrence of any such Event of Default, Secured Party shall have the rights of a secured creditor under the UCC, all rights granted by this Security Agreement and by law, including, without limiting the foregoing, (a) the right to require Debtor to assemble the Collateral and make it available to Secured Party at a place to be designated by Secured Party, and (b) the right to take possession of the Collateral, and for that purpose Secured Party may enter upon premises on which the Collateral may be situated and remove the Collateral therefrom. Debtor hereby agrees that fifteen (15) days' notice of a public sale of any Collateral or notice of the date after which a private sale of any Collateral may take place is reasonable. In addition, Debtor waives any and all rights that it may have to a judicial hearing in advance of the enforcement of any of Secured Party's rights and remedies hereunder, including, without limitation, Secured Party's right following an Event of Default to take immediate possession of Collateral and to exercise Secured Party's rights and remedies with respect thereto. Secured Party may also have a receiver appointed to take charge of all or any portion of the Collateral and to exercise all rights of Secured Party under this Security Agreement. Secured Party may exercise any of its rights under this Section 7.2 without demand or notice of any kind. The remedies in this Security Agreement, including without limitation this Section 7.2, are in addition to, not in limitation of, any other right, power, privilege, or remedy, either in law, in equity, or otherwise, to which Secured Party may be entitled. No failure or delay on the part of Secured party in exercising any right, power, or remedy will operate as a waiver thereof, nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right hereunder. All of Secured Party's rights and remedies, whether evidenced by this Security Agreement or by any other agreement, instrument or document shall be cumulative and may be exercised singularly or concurrently.

7.3. Standards for Exercising Rights and Remedies. To the extent that applicable law imposes duties on Secured Party to exercise remedies in a commercially reasonable manner, Debtor acknowledges and agrees that it is not commercially unreasonable for Secured Party (a) to fail to incur expenses reasonably deemed significant by Secured Party to prepare Collateral for disposition, (b) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (c) to fail to exercise collection remedies against account debtors or other persons obligated on Collateral or to fail to remove liens or encumbrances on or any adverse claims against Collateral, (d) to exercise collection remedies against account debtors and other persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (e) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (f) to contact other persons, whether or not in the same business as Debtor, for expressions of interest in acquiring all or any portion of the Collateral, (g) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature, (h) to dispose of Collateral by utilizing Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets, (i) to dispose of assets in wholesale rather than retail markets, (j) to disclaim disposition warranties, (k) to purchase insurance or credit enhancements to insure Secured Party against risks of loss, collection or disposition of Collateral or to provide to Secured Party a guaranteed return from the collection or disposition of Collateral, or (l) to the extent deemed appropriate by Secured Party, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist Secured Party in the collection or disposition of any of the Collateral. Debtor acknowledges that the purpose of this Section is to provide non-exhaustive indications of what actions or omissions by Secured Party would fulfill Secured Party's duties under the UCC in Secured Party's exercise of remedies against the Collateral and that other actions or omissions by Secured Party shall not be deemed to fail to fulfill such duties solely on account of not being indicated in this Section. Without limitation upon the foregoing, nothing contained in this Section shall be construed to grant any rights to Debtor or to impose any duties on Secured Party that would not have been granted or imposed by this Security Agreement or by applicable law in the absence of this Section.

7.4. Marshalling. Secured Party shall not be required to marshal any present or future Collateral for, or other assurances of payment of, the Obligations or to resort to such Collateral or other assurances of payment in any particular order, and all of its rights and remedies hereunder and in respect of such Collateral and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the extent that it lawfully may, Debtor hereby agrees that it will not invoke any law relating to the marshalling of Collateral which might cause delay in or impede the enforcement of Secured Party's rights and remedies under this Security Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, Debtor hereby irrevocably waives the benefits of all such laws.

7.5. Application of Collateral Proceeds. The proceeds and/or avails of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder (as well as any other amounts of any kind held by Secured Party at the time of, or received by Secured Party after, the occurrence of an Event of Default) shall be paid to and applied as follows:

(a) First, to the payment of reasonable costs and expenses, including all amounts expended to preserve the value of the Collateral, of foreclosure or suit, if any, and of such sale and the exercise of any other rights or remedies, and of all proper fees, expenses, liability and advances, including reasonable legal expenses and attorneys' fees, incurred or made hereunder by Secured Party;

(b) Second, to the payment to Secured Party of the amount then owing or unpaid on the Note (to be applied first to accrued interest and second to outstanding principal) and all amounts owed under any of the other Transaction Documents; and

(c) Third, to the payment of the surplus, if any, to Debtor, his successors and assigns, or to whosoever may be lawfully entitled to receive the same.

In the absence of final payment and satisfaction in full of all of the Obligations, Debtor shall remain liable for any deficiency.

12. This Agreement and the obligations of the parties hereunder shall be construed, interpreted and enforced in accordance with the laws of the State of New Jersey.

13. The parties agree that if any provision of this Agreement, other than the general release set forth in Paragraph 1 above, or the application thereof to any person, place or circumstance shall be held by a court of competent jurisdiction to be invalid, unenforceable, or void, the remainder of this Agreement and such provision as applied to other persons, places, and circumstances shall remain in full force and effect.

14. This Agreement has been drafted jointly by the parties and there shall be no presumption of construction against any party. The parties agree that the terms of all parts of the Agreement shall in all cases be construed as they hold, according to their fair meaning, and not strictly for or against any party.

15. This Agreement may be executed in any number of counterparts, and each such counterpart shall be deemed to be an original instrument, but all such counterparts together shall constitute but one agreement. This Agreement may be executed and delivered by facsimile.

16. Except as expressly provided for therein, this Agreement, together with all attachments, constitutes the full and complete understanding and agreement of the parties hereto and supersedes all prior understandings and agreements. The waiver by either party of a breach of any provision of this Agreement by the other party must be in writing and shall not operate or be construed as a waiver of any subsequent breach by such other party.

17. If the Company or the Employee believes that the opposite party is in breach of this agreement, the party who believes there is a breach will inform the other party of the breach and provide seven (7) working days to cure the breach. If any legal action is commenced to enforce the terms of this Agreement, the prevailing party shall be entitled to recover interest, at the highest prevailing rate, and any costs incurred, including attorneys' fees.

18. Employee certifies and acknowledges as follows:

(a) That Employee has read the terms of this Agreement and understands its terms and effects, including the fact that Employee has agreed to **RELEASE AND FOREVER DISCHARGE** the Releasees from any legal action arising out of Employee's employment relationship with the Company and/or the termination of that relationship;

(b) That Employee has signed this Agreement voluntarily and knowingly in exchange for the consideration described herein, which Employee acknowledges is adequate and satisfactory to him/her and which Employee acknowledges is in addition to any other benefits to which he/she is otherwise entitled;

(c) That Employee has been and is hereby advised in writing to consult with an attorney prior to signing this Agreement, and has had the opportunity to do so;

(d) That the Company has provided Employee with a period of twenty-one (21) calendar days within which to consider this Agreement, and that Employee has signed on the date indicated below after concluding that this Agreement is satisfactory; and

(e) Employee acknowledges that he/she may revoke this Agreement within seven (7) calendar days after the date of his execution of this Agreement appearing under his signature below (the "Revocation Period"), and it shall not become effective until the expiration of such seven-day revocation period. In order to be effective, any revocation by Employee must be in writing, directed to Dr. Thomas Moore and be received on or before the expiration of the Revocation Period. In the event of a timely revocation by Employee, this Agreement will be deemed null and void and neither the Company nor Employee will have any obligations hereunder.

**EMPLOYEE FURTHER STATES THAT HE/SHE HAS CAREFULLY READ AND FULLY UNDERSTANDS THE PROVISIONS OF THIS AGREEMENT AND RELEASE, INCLUDING THE RELEASE OF ALL CLAIMS, AND FREELY AND VOLUNTARILY ASSENTS TO ALL THE TERMS AND CONDITIONS THEREOF, AND SIGNS THE SAME AS HIS/HER OWN FREE ACT.**
